SPECIAL TOWN MEETING WARRANT

APRIL 6, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Sixth day of April, 1991, at 10:00 A.M., to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-law, including Collective Bargaining Agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer a sum of money to fund certain collective bargaining agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1990 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see what action the Town will take with regard to the payment of certain unpaid bills as follows:

Item	Department	Creditor	Amount
A.	Fire	Jordan Hospital	\$844.56

to raise and appropriate a sum of money therefor, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will vote to appropriate a sum of money from the Parking Meter Receipt Fund to purchase parking meters, or take any other action relative thereto.

POLICE DEPARTMENT

ARTICLE 6: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to add to the F.Y.'90 Reserve for Abatements and Exemptions account, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for additional design services as part of the Preliminary Environmental Impact Statement for the wastewater facility plan, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 8: To see if the Town will vote to raise, appropriate, transfer, or borrow from the Massachusetts Water Pollution Abatement Trust or otherwise, a sum of money for the wastewater treatment facility plan, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 9: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to pay Framingham Excavating Company for work on the Murray Street-Water Street outfall, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 10: To see if the Town will vote to transfer the balances in Article 9-30 of the 1990 Annual Town Meeting and Article 9-5 of the 1989 Annual Town Meeting to examine by TV, clean, remove roots, and line 1,200 feet of sewer pipe on R/W Off Billington Street, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 11: To see if the Town will transfer the balance of Article 7 of the November 20, 1989 Special Town Meeting for the purpose of drainage improvements on Filmore Street, or take any other action relative thereto.

DPW HIGHWAY DIVISION

ARTICLE 12: To see if the Town will vote to raise, appropriate, borrow, or transfer a sum of money to acquire an easement for drainage purposes on land located on Ellisville Road at the southeast corner of the portion of Lot 12, Plat 53, located on the westerly side of Ellisville Road, as shown on a plan entitled "Drainage Study Ellisville Road, Plymouth, Massachusetts, - Scale: 20 feet to an inch, October 10, 1990, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer - Revised: January 25, 1991", and to construct a drainage system on a portion of Ellisville Road running southerly approximately 2,600 feet from said Lot 12, and to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain such interest in land as may be necessary to construct and maintain said drainage system, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for a site assessment and initial testing of the groundwater in the area of the Cedarville Landfill, or take any other action relative thereto.

DPW ADMINISTRATION

ARTICLE 14: To see if the Town will vote to accept a gift of land on Plymouth Beach or raise, appropriate, transfer, or borrow a sum of money to purchase property on Plymouth Beach, or take any other action relative thereto.

LAND ACQUISITION COMMITTEE

ARTICLE 15: To see if the Town will vote to approve architectural plans and drawings for the Memorial Hall Public Restroom Project and authorize the expenditure of construction funds previously appropriated within Article 9 of the 1990 Annual Town Meeting; and empower the Board of Selectmen and the Plymouth-Carver Regional School Committee to enter into any agreements that may be necessary to deploy vocational-technical students as volunteer construction labor on said project in accordance with MGL Chapter 74:2A, or take any other action relative thereto.

VISITOR SERVICES BOARD

ARTICLE 16: To see if the Town will vote, under the provisions of MGL Chapter 40C, to expand the Plymouth Historic District as shown on a plan entitled “Plymouth Historic District: Existing and Proposed”, dated June 1, 1977, and which is on file with the Town Clerk; and to amend the Plymouth Historic District By-law by substituting at Article 14 of the Plymouth By-laws, Sect. 14.2, “Establishment of the Plymouth Historic District”, the following language, or take any other action relative thereto.

14.2 Establishment of the Plymouth Historic District

There is hereby established in the Town of Plymouth an amended historic district, which includes the area shown on a plan prepared by Delano and Keith, Inc. for the Historic District Study Committee dated October 18, 1972, entitled “Plymouth Historic District: Existing and Proposed”, and prepared by the Town of Plymouth Engineering Department for the Plymouth Historic District Commission, a copy of which is on file with the Plymouth Town Clerk.

PLYMOUTH HISTORIC DISTRICT COMMISSION

ARTICLE 17: To see if the Town will vote to amend its Zoning By-law so as to establish a new district designation and to make related map changes to Zoning Maps #1 and #2 (Plymouth Quadrant) in the general vicinity of Court Street, Main Street, Main Street Extension, Water Street, and other connecting streets to provide for a mix of commercial, office, residential and other uses, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 18: To see if the Town will vote to amend its Zoning By-law relative to off-street parking requirements to provide for a payment per space procedure as an alternative to on-site facilities, or take any other action relative thereto.
PLANNING BOARD

ARTICLE 19: To see if the Town will take action on revolving funds as provided in MGL Chapter 44, Section 53 (E 1/2) or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 20: To see if the Town will vote to raise, appropriate, or transfer a sum of money in order to conduct a professional assessment and evaluation of the Police Department of the Town of Plymouth, or take any other action relative thereto.
BY PETITION: LINDA SAM LENOX, et al

ARTICLE 21: To see if the Town will vote to dissolve the Permanent Elementary School Building Committee as it is presently constituted, a new committee to be appointed by the Board of Selectmen to carry out the vote and instructions of the Plymouth School Committee.
BY PETITION: WALTER E. MORRISON, JR., et al

ARTICLE 22: To see if the Town will vote to authorize the Board of Selectmen to sell and convey, within the requirements of MGL, Chapter 30B, the Uniform Procurement Act, all or a portion of a certain parcel of Town-owned land, shown as Lot 29 on Plat 90, Black Cat Road, for a sum and upon conditions as may be determined by the Board of Selectmen, and to rescind any prior vote inconsistent herewith, or take any other action relative thereto.
BY PETITION: KAREN LOMBARD, et al

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct, and make return thereof with your doings thereon at the time and place above-mentioned.

Given under our hands this, the Nineteenth day of March, 1991.

or take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to appropriate the sum of \$222,024 from available funds under Chapter 15 of the Acts of 1988, as the State's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 11: To see if the Town will vote to raise and appropriate a sum of money for the purpose of providing an ambulance service to the Town, as provided in Chapter 111C of the Massachusetts General Laws, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to raise and appropriate a sum of money for the purpose of conducting an annual financial audit, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to raise and appropriate a sum of money to the Town's Unemployment Compensation Fund, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14: To see if the Town will vote to transfer from the Waterways Fund a sum of money to repair the finger pier at the Town Wharf, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 15: To see if the Town will vote to appropriate from the Sale of Lots and Graves Fund a sum of money to be expended by the DPW Cemetery Division for the embellishment and improvement of the cemeteries or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 16: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended by the Board of Selectmen on the recommendation of the Community Development Board for the purpose of procuring certain public/social services to benefit residents of the Town of Plymouth, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 17: To see if the Town will vote to raise, appropriate, or transfer from available funds, a sum of money to support the Plymouth Area Coalition for the Homeless, Inc. in their service to homeless families.

BY PETITION: EDNA SEROCKI, et al

ARTICLE 18: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended by the Visitor Services Board with the approval of the Board of Selectmen for the purpose of implementing certain public improvements within the Plymouth Center/Waterfront Area, or take any other action relative thereto.

VISITOR SERVICES BOARD

ARTICLE 19: To see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditures, or take any other action relative thereto.

PLYMOUTH SCHOOL COMMITTEE

ARTICLE 20: To see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth-Carver Regional School Committee, for direct service expenditures, or take any other action relative thereto.

PLYMOUTH-CARVER REGIONAL SCHOOL DISTRICT COMMITTEE

ARTICLE 21: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to sponsor or contribute to an area household hazardous waste collection day or other activity, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 22: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for the purpose of providing Hepatitis B vaccinations for public safety personnel in the Town of Plymouth, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 23: To see if the Town will vote to authorize the Board of Selectmen to file a home rule petition with the Massachusetts General Court for the purpose of establishing a Plymouth Promotions Fund into which account will be deposited a portion of local room occupancy tax for the purpose of providing funds for programs and projects that enhance the beautification, recreational, resources, public safety, promotional and marketing activities, event services, and public improvements for residents and visitors of the Town of Plymouth and which strengthen Plymouth as an attractive center for tourism, conventions, and related purposes of the visitor industry, or take any other action relative thereto. (Full text of the proposed legislation is on file at the Town Clerk's office.)

VISITOR SERVICES BOARD

ARTICLE 24: To see if the Town will vote to adopt the following by-laws relative to the prohibition of swimming at public beaches, ponds, and any coastal waters adjacent thereto when conditions are deemed too dangerous for safe swimming: No person shall bathe or swim in the waters of Plymouth Beach, White Horse Beach, or any coastal waters adjacent thereto or any ponds which are under the jurisdiction of the Town of Plymouth during such time as the lifeguard on duty at said beach determines conditions to be hazardous to the health, safety, and welfare of swimmers and bathers. Upon posting of warning signs by the lifeguard on duty or oral notice from the lifeguard that conditions are deemed hazardous, all persons shall exit the water until it is determined that the hazardous condition has abated. Violations of this by-law shall be punishable by a fine of \$50.00 for each offense. This by-law may be enforced by means of a complaint or non-criminal disposition under MGL Chapter 40:21D by any police officer of the Town, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 25: To see what action the Town will take to adopt a by-law prohibiting the transportation of radioactive materials or waste on certain roadways within the Town, or take any other action relative thereto.

NUCLEAR MATTERS COMMITTEE

ARTICLE 26: To see if the Town will vote to accept and allow as Town Ways the following streets or portions thereof as laid out by the Board of Selectmen and reported to the Town, make an appropriation for the payment of expenses of acquiring title, and for the payment of damages, where necessary, and for such other incidental legal expenses:

Road	Petitioner
Bettencourt Road	Christopher Chase, et al
Driftwood Lane	Department of Public Works
Beach Road	Department of Public Works
Crabtree Road (portion)	Department of Public Works
Sugarbush Lane	Department of Public Works
Lafayette Road (portion)	Department of Public Works
Cranberry Circle	Department of Public Works
Micajah Pond Road (portion)	Department of Public Works

or take any other action relative thereto.

ARTICLE 27: To see if the Town will vote to establish a standing committee for purposes including implementing the recommendations outlined in the Manomet Village Master Plan, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 28: To see if the Town will vote to amend its Zoning By-law and associated maps so as to further control the development of land in association with the Buttermilk Bay Drainage Basin, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 29: To see if the Town will vote to authorize the Redevelopment Authority and its designees to enforce rules and regulations within their jurisdiction by means of a non-criminal monetary penalty of a specified sum, including any necessary related amendments to the Summer High Street Urban Renewal Plan, or take any other action relative thereto.

PLYMOUTH REDEVELOPMENT AUTHORITY

ARTICLE 30: To see if the Town will vote to amend its Zoning By-Law Section 302, "Conservation of Open Space Quality", relative to the regulation of signs and other advertising devices, or take any other action relative thereto.

BY PETITION: CLIFFORD F. CONTI, et al

ARTICLE 31: To see if the Town will vote to raise, appropriate or transfer a sum of money necessary to continue police coverage as heretofore evenings from 6:00 P.M. to 2:00 A.M. from Memorial Day to Labor Day, 1991, in the area of the beach entrance on Cape Cod Avenue, Manomet.

BY PETITION: EILEEN COLLINS, et al

ARTICLE 32: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to provide police presence at access to Manomet and Colony beaches, so-called; said access located at the southerly end of Shore Drive, contiguous to and including Lot B of the section labelled Lot 2 of Plymouth Assessor

Map 49, and also including the northeast extremity of the juncture or Centerville Way and Sea View Drive of the section labelled Lot 3 of Plymouth Assessors Map 49; said presence to be consistent with that provided to the beach access areas of Churchill's Landing and Cape Cod Avenue for the purpose of providing comfort, security, and protection to residents of the town from unlawful behavior upon the access of beaches.

BY PETITION: JOSEPH "RANDY" PARKER, JR., et al

ARTICLE 33: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to pave a portion (or entire length at your option) of Bay Terrace and Centerville Way, or take any other action relative thereto.

BY PETITION: JEAN T. GIBBONS, et al

ARTICLE 34: To see if the Town will vote to authorize the Board of Selectmen to sell within the requirements of MGL Chapter 30B, the Uniform Procurement Act, a certain parcel of Town-owned land, Lot 1-9 shown on Plat 124, abutting the land of Thomas S. Doherty, shown as Lot 1-8 on Plat 124, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 35: To see if the Town will vote to convey to Thomas S. Doherty a certain parcel of Town-owned land, Lot 1-9 and Lot 1-10, shown on Plat 124. Both lots combined are (120') one hundred twenty feet by (100') one hundred feet abutting the land of said Thomas S. Doherty, shown as Lot 1-8 on Plat 124, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.

BY PETITION: THOMAS S. DOHERTY, et al

ARTICLE 36: To see if the Town will vote to convey to Thomas Kinch and Janet Kinch, owners of Lot 62 on Map 30, Lot 65A on Map 30, which abuts Lot 62.

BY PETITION: NANCY LAPOINTE, et al

ARTICLE 37: To see if the Town will vote to amend the Zoning Map Number 1, Sagamore Quadrant, by re-zoning from R-25 (Medium Lot Residential) to NC (Neighborhood Commercial) land shown as Lot 1075 on a Plan of Land Prepared for Pond Properties, Inc., dated June 7, 1990, by Norwood Engineering Co., Inc., which plan is on file with the Town Clerk. Said land is located on the easterly side of Raymond Road, north of Grassy Pond, at 133 Raymond Road.

BY PETITION: MILLARD JOSEPH LANDRY, JR., et al

ARTICLE 38: To see what action the Town will take with regard to certain unexpended appropriation balances, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

ARTICLE 39: To see what action the Town will take to raise and appropriate or transfer from available funds, to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, as

amended, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

ARTICLE 40: To see what action the Town will take to transfer from available funds to reduce the tax levy of the forthcoming fiscal year, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and in public places in each precinct and make return thereof with your doings thereof at the time and place above-mentioned.

Plymouth s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth qualified to vote in elections and Town affairs to meet in the Plymouth North High School on Saturday, the Sixth day of April, 1991, at Ten o'clock in the forenoon to conduct the Annual Business Meeting of the Town of Plymouth, and I have further warned the Inhabitants of Plymouth qualified to vote in elections to meet in Precinct 1, Hedge School; Precinct 2, Cold Spring School; Precinct 3, Town Hall; Precinct 4, Plymouth North High School; Precinct 5, Plymouth-Carver Intermediate School; Precinct 6, Manomet Elementary School; Precinct 7, Indian Brook Elementary School; Precinct 8, Old Cedarville School House; Precinct 9, South Elementary School; Precinct 10, Federal Furnace Elementary School; Precinct 11, Plymouth Airport; Precinct 12, West Elementary School; Precinct 13, West Elementary School in said Plymouth to cast their votes for Town Officers between the hours of Eight o'clock in the forenoon and Eight o'clock in the afternoon on Saturday, the Eleventh day of May, 1991, by posting copies of this warrant in the Town Office Building and in a public place in each precinct, seven days at least before such meeting.

March 22, 1991
s/Jeffrey B. Peck

APRIL 6, 1991 - PRECINCT CAUCUSES

On the above date at the Plymouth North High School, Precinct #1 caucused with 5 Town Meeting. Members present. Mr. Leonard Vaz served as clerk. Mr. Benjamin W. Husted, Jr. of 13 Saverys Lane, was elected to serve until the next election. Mr. Husted was sworn in on April 8, 1991.

On April 6, 1991, the Tn. Mtg. Members of Precinct #6 held a caucus at the Plymouth North High School. Maureen MacKenzie served as clerk and Mr. Eugene T. Lane, Jr. of 3 Arboretum Road was elected to serve to the next election.

On April 6, 1991, Tn. Mtg. Members of Precinct #9 held a caucus at the Plymouth North High School, at which time they elected Linda M. Kundhardt of West Long Pond Road to serve to the next election. Mr. Walter E. Morrison, Jr. served as clerk.

On April 6, 1991, Precinct #13 held a caucus at Plymouth North High School with 6 Tn. Mtg. Members present. Mr. William D. Burke acted as clerk. Mr. Pasquale D. LaGambina of 29 Surrey Drive was elected to serve to the next election.

APRIL 6, 1991 ANNUAL TOWN MEETING

The Annual Town Meeting convened at 10:12 A.M. in the Plymouth North High School, by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 91, as reported by the checkers.

The Moderator declared a quorum present.

The Invocation was given, and the Moderator led the body in the Pledge of Allegiance to the flag.

Any newly-elected Town Meeting Members were sworn to their position by the Town Clerk, Mr. Edward B. Maccaferri, Jr.

The Annual Town Meeting was adjourned so as to consider the articles for the Special Town Meeting

It was voted that future adjourned sessions of the Annual Town Meeting would be held on April 8, April 9, and April 10 in the Plymouth North High School.

APRIL 6, 1991 SPECIAL TOWN MEETING

The Special Town Meeting was called to order at 10:26 A.M. by the Moderator, Clarence Krueger.

ARTICLE 1: Mr. Provenzano moved that the Town vote to amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreements approved by the Board of Selectmen and representatives of:

the Plymouth Police Brotherhood and

the Crossing Guard Union, AFSCME, Local 2824

and further, that the Personnel By-Law be amended by incorporating said agreements, including all changes, including salaries in such agreements retroactive to July 1, 1990, and to run through June 30, 1991; and further, to increase hourly wages for seasonal personnel covered under "Schedule D", by 5.3% effective with the date of commencement of employment in calendar year 1991.

This motion was PASSED.

ARTICLE 2: VOTED: That the Town transfer the sum of \$186,970 from the Selectmen's Budget, Salaries and Wages, (Salary Reserve), and appropriate the sum of \$887 from Parking Meter Receipts to fund certain collective bargaining agreements, as follows:

Department/Item	Amount	Transfer To	Transfer From
SELECTMEN:			
Info Aide/Director	\$63	Salary/Wages	Salary Reserve
POLICE:			
Park Police	\$107	Salary/Wages	Salary Reserve
Crossing Guards	\$1,802	Salary/Wages	Salary Reserve

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town vote to appropriate the sum of \$844.56 from Free Cash for the payment of a certain unpaid bill of the Town, as follows:

Item	Department	Creditor	Amount
A.	Fire	Jordan Hospital	\$844.56

ARTICLE 5: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$8,800 from the Parking Meter Receipt Fund to purchase parking meters, said funds to be expended under the supervision of the Police Department.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$123,000 from the Overlay Surplus Account to add to the FY '90 Reserve for Abatements and Exemptions.

ARTICLE 7: Mr. Provenzano moved that the Town vote to transfer the sum of \$15,000 from Police Salaries, Budget #210, for additional design services as part of the Preliminary Environmental Impact Statement for the wastewater treatment facility plan.
This motion was PASSED.

ARTICLE 8: Mr. Provenzano moved that the Town vote to authorize the appropriation of \$600,000 for the purpose of financing the development of a facility plan and environmental impact report (EIR) for an upgrade to the Town's wastewater facility plant, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow \$600,000 and issue bonds or notes therefor under Chapter 44 (7) of the General Laws and/or Chapter 29C of the General Laws; that such bonds or notes shall be general obligations of the Town unless the Treasurer with the approval of the Selectmen determines that they should be issued as limited obligations and may be secured by local system revenues as defined in Section 1 of Chapter 29C; that the Treasurer with the approval of the Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and, in connection therewith, to enter into a loan agreement and/or security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; that the Board of Selectmen is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the project and to take any other action necessary to carry out the project.
By vote of 79 AFFIRMATIVE and 5 NEGATIVE, this motion was PASSED.

ARTICLE 9: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$7,179.12 from Free Cash to pay Framingham Excavating Company for work on the Murray Street-Water Street outfall, said funds to be expended under the supervision of the Department of Public Works

ARTICLE 10: VOTED (UNANIMOUSLY) That the Town transfer the balance in Article 9-30 of the 1990 Annual Town Meeting (\$34,000.00) and the balance in Article 9-5 of the 1989 Annual Town Meeting (\$50,000.00) to examine by TV, clean, remove roots, and line 1,200 feet of sewer pipe on right of way off Billington Street, said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 11: VOTED: That the Town transfer the Balance of Article 7 of the November 20, 1989, Special Town Meeting (\$4,698.00) for the purpose of drainage improvements on Filmore Street; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 12: VOTED (UNANIMOUSLY) That the Town transfer the sum of \$125,000 from Free Cash and \$25,000 from the Sale of Real Estate Funds to acquire an easement for drainage purposes on land located on Ellisville Road at the southeast corner of the portion of Lot 12, Plat 53, located on the westerly side of Ellisville Road, as shown on a plan entitled "Drainage Study-Ellisville Road, Plymouth, Massachusetts. Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer-Revised: January 25, 1991" and to construct a drainage system on a portion of Ellisville Road running southerly approximately 2,600 feet from said Lot 12, and to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain such interest in land as may be necessary to construct and maintain said drainage system. The funds to be expended under the supervision of the Department of Public Works.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$12,000 from Police Department Salaries, Budget #210, for a site assessment and initial testing of the groundwater in the area of the Cedarville Landfill; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 14: NO ACTION ON ARTICLE 14.

ARTICLE 15: Mr. Provenzano moved that the Town vote to approve architectural plans and drawings for the Memorial Hall Public Restroom Project and authorize the expenditure of construction funds previously appropriated within Article 9 of the 1990 Annual Town Meeting; and empower the Board of Selectmen and the Plymouth Carver Regional School Committee to enter into any agreements that may be necessary to deploy vocational-technical students as volunteer construction labor on said project in accordance with MGL Chapter 74:2A; And further, that the balance of the original appropriation no longer necessary to fund said construction (approximately \$40,000.00) will be returned to surplus.

After some discussion regarding the esthetics of the roof design of this project, Mr. John Lee moved to limit debate and vote the question. This motion to limit debate did NOT PASS.

Mr. Lawrence Pizer moved to amend Mr. Provenzano's motion by adding "with any future roof modifications thereto" after the title of the project in line 2 above.

This motion to amend PASSED.

Mr. Provenzano's motion, as amended by Mr. Pizer's motion, was voted and PASSED.

ARTICLE 16: Mr. Provenzano moved that the Town vote, under the provisions of MGL Chapter 40C, to expand the Plymouth Historic District as shown on a plan

entitled "Plymouth Historic District: Existing and Proposed", dated June 1, 1977, and which is on file with the Town Clerk; and to amend the Plymouth Historic District By-law by substituting at Article 14 of the Plymouth By-laws, Sect. 14.2, "Establishment of the Plymouth Historic District", the following language:

14.2 Establishment of the Plymouth Historic District

There is hereby established in the Town of Plymouth an amended historic district, which includes the area shown on a plan prepared by Delano & Keith, Inc. for the Historic District Study Commission dated October 18, 1972, entitled "Proposed Historic District", and an expanded district shown on a plan entitled "Proposed Historic District, Plymouth, Massachusetts, as presented by Plymouth Historic District Commission, March 19, 1991", and prepared by the Town of Plymouth Engineering Department for the Plymouth Historic District Commission, a copy of which is on file with the Plymouth Town Clerk.

By vote of 72 AFFIRMATIVE, and 13 NEGATIVE, this motion PASSED.

ARTICLE 17: Mr. Provenzano moved that the Town vote to amend its Zoning By-law as shown in the "Final Report and Recommendations of the Planning Board on the PROPOSED AMENDMENT TO THE ZONING BY-LAW TO ESTABLISH THE DOWNTOWN/HARBOR DISTRICT."

Mr. John Lee moved to amend by eliminating Item C-4 under Special Permit Uses.

This motion to amend did NOT PASS.

The original motion of Mr. Provenzano was PASSED by vote of 78 AFFIRMATIVE, and 1 NEGATIVE.

FINAL REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BY-LAW TO ESTABLISH THE DOWNTOWN/HARBOR DISTRICT

DATES OF PUBLICATION OF PUBLIC NOTICE:	JANUARY 24, 1991 JANUARY 31, 1991
DATES OF PUBLIC HEARING:	FEBRUARY 12, 1991 FEBRUARY 26, 1991

VOTED: On Tuesday, February 26, 1991, the Planning Board VOTED (4-0) to recommend that the proposed amendment be approved, provided that is effective concurrent to the Historic District expansion to be voted on at this same Special Town Meeting.

PROPOSED AMENDMENT:

I) To amend Section 401 - "District Regulations" by adding the following Section thereto:

Section 401.21 DH Downtown/Harbor District

A) Intent

To encourage a mix of commercial and residential uses on individual lots and throughout the district that complement the Town's rich historical background.

To create a pedestrian oriented environment by creating links between existing and proposed areas of activity, to better serve residents and tourists.

To preserve and protect the distinctive characteristics of buildings and places significant in the history of Plymouth or their architecture, and through the maintenance and improvement of settings for such buildings and places and the encouragement of designs compatible therewith.

B) Allowed Uses

1) Single family, two family, and multi-family dwellings, containing less than nine (9) units on the same lot, provided:

A) That each unit contains a minimum floor area of:

- i) 600 square feet for one bedroom units,
- ii) 720 square feet for two bedroom units,

and

- iii) $(720 + 100X)$ square feet for $(two + X)$ bedroom units

AND

B) Such uses are not allowed on the street floor of a building located on a state numbered highway, as designated as of January 24, 1991.

- 2) Boat sales, service, rentals, ramps, and docks: commercial sightseeing or ferrying.
- 3) Marine railways, repair yards, storage yards, marine supply outlets.
- 4) Commercial fishing and seafood wholesale or retail outlets and related uses.

- 5) Hotels, motels, and inns, for occupancy of 25 rooms or less.
- 6) Indoor and outdoor eating and drinking establishments.
- 7) Retail establishments.
- 8) Personal service establishments, including such uses as barber and beauty shops, shoe repair shops, self-service laundry and cleaners, laundry and dry-cleaners.
- 9) Offices, studios, laboratories.
- 10) Professional and business services.
- 11) Financial institutions and establishments.
- 12) Recreational, social, or cultural facilities such as theatre, play-house, bandshell, outdoor pavilion, museum, community center.
- 13) Commercial recreation uses.
- 14) Private clubs and lodges.
- 15) Other cultural and recreational uses, public or private.
- 16) Parking lots and garages, whether public, private, or commercial.
- 17) Clinics and laboratories.
- 18) Funeral homes.
- 19) Day nurseries and kindergartens.
- 20) Colleges, universities, technical or vocational schools and dormitories.
- 21) Rental agencies, such as miscellaneous appliances and equipment.
- 22) Wholesaling, distribution, and storage, involving not more than 2,000 square feet of storage space.
- 23) Service and repair establishments (except automotive service stations and minor repair shops), provided that all repairs take place inside an enclosed structure, including all such uses as household appliance repair and servicing, office equipment repair, and miscellaneous small repair shops, provided that all repairs shall take place in completely enclosed structures, or in areas completely screened from public ways and, where necessary, adjacent uses.

C) Special Permit Uses

- 1) Drive-thru establishments.
- 2) Rest homes, halfway houses, convalescent homes, homes for the elderly, orphanages, and similar institutions.
- 3) Passenger stations for buses and other types of mass transit.
- 4) Automobile service stations and minor repair shops, provided that all repairs shall take place in enclosed buildings or screened areas.
- 5) Multi-family uses of greater than eight (8) units on the same lot, subject to the density provisions of Section (B) (1).
- 6) Lodging Houses.
- 7) Hotels, motels, and inns, for occupancy of more than 25 rooms.

D) Prohibited Uses

- 1) Industrial uses not otherwise provided for above.
- 2) Any use other than as permitted above, including exterior storage of products or merchandise in substantial quantities, or of new or used building materials, junk, scrap, salvage, or any other second-hand materials, warehouses and distribution facilities containing over 2,000 square feet, permanent or regular outdoor displays of merchandise in any required yard, major automotive garages, and body shops, or any garage which conducts repairs out of doors, tire recapping and retreading, storage or distribution of bulk petroleum products, and any other use of any equal or greater nuisance level.
- 3) Any use which is determined to be potentially dangerous or offensive to persons in the district, or to those who pass on public ways, by reason of emission or odor, smoke, fumes, particulate matter, noise, vibration, glare, radiation, electrical interference, or of threat of fire or explosion, or which is likely for any reason to be incompatible with the character and function of the district.

E) Dimensional Requirements

- 1) All uses, premises, and structures should be designed to allow pedestrian access to and along the shore.
- 2) The front line for a structure hereafter erected may extend to an alignment consistent with the predominant setback of existing structures along the same side of the street within 500 feet of the site.
- 3) The side and rear yards of detached structures shall be a minimum of five (5) feet, variable by Special Permit. Attached structures may have no side or rear setback provided that internal sprinkling and fire alarm systems are provided.

- II) To amend Zoning Maps #1 & #2 (Plymouth Quadrant) so as to delineate the Downtown/Harbor District, as shown on a map entitled "Proposed Downtown/Harbor District, February 12, 1991", on file with the Town Clerk.

Need & Justification

In November 1979, Town Meeting adopted the Plymouth Center/Waterfront Area Master Plan. This plan recognized the problems, potentials, and interaction between the waterfront and Plymouth Center. A series of recommendations was included to protect aesthetic values while addressing the need for change in economic use.

Much of the area's charm lies in the historical nature of its architecture, which provides a distinct sense of place. The Town must protect and enhance what exists and ensure that future improvements are harmonious with the historical nature of the area.

The Downtown/Harbor is well established as the historic, social, governmental, and economic center of the entire community. There is a need for one zoning district uniquely suited to the area, established in conjunction with an expanded Historic District. This new zoning district should specifically include connector streets between downtown and the harbor, which have been identified in the adopted Master Plan.

Effect

The proposed amendment would establish the Downtown/Harbor District. As shown on the enclosed map, this district is bounded by Samoset Street/Park Avenue on the north, Plymouth Harbor on the east, the Water Street/Sandwich Street intersection on the south, and a line one block off Route 3A to the West. Not included in this district are Brewster Street and Chilton Street.

The effect of this proposal is to allow increased flexibility in use. A mix of light commercial, office, residential, and waterfront uses is encouraged. The merging of several separate districts results in a consistent use pattern, more capable of implementing the goals of the Master Plan. Setback and dimensional requirements have been limited as the expanded Historic District would assure appropriate building and site design.

Intent

The intent of this amendment is to bring the Zoning By-law into consistence with the adopted Village Master Plan, and to assist in revitalizing the Downtown/Harbor area.

As noted in the plan, this area has largely avoided overdevelopment, retaining the character, charm, and ambience of its historical roots. Preservation and enhancement must be at the forefront of any improvement strategy.

The quality of the Downtown/Harbor area lies in its diverse mix of stores, services, and residences. This amendment encourages such a mix. Use regulation is minimized, with an emphasis on quality.

THE PLANNING BOARD

Michael F. Babini
Malcolm A. MacGregor
Robert L. Hollis, Jr.
Derryl P. Lawrence
Donald A. Nicholson, III

CC: Town Clerk
Board of Selectmen
Advisory & Finance Committee

By vote of 81 AFFIRMATIVE, and 1 NEGATIVE, this motion was PASSED.

Land uses within the General Commercial Zoning District and the Waterfront District shall provide off-street parking spaces according to the ratios established under Section 305.11. In the alternative, as a Special permit condition, a payment may be made to an Off-Street Parking Fund to be established in a manner determined by a Town Meeting separate from the General Fund. Land uses within the Downtown/Harbor District may make such a payment in lieu of 15 or fewer parking spaces as an allowed procedure. A payment for more than 15 spaces may be made as a Special Permit condition.

A payment to this fund shall be reasonably proportionate to the ratios referenced in Section 305.11, as well as the estimated cost of land and improvements necessary to support the parking demands of the subject use. This payment shall be in accordance with a schedule adopted by the Board of Selectmen.

Expenditures from this fund are to occur only with the approval of a Town Meeting, or the approval of an agency so authorized. Eligible parking related uses for these funds include land acquisition, facility construction, and the preparation of plans and specifications therefore. Expenditures shall directly benefit the aforementioned land use. Funds shall not be expended for routine maintenance, or for facilities located outside of the associated Village Service Area.

NEED & JUSTIFICATION

In November of 1989, Town Meeting adopted the Master Plan for the Plymouth Center/Waterfront Area. At that time the Planning Board was directed to prepare certain Zoning By-law changes for consideration.

The 1990 Annual Town Meeting overwhelmingly adopted an amendment relative to off-street parking requirements to provide for a payment per space procedure as an alternative to on-site facilities. This proposed amendment was rejected by the Attorney General. This rejection was solely for accounting reasons. The General Law requires all revenue generated by the Town to be deposited into the General Fund unless another lawfully recognized account is in place.

To address the Attorney General's concerns, language referring to the outside holdings of funds has been eliminated. In conjunction with this article, it is necessary to establish a revolving account. This is now provided for in the General Laws.

The only significant change in substance relates to uses in the Downtown/Harbor District. A payment in lieu of 15 parking spaces or less could now be made in this district as allowed procedure.

EFFECT

The effect of this amendment would be to provide for a payment to an off-street parking

fund as an alternative to providing on-site parking spaces. This would enable commercial properties which are incapable, due to limited lot size or other factors, to be put to appropriate use while not exacerbating existing parking problems.

INTENT

It is intended that a property owner be given the opportunity to participate financially in the construction of public parking facilities. Too often the Appeals Board has been faced with the dilemma of approving a worthwhile project, which negatively impacts an area's parking situation. It is intended that this article will encourage commercial investment, while providing an alternative to taxpayer financing of parking lots and garages.

TOWN OF PLYMOUTH BY:

Michael F. Babini, Chairman
Malcolm A. MacGregor
Robert L. Hollis, Jr.
Derryl P. Lawrence
Donald A. Nicholson, III

BEING A MAJORITY OF THE PLANNING BOARD

ARTICLE 19: VOTED: That the Town establish the following revolving funds as provided in MGL Chapter 44, Section 53 (E 1/2):

- a) The Manomet Village Parking Revenue Revolving Fund
 - b) The Cedarville Village Parking Revenue Revolving Fund
 - c) The West Plymouth Village Parking Revenue Revolving Fund
 - d) The North Plymouth Village Parking Revenue Revolving Fund
 - e) The Plymouth Center Village Parking Revenue Revolving Fund
-
- 1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-law;
 - 2) The departmental receipts credited to these five funds shall be those identified in Section 305.12 of the Plymouth Zoning By-law. Said departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected;
 - 3) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established;
- and
- 4) The limit of expenditures authorized for fiscal year 1991 shall not exceed \$1.00 from any fund so established.

ARTICLE 20: Mrs. Lenox moved to transfer a sum of \$20,000.00 from the Fiscal Year 1991 operating budget, Police Department Administration, Salaries and Wages, in order to conduct a professional assessment and evaluation of the Police Department of the Town of Plymouth; said funds to be expended under the direction of the Board of Selectmen.

This motion did NOT PASS.

ARTICLE 21: Mr. Walter Morrison moved that the Town vote to dissolve the Permanent Elementary School Building Committee, as it is presently constituted, a new committee to be appointed by the Board of Selectmen to carry out the vote and instructions of the Plymouth School Committee.
This motion was UNANIMOUSLY DEFEATED.

ARTICLE 22: Mr. Provenzano moved that the Town vote to transfer to the custody of the Board of Selectmen for purposes of sale and conveyance all of the Town's right, title, and interest in Lot 29 on Plat 90, Black Cat Road, and vote to authorize the Board of Selectmen to sell and convey, within the requirements of MGL Chapter 30B, the Uniform Procurement Act — in or within six months from the date of passage of this motion, all or a portion of all of the Town's right, title, and interest in Lot 29 on Plat 90, Black Cat Road; for a sum and upon conditions as may be determined by the Board of Selectmen. By voice vote — UNANIMOUS "YES"; no NEGATIVE oral vote; one Town Meeting Member requests to be recorded as abstaining.

At 5:00 P.M. Mr. Brewster moved to adjourn and dissolve this Special Town Meeting.

SO VOTED.

APRIL 8, 1991 ANNUAL TOWN MEETING

The adjourned session of the Annual Town Meeting convened at 7:45 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 1: ANNUAL TOWN ELECTION — MAY 11, 1991

ARTICLE 2: Mr. Provenzano moved that the Town receive reports of various Town Committees, Boards, Commissions, and Departments, and place them on file at the Town Clerk's office.

130 Court Street Committee;
D.P.W. Facility Study Committee;
Animal Shelter Study Committee;
Permanent Elementary School Building Committee;

VOTED — UNANIMOUSLY to accept these reports as presented.

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow in anticipation of revenue for the twelve month period beginning July 1, 1991, in accordance with Section 4 of Chapter 44 of the Massachusetts General Laws, as amended, of less than one year, in accordance with Section 17 of Chapter 44 of the Massachusetts General Laws.

ARTICLE 4: VOTED: That the Town, pursuant to Article 1, Section 4 of the Town By-laws

vote to discharge the Permanent Parking and Traffic Study Committee	YES
vote to continue the following committees until the 1992 Annual Town Meeting:	
Public Works Facility Study Committee	YES
Temporary Police Station Study Committee	YES
Town Hall Study Committee	YES
Animal Shelter Study Committee	YES

and further

vote to continue the Ambulance Committee for a period of three years	YES
and the Manomet Sewage Planning and Construction Committee for three years	YES

(said committee to consist of (7) seven members, one from each "Service Area" and (3) three at-large citizens)

and the Recreation Activities Commission for a period of three years	YES
--	-----

*(Recreation to be subject to results of the May, 1991 election ballot question regarding Plymouth Home Rule Charter).

*On May 11, 1991, the Plymouth Home Rule Charter, as proposed, was PASSED, therefore eliminating the Plymouth Recreation Activities Commission from the government structure.

ARTICLE 5: Mr. Provenzano moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-law and Collective Bargaining Agreements contained therein as follows:

Adopt job description for Payroll Administrator	NO
Amend language in Section 13A — Longevity Payment	YES
Amend language in Section 15 — Sick Leave	YES
Amend language in Section 15B — Sick Leave Buy Back	YES

as recommended by the Personnel Director and outlined in a letter to the Finance and Advisory Committee dated February 22, 1991.

ARTICLE 6: Mr. Provenzano moved that the Town vote to fix the salaries of elected officials as follows:

Moderator	\$300.00
Chairman, Board of Selectmen	3,000.00
Selectmen, Other (each)	2,000.00
Town Clerk	19,488.00
Town Treasurer	19,488.00
Tax Collector	41,383.00

James Bell moved that the salaries be considered and voted as separate items.

This motion did NOT PASS.

Mr. George W. Parker, Jr. moved to substitute the following schedule for the one proposed by Mr. Provenzano:

Moderator	\$000.00
Chairman, Selectmen	000.00
Selectmen, Other (each)	000.00
Town Clerk	20,000.00
Town Treasurer	20,000.00
Town Collector	41,000.00

This motion to amend did NOT PASS.

Mr. Provenzano's motion, as originally presented, was voted and PASSED.

ARTICLE 7: Mr. Provenzano moved that the Town vote to raise and appropriate the sum of \$64,391,683.00 to provide for a Reserve Fund and to defray the expenses of the Town and for the purposes as listed in the printed Report and Recommendations of the Plymouth Advisory and Finance Committee, and with any amendments thereto voted:

Mr. Provenzano moves that \$290.00 be added to Item #26 — Town Collector Salaries and Wages
YES

Mr. Provenzano moves that \$500.00 be added to Item #110 — Emergency Preparedness Professional/Technical Services and the sum of \$500.00 be subtracted from Item #111 — Emergency Preparedness — Other Charges and Expenses
YES

and further, Mr. Provenzano moves that the Town vote to continue the following revolving funds for Fiscal 1992, as established under Article 19 of the April 6, 1991 Special Town Meeting;

- a) The Manomet Village Parking Revenue Revolving Fund
 - b) The Cedarville Village Parking Revenue Revolving Fund
 - c) The West Plymouth Village Parking Revenue Revolving Fund
 - d) The North Plymouth Village Parking Revenue Revolving Fund
 - e) The Plymouth Center Village Parking Revenue Revolving Fund
- 1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-law;
 - 2) The departmental receipts credited to these five funds shall be those identified in Section 305.12 of the Plymouth Zoning By-law. Said departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected;
 - 3) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established;
- and
- 4) The limit of expenditures authorized for fiscal year 1992 shall not exceed \$1.00 from any fund so established.

Items #1 through #126, with changes as proposed by Mr. Provenzano, were presented individually and voted

Item #127 — Plymouth Schools —

Mr. Eugene Lane, Sr. moved to amend Item #127 by reducing the budget amount by \$100,000.00 so that the amount becomes \$20,530,555.

This motion to amend did NOT PASS.

At 11:15 P.M. it was moved and voted to adjourn to Tuesday, April 9, 1991, at 7:30 P.M. in the Plymouth North High School.

APRIL 9, 1991 ANNUAL TOWN MEETING

The adjourned session of the Annual Town Meeting convened at 7:48 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 7: (Continued)

Mr. Provenzano's motion re: Article 7 presented for completion.

Items #128 through #187 voted individually and PASSED as presented.

Mr. Randy Parker moved to amend Article 7 by adding the amount of \$14,498.00 to Item #188 — Library Administration — Salaries and Wages.

This motion PASSED.

Mr. Randy Parker moved to amend Article 7 by adding the amount of \$800.00 to Item #188 — Library Administration — Salaries and Wages.

This motion PASSED.

Mr. Randy Parker moved to amend Article 7 by adding the sum of \$3,320.00 to Item #192 — Library (Community Services) — Supplies and Materials.

This motion PASSED.

Therefore, the total Library budget amount is increased to \$804,753.00.

Mr. Provenzano's final motion, as amended, was voted as follows:

That the Town raise and appropriate the sum of \$64,410,591.00 to provide for a Reserve Fund and to defray the expenses of the Town and for the purposes as listed in the printed Report and Recommendations of the Plymouth Advisory and Finance Committee, and amendments thereto voted, of which:

\$85,902.00	shall come from the Airport Revolving Fund for Airport-Salaries and Wages, Item #224
\$33,332.23	shall come from State Aid to Libraries for Library-Salaries and Wages, Item #188

\$60,000.00	shall come from Cemetery Perpetual Care Funds for Cemetery-Salaries and Wages, Item #162
\$41,039.00	shall come from the Parking Meter Receipt Fund for Police-Salaries and Wages, Item #63
\$8,500.00	shall come from the Parking Meter Receipt Fund for Police-Building Maintenance/Parking Control-Supplies and Materials, Item #79
\$35,000.00	shall come from the Parking Meter Receipt Fund for Principal, Item #215
\$7,123.00	shall come from the Parking Meter Receipt Fund for Interest, Item #216
\$14,638.00	shall come from the Waterways Improvement Fund for Harbormaster-Salaries and Wages, Item #115
\$150.00	shall come from the Waterways Improvement Fund for Harbormaster-Waterfront Services-Salaries and Wages (Uniforms), Item #120
\$3,481.00	shall come from Receipts Reserved for Appropriation for the purpose of Administering the Wetland Protection Act for Conservation-Salaries and Wages, Item #46

and the balance from the tax levy for the ensuing twelve month period beginning July 1, 1991.

This motion, as amended, PASSED.

ARTICLE 8: Mr. Provenzano moved that the Town vote to raise and appropriate the sum of \$181,432.00 for the repair and/or purchase and/or lease and/or replacement of departmental equipment for the various departments as follows:

Item	Department/Equipment	Cost
A.	Data Processing/Helical Scan	\$9,000.00
B.	Data Processing/Mainframe Circuit Breaker	600.00
C.	Elections — AVM Voting Machines (3)	7,500.00
D.	Fire — 30 HP Outboard Motor	2,500.00
E.	Fire — Engine #7 Rust Repair	9,800.00
F.	Maintenance — Steam Cleaner	6,000.00
H.	Police — Unmarked Cruisers (2)	21,982.00
I.	Police — Marked Cruisers (7)	102,200.00
J	Police — Computer Tape Drive	1,950.00
L	Police — Radios (10)	7,000.00
M.	Recreation — Rescue Boat	900.00
N.	Sewer — Plant Equipment	12,000.00

This motion PASSED.

ARTICLE 9: Mr. Provenzano moved that the Items in Article 9 be considered in an order other than that by which they were listed in the warrant, so as to be considered by priority and department. SO VOTED.

Item #1 Mr. Provenzano moved that the Town vote to raise and appropriate the sum of \$50,000.00 for Manomet Landfill Closure/Expansion Plans; said funds to be expended under the supervision of the Department of Public Works.

PASSED — UNANIMOUSLY

Item #2 NO ACTION

Item #3 Mr. Provenzano moved that the Town appropriate the sum of \$30,000.00 from the Sale of Lots and Graves Fund for the purpose of lot development in the Manomet Cemetery; said funds to be expended under the supervision of the Department of Public Works.

PASSED — UNANIMOUSLY

Mr. Russell Fry presented the report of the Police Station Study Committee, which was accepted.

Item #5 Mr. Provenzano moved that the Town raise and appropriate the sum of \$150,000.00 for the purpose of improvements to the intersection of South Meadow Road at Federal Furnace Road; said funds to be expended under the supervision of the Department of Public Works.

PASSED — UNANIMOUSLY

Item #6 Mr. Provenzano moved that the Town appropriate the sum of \$40,000.00 from the Parking Meter Receipt Fund, and raise and appropriate the sum of \$160,000.00 for the purpose of Water Street/Parking Reconstruction, Phase Two; said funds to be expended under the supervision of the Department of Public Works.

PASSED — UNANIMOUSLY

Item #9 Mr. Provenzano moved that the Town raise and appropriate the sum of \$200,000.00 for road reconstruction; said funds to be expended under the supervision of the Department of Public Works.

PASSED — UNANIMOUSLY

Item #29 Mr. Provenzano moved that the Town raise and appropriate the sum of \$95,000.00 for Jenny Pond reconstruction, Phase I; said funds to be expended under the supervision of the Department of Public Works.

On a voice vote, the Moderator declared that the motion did not pass.

Seven Town Meeting Members having questioned the decision, the Moderator asked for a standing count.

By vote of 43 AFFIRMATIVE, and 38 NEGATIVE, this motion PASSED. ***

***See further action on April 10, 1991, regarding final disposition of this item.

Item #40 Mr. Provenzano moved that the Town raise and appropriate the sum of \$140,000.00 for the purchase of a Brush Breaker; said funds to be expended under the supervision of the Plymouth Fire Department.

This motion was PASSED.

Item #48 Mr. Provenzano moved that the Town raise and appropriate the sum of \$15,000.00 to replace the Intercom System at Indian Brook Elementary School; said funds to be expended under the supervision of the Plymouth School Committee.

PASSED — UNANIMOUSLY

At 10:50 P.M. Mr. Gay moved to adjourn to Wednesday, April 10, 1991, at 7:30 P.M. in the Plymouth North High School. So voted.

APRIL 10, 1991 ANNUAL TOWN MEETING

The adjourned session of the 1991 Annual Town Meeting was called to order at 7:45 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 85, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 9: (Continued)

Mr. William Burke moved to reconsider Item #29 under Article 9, RE; Jenny Pond Reconstruction, Phase I.

This motion to reconsider was PASSED.

Mr. Burke moved to amend Item #29 of Article 9 — Jenny Pond Reconstruction, Phase I, by substituting the sum of money requested to be \$85,000.00 in place of \$95,000.00 and eliminating the feeding station.

Upon voice vote, the Moderator declared the motion to have passed. Seven Town Meeting Members having questioned the decision, a standing count was taken.

By counted vote of 58 AFFIRMATIVE, and 24 NEGATIVE, the motion, as amended, PASSED.

Item #4 Mr. Provenzano moved that the Town appropriate the sum of \$10,000.00 from the Sale of Lots and Graves Fund for the purpose of performing road and water line repairs in Town cemeteries; said funds to be expended under the supervision of the Department of Public Works.

This motion PASSED.

PASSED — UNANIMOUSLY

Items #70, #71, #72, #73, #74, #75, #76, and #77 — NO ACTION

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$223,841.00 for the purpose of providing an ambulance service to the Town, as provided in Chapter 111C of the Massachusetts General Laws; said funds to be expended under the supervision of the Fire Chief.

ARTICLE 12: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$27,000.00 for the purpose of conducting an annual financial audit; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$25,000.00 to the Town's Unemployment Compensation Fund; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 14: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$8,500.00 from the Waterways Fund to repair the finger pier at the Town Wharf; said funds to be expended under the supervision of the Harbormaster.

ARTICLE 15: VOTED: (UNANIMOUSLY) That the Town appropriate \$3,000.00 from the Sale of Lots and Graves Fund to be expended by the DPW Cemetery Division for the embellishment and improvement of the cemeteries; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 16: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$20,000.00 and transfer the sum of:

- \$922.00 from the Murdock Trust Fund
- \$1,110.00 from the Holmes Trust Fund
- \$2,968.00 from the LeBaron Trust Fund

to the general fund for the purpose of procuring certain public/social services to benefit residents of the Town of Plymouth. Said funds are to be expended by the Board of Selectmen on the recommendation of the Community Development Advisory Council.

ARTICLE 17: NO ACTION

ARTICLE 18: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$10,000.00 to be expended by the Visitor Services Board with the approval of the Board of Selectmen for the purchase and installation of park benches and enhanced signage within the Plymouth Center/Waterfront Area.

ARTICLE 19: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws; said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditures.

ARTICLE 20: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws; said funds to be expended under the supervision of the Plymouth-Carver Regional School Committee, for direct service expenditures.

ARTICLE 21: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$30,000.00 to sponsor or contribute to an area household hazardous waste collection day; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 22: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$30,000.00 for the purpose of providing Hepatitis B vaccinations for the public safety personnel in the Town of Plymouth; said funds to be expended under the supervision of the Personnel Department.

ARTICLE 23: Ms. Susan Lincoln moved that the Town vote to authorize the Board of Selectmen to file a home rule petition with the Massachusetts General Court for the purpose of establishing a Plymouth Promotions Fund into which account will be deposited a portion of the local room occupancy tax, for the purpose of providing funds for programs and projects that enhance the beautification, recreational resources, public safety, promotional and marketing activities, event services, and public improvements for residents and visitors of the Town of Plymouth and which strengthens Plymouth as an attraction center for tourism, conventions, and related purposes of the visitor industry.

Mr. Paul Nugent moved to amend Ms. Lincoln's motion by adding a section which reads:

The expenditure of any and all public funds (Raised through the local room occupancy tax) deposited in said fund be matched by private sector funds 2 : 1, that is, for every public dollar granted to a public or private sector for or non-profit/not-for-profit organization for any program described herein or related to, the organization is responsible for raising and dedicating a minimum of two private sector dollars for each public sector dollar to be granted. The public matching funds shall not exceed the funds available in the Plymouth Tourism Promotions Fund, or take any other action relative thereto.

This motion to amend did NOT PASS.

The motion, as originally presented, was considered and voted - by vote of 22 AFFIRMATIVE, and 57 NEGATIVE, this motion did NOT PASS.

At 11:25 P.M., it was voted to adjourn until April 22, 1991, at 7:30 P.M. in the Plymouth North High School.

APRIL 22, 1991 ANNUAL TOWN MEETING

The adjourned session of the Annual Town Meeting was called to order at 7:40 P.M.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

Mr. F. S. Triffletti moved to reconsider Article 23.

This motion did NOT PASS.

The oral vote result being questioned by 7 members, a standing count was taken.

By vote of 23 AFFIRMATIVE, and 57 NEGATIVE, this motion to reconsider did NOT PASS.

ARTICLE 24: Mr. Provenzano moved that the Town adopt the following by-law as Section 8.24 relative to the prohibition of swimming at public beaches, ponds, and any coastal waters adjacent thereto when conditions are deemed too dangerous for safe swimming:

No person shall bathe or swim in the waters of Plymouth Beach, White Horse Beach, or any coastal waters adjacent thereto, or any ponds which are under the jurisdiction of the Town of Plymouth during such time as the lifeguard on duty at said beach determines conditions to be hazardous to the health, safety, and welfare of swimmers and bathers. Upon posting of warning signs by the lifeguard that conditions are deemed hazardous, all persons shall exit the water until it is determined that the hazardous condition has abated. Violations of this by-law shall be punishable by a fine of \$50.00 for each offense. This by-law may be enforced by means of a complaint or non-criminal disposition under MGL 40:21D by any police officer of the Town.

Mr. James Bell moved to amend by adding that surfers and windsurfers be included as subjects of the by-law.

This motion to amend did NOT PASS.

The original motion was voted and PASSED.

ARTICLE 25: NO ACTION

ARTICLE 26: VOTED: (UNANIMOUSLY) That the Town accept and allow as Town Ways the following streets or portions thereof, as laid out by the Board of Selectmen and reported to the Town:

Road	Petitioner
Driftwood Lane	Dept. of Public Works
Beach Road	Dept. of Public Works
Crabtree Road (Portion)	Dept. of Public Works
Sugarbush Lane	Dept. of Public Works
Lafayette Road (Portion)	Dept. of Public Works
Cranberry Circle	Dept. of Public Works

ARTICLE 27: VOTED: (UNANIMOUSLY) That the Town establish a Permanent Manomet Steering Committee for purposes including implementing the recommendations outlined in the Manomet Village Master Plan. The Committee to be advisory in nature and its primary function to assist in the implementation of the Manomet Village Master Plan, and to advocate for the needs of the area.

Membership of the committee shall be seven (7) members appointed for three year overlapping terms, as follows:

- Six (6) appointed by the Planning Board
- One (1) appointed by the Board of Selectmen

Any Town Meeting Member who lives within the defined Manomet Village Service Area who is not appointed to the committee shall be non-voting “ex-officio” members.

The Planning Board shall appoint a temporary Chairman. The Committee shall report annually to the Town, either at the Annual Town Meeting, or a written report placed on file with the Town Clerk’s office to be included in the Annual Town Report for the Town of Plymouth.

ARTICLE 28: VOTED: (UNANIMOUSLY) That the Town amend its Zoning By-law and associated maps as shown in the Final Report and Recommendation of the Planning Board on the proposed “AMENDMENT TO THE ZONING BY-LAW RELATIVE TO THE CREATION OF THE BUTTERMILK BAY DISTRICT”.

ARTICLE 29: VOTED: (UNANIMOUSLY) That the Town amend the “Summer-High Street Urban Renewal Plan” (Project No. Mass. R-26), dated August, 1962, as amended, so as to add the following provision to page UR Plan 13.

Section D.3

As provided for in Massachusetts General Laws Chapter 40, Section 21D, the Plymouth Redevelopment Authority may enforce the rules and regulations contained herein by means of non-criminal monetary penalty as prescribed in Article 15 of the Town of Plymouth General By-laws.

ARTICLE 30: Mr. Provenzano moved that the Town amend its Zoning By-laws as shown in the Final Report and Recommendation of the Planning Board on the "PETITION OF CLIFFORD F. CONTI, ET AL, TO AMEND THE ZONING BY-LAW, SECTION 302 - 'CONSERVATION OF OPEN SPACE QUALITY'".

By vote of 67 AFFIRMATIVE, and 18 NEGATIVE, this motion was PASSED.

ARTICLE 31: NO ACTION

ARTICLE 32: Mr. Randy Parker moved that the Town vote to acquire from the tax levy the amount of \$3,000.00 to supplement Item #63, Article 7, Police Department Budget, Salaries and Wages, specifically for line item 0100-210-01-5110-000 permanent intermittent personnel.

By voice vote, the Moderator declared that the motion did NOT PASS.

Seven Members having questioned this decision, a standing vote was taken.

By vote of 25 AFFIRMATIVE, and 53 NEGATIVE, this motion did NOT PASS.

ARTICLE 33: Mr. Randy Parker moved that the Town vote to acquire from the tax levy the amount of \$5,000.00 to supplement the Department of Public Works, Highway Department, Capital Improvement Budget Project, Pavement Maintenance of Private Roads, for the purpose of paving a portion of Centerville Way.

This motion did NOT PASS.

ARTICLE 34: VOTED: (UNANIMOUSLY) That the Town transfer to the custody of the Board of Selectmen for the purpose of sale, a certain parcel of Town-owned land, shown as Lot 1-9 on Plat 124 of the Plymouth Assessor's Maps, and further, that the Town authorize the Board of Selectmen to sell within the requirements of MGL Chapter 30B, a certain parcel of Town-owned land, Lot 1-9 on Plat 124, abutting the land of Thomas S. Doherty, shown as Lot 1-8 on Plat 124.

ARTICLE 37: NO ACTION

ARTICLE 38: NO ACTION

ARTICLE 39: NO ACTION

ARTICLE 40: NO ACTION

At 9:50 P.M. it was moved to adjourn and dissolve this Annual Town Meeting.

SO VOTED.

On June 24, 1991, at 7:15 P.M., Precinct #3 held a caucus at the Plymouth North High School. There were four members present, Michael Gallerani acted as clerk, and those members elected Sean P. Stanford to serve to the next election. Mr. Stanford is replacing Mr. Provenzano, who passed away.

Mr. Stanford is a resident at 7 Wagon Wheel Road.

On June 24, 1991, at 7:15 P.M., Precinct #9 held a caucus in the Plymouth North High School. There were five members present and voting. At that time Mr. Vincent Long of 14 Archer Street was elected to serve to the next election. This vacancy was created by the "Failure to Elect" at the last annual town election.

Precinct #12 was notified of the need for a caucus in order to fill a vacancy in their membership. On June 24, 1991, there being only two Town Meeting Members present from this precinct, and they having no candidate, they did not hold a caucus, and therefore Precinct #12 is still short one member.

On September 11, 1991, a caucus for Precinct #2 was held at the Plymouth North High School at 7:00 P.M. There were 7 members present, and Mr. Richard Serkey acted as clerk. There were three candidates for the vacancy - Gaetano Brigida of 248 Water Street, Frederick A. Wasti of 6 West Street, and John "Rusty" Eufrazio of 22 Alden Terrace. Mr. Frederick A. Wasti was elected with 4 votes. (Mr. Brigida received no votes, and Mr. Eufrazio received 3 votes.)

Mr. Wasti will serve to the next election.

Precinct #12 held a caucus on Wednesday, September 11, 1991, at 7:00 P.M. in the Plymouth North High School. There were three voting Town Members present. George Parker nominated Alice Parker of 16 Ashberry Street; seconded by Mr. James Pomarole. Mrs. Parker was unanimously elected with three votes. Mr. Gordon Dunn acted as clerk.

SPECIAL TOWN MEETING WARRANT

JUNE 24, 1991

To any of the Constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Monday, the Twenty-fourth day of June, 1991, at 7:30 P.M. to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-law, including Collective Bargaining Agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer a sum of money to fund certain collective bargaining agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to transfer a sum of money to be added to funds already appropriated under Article 7 of the 1990 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to appropriate the sum of \$998,868 from available funds under Chapter 33 of the Acts of 1991, as the State's share of the cost of work under Chapter 90, Section 34 (2A) of the Massachusetts General Laws, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 5: To see if the Town will vote to accept the provisions of Chapter 291 of the Acts of 1990 relative to Enhanced 9-1-1 service, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to dedicate the North Plymouth Fire Station to the memory of John Vincent and thereby name the station after him, any funds necessary for this memorial to be raised by private donations, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to accept a gift of land from Digital Equipment

Corporation for the purpose of a public safety building, said land located on a portion of Lot 14, Plat 77, as shown on a plan entitled "Sketch Proposed Land Conveyance - Clark Road - Municipal Lots, Plymouth, Massachusetts, prepared for the Police Station Study Committee, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer, 4/23/91; Scale 200 feet to one inch"; said plan on file in the Town Clerk's Office, or take any other action relative thereto.
POLICE STATION STUDY COMMITTEE

ARTICLE 8: To see if the Town will vote to transfer the sum of \$25,000.00 from Article 9, Item 50, of the 1989 Annual Town Meeting for engineering and consulting services in connection with a site selection process by the Permanent Elementary School Building Committee for a new elementary school and return the remaining \$50,000.00 to the Real Estate Fund and \$45,000.00 to the General Fund; said funds to be expended under the supervision of the Permanent Elementary School Building Committee, or take any other action relative thereto.
PERMANENT ELEMENTARY SCHOOL BUILDING COMMITTEE

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Fourth Day of June, 1991

CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING

JUNE 24, 1991

The Special Town Meeting convened at 7:40 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 89, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator, Clarence Krueger, outlined procedures for new members.

All newly elected Town Meeting Members were sworn to their positions by the Town Clerk, Mr. Edward B. Maccaferri, Jr.

ARTICLE 1: VOTED: (UNANIMOUSLY) That the Town amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreement approved by the Board of Selectmen and representatives of Local 1768, the International Association of Firefighters, and further, that the Personnel By-law be amended by incorporating said agreement, including all changes, including salaries in said agreement retroactive to July 1, 1990, and to run through June 30, 1991.

ARTICLE 2: VOTED: (UNANIMOUSLY) That the Town fund the collective bargaining agreement between the Board of Selectmen and the International Association of Firefighters Local 1768 as follows:

FISCAL 1991

Transfer to:

Fire Dept.	Salaries and Wages	\$189,529.00
Forest Fire	Salaries and Wages	1,373.00
		\$190,902.00

Transfer from:

Selectmen	Salaries and Wages	\$190,902.00
-----------	--------------------	--------------

FISCAL 1992

Transfer/Appropriate to:

Fire Dept.	Salaries and Wages	\$189,819.00
Forest Fire	Salaries and Wages	1,373.00
		\$191,192.00
Raise and appropriate		\$1,192.00
Transfer from Selectmen	Salaries and Wages	\$190,000.00

ARTICLE 3: Mr. Provenzano moved that the Town vote to transfer the sum of \$4,434.00 to be added to funds already appropriated under Article 7 of the 1990 Annual Town Meeting for the purpose of supplementing departmental expenses as follows:

Dept./Request	Account	Amount	Total
LIBRARY			
Transfer to:	Salaries and Wages	\$2,080.00	\$2,080.00
From:	Memberships	365.00	
	Audio Visual	1,100.00	
	Postage	10.00	
	Graphics	230.00	
	Microforms	240.00	
	In-State Travel	55.00	
	Tech Supplies	80.00	
			2,080.00
DPW ADMIN.			
Transfer to:	Radio Maint. Contract	850.00	850.00
From:	Uniforms	850.00	850.00
DPW WATER DIV.			
Transfer to:	Water Testing	1,200.00	1,200.00
From:	Water/Chemicals	1,200.00	1,200.00
RECREATION			
Transfer to:	Telephone	304.00	304.00
From:	Rescue Equipment	200.00	
	Lifeguard Suits	58.00	
	Print Parking Tickets	46.00	
			304.00
TOTAL BUDGET TRANSFERS, ARTICLE 3		\$4,434.00	\$4,434.00

The motion as presented, was VOTED and PASSED.

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$998,868.00 from available funds under Chapter 33 of the Acts of 1991, as the State's share of the cost of work under Chapter 90, Section 34 (2A) of the Massachusetts General Laws; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 5: Mr. Provenzano moved that the Town vote to accept the provisions of Chapter 291 of the Acts of 1990 relative to Enhanced 9-1-1 service. This motion was presented and PASSED.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town vote to dedicate the North Plymouth Fire Station to the memory of John Vincent and thereby name the station after him, any funds necessary for this memorial to be raised by private donations.

ARTICLE 7: VOTED: (UNANIMOUSLY) That the Town vote to accept a gift of land from Digital Equipment Corporation for the purpose of locating public safety buildings, said land located on a portion of Lot 14, Plat 77, as shown on a plan entitled "Sketch Proposed Land Conveyance - Clark Road - Municipal Lots, Plymouth, Massachusetts, Prepared for the Police Station Study Committee, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer, 4/23/91; Scale 200 feet to one inch", said plan to be held by the Board of Selectmen, and legal fees associated with conveyance of the gift to be borne by the Town of Plymouth.

And further, subject to reversion of this parcel in the event no public safety building commences on this parcel within ten (10) years of its conveyance by Digital Equipment Corporation to the Town of Plymouth.

ARTICLE 8: Mr. Provenzano moved that the Town vote to transfer the sum of \$25,000.00 from Article 9, Item 50 of the 1989 Annual Town Meeting for engineering and consulting services in connection with a site selection process by the Permanent Elementary School Building Committee for a new elementary school. Said funds to be expended under the supervision of the Permanent Elementary School Building Committee.

And further, that the Town vote to transfer the remaining \$95,000.00 from the Fund Balance Reserved for Special Purposes as follows: \$50,000.00 to the Real Estate Fund, and \$45,000.00 to the Undesignated Fund Balance.

Mr. Daniel Sullivan moved to amend Mr. Provenzano's motion by eliminating the second paragraph from consideration.
This motion to amend did NOT PASS.

Mr. S. McSharry moved to divide the original motion and consider each paragraph separately.
This motion did NOT PASS.

Mr. Provenzano's motion, as originally presented, was voted and PASSED.
At 9:20 P.M. it was moved by Mr. S. Brewster to dissolve and adjourn this Special Town Meeting. SO VOTED.

SPECIAL TOWN MEETING WARRANT

SEPTEMBER 11, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Wednesday, the Eleventh day of September, 1991, at 7:30 P.M., to act on the following article, to wit:

ARTICLE 1: To see if the Town will vote to disapprove the July 16, 1991 vote of the Plymouth-Carver Regional School District Committee; said vote recorded and reads as follows:

VOTED: That for the purpose of completing the financing of costs of constructing, equipping, and furnishing the new comprehensive school located in Plymouth, including costs incidental and related thereto, thereby and hereby is authorized under and pursuant to Chapter 71, Section 16 (d) of the General Laws and the District Agreement, as amended, the incurring of debt on the full faith and credit of the District by the issuance and sale at one time or from time to time of bonds or notes in the aggregate principal amount of \$500,000.00 in addition to all other debt previously incurred for the project.

BY PETITION: Henry L. Cappella, et al.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Twentieth day of August 1991.

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Wednesday, the Eleventh day of September, 1991, at 7:30 P.M. at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/JEFFREY B. PECK
CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING (I)

SEPTEMBER 11, 1991

The Special Town Meeting convened at 7:40 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 95, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator, Clarence Krueger, outlined procedures for new Town Meeting Members.

Newly-elected Town Meeting Members were sworn to their duties by the Town Clerk, Edward B. Maccaferri, Jr.

The Moderator led the body in the Pledge of Allegiance to the flag.

Mr. Krueger recognized service to the Town by Mr. Henry Cappella, and Mr. Vincent Sgarzi, both of whom are recently deceased.

At 7:55 P.M., it was voted to adjourn to the second Special Town Meeting warrant for the evening. (This warrant includes the School bond-related article only.)

SPECIAL TOWN MEETING (II)

SEPTEMBER 11, 1991

The second Special Town Meeting convened at 7:55 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 95, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 1: Mr. Provenzano moved that the Town vote to disapprove the July 16, 1991 vote of the Plymouth-Carver Regional School District Committee, said vote recorded and reads as follows:

VOTED: That for the purpose of completing the financing of costs of constructing, equipping, and furnishing the new comprehensive school located in Plymouth, including costs incidental and related thereto, thereby and hereby is authorized under and pursuant to Chapter 71, Section 16 (d) of the General Laws and the District Agreement, as amended, the incurring of debt on the full faith and credit of the District by the issuance and sale at one time or from time to time of bonds or notes in the aggregate principal amount of \$500,000.00 in addition to all other debt previously incurred for the project.

Mr. Triffletti moved that the method of voting for all substantive amendments to the main motion in connection with Article 1 be set as a roll call vote.
This motion did NOT PASS.

Mr. Eugene Lane Sr., Dr. Sidman, Dr. Ehrlich, Geo. Handy, James Sorensen, among others presented data relating to the above article.

Mr. William Hanson moved that the method of voting be by roll call for the main motion of the following article: Article 1.

This motion to vote by roll call on Article 1 was PASSED.

By roll call vote, 34 members voting in the AFFIRMATIVE, and 61 members voting in the NEGATIVE, the article as presented by Mr. Provenzano did NOT PASS.

At 11:00 P.M. it was voted to adjourn and DISSOLVE this Special Town Meeting.

At 11:05 P.M. the Special Town Meeting I was reconvened, and at this time it was moved and so voted to adjourn to September 12, 1991, at 7:30 P.M. in Plymouth North High School.

SPECIAL TOWN MEETING WARRANT (II)
SEPTEMBER 11, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Wednesday, the Eleventh day of September, 1991, at 7:30 P.M. to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of amending departmental expenses, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of upgrading the town's computer system, or take any other action relative thereto.
DATA PROCESSING DEPARTMENT

ARTICLE 3: To see what action the Town will take with regard to the payment of an unpaid bill as follows:

Department	Creditor	Amount
DPW Sewer	Richland Research Corp.	\$327.35

to transfer a sum of money therefore, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to authorize the Plymouth School Committee to expend Insurance Recovery funds received as a result of the West Elementary School fire, or take any other action relative thereto.
PLYMOUTH SCHOOL COMMITTEE

ARTICLE 5: To see if the Town will vote to authorize the Town Manager to enter into a contract for seven years with New England Telephone Company for a computerized telephone system, to borrow a sum of money to purchase said system, and further, to transfer sums from certain departmental budgets to centrally pay town telephone costs, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to authorize the Town Manager to enter into a contract for up to ten years for recycling/solid waste disposal services, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to rescind the following unused borrowing authority:

Amount	Purpose	Authorization
\$405,000	Cedarville Recreation Project	Article 17, 1986 A. T. M.

or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 8: To see if the Town will authorize the Board of Selectmen to petition the Massachusetts General Court, in the form of a special act, for the passage of legislation in substantially the following form:

“AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES.”

SECTION 1: The office of Chief of Police of the Town of Plymouth shall be exempt from the provisions of Chapter 31 of the Massachusetts General Laws and all rules adopted thereunder.

SECTION 2: This act shall be submitted for acceptance to the voters of the Town of Plymouth at the next annual or special town election in the form of the following question which shall be placed upon the official ballot to be used for the election of Town Officers: "Shall an act passed by the Massachusetts General Court in the year 1991 entitled "AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES" be accepted?" If a majority of the voters vote in the affirmative on this question, this act shall thereupon take full effect, but not otherwise.

or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to adopt a by-law prohibiting the feeding of ducks and other waterfowl anywhere within the Town Brook Corridor, that is, from Billington Sea to Brewster Gardens inclusive, including Jenny Pond, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 10: To see if the Town will vote to authorize the Board of Selectmen to purchase, for the purpose of locating a water storage tank, approximately 15,225 square feet of land and a 5 foot easement within Lots 11-13, 11-14, and 11-15B of Plat 61 on the Town of Plymouth Assessor's map; said property located off Pine Mountain Drive in the Cedarville/Ellisville area; to transfer a sum of money from the Real Estate Fund to purchase said land, and further, to transfer a sum of money from Article 9-39 of the 1991 Annual Town Meeting for the purpose of paying incidental costs associated with installing water mains under Route 3A in connection with this project, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 11: To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain an easement for drainage purposes on land located on Driftwood Lane, as shown on a plan entitled "Proposed Layout of Driftwood Lane, Plymouth, Massachusetts, scale 40 feet to an inch, February 18, 1991, Plymouth Department of Public Works - Engineering Division, Frederick J. Smith, Town Engineer", or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to accept the provisions of MGL Chapter 32, Section 90 G (3/4) relative to creditable service after age 70, or take any other action relative thereto.

CONTRIBUTORY RETIREMENT BOARD

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town

Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Twentieth day of August, 1991.

CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING (II)
SEPTEMBER 12, 1991
ADJOURNED SESSION

The adjourned session of the Special Town Meeting convened at 7:35 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 85, as reported by the checkers.

The Moderator, Clarence Krueger, declared a quorum present.

ARTICLE 1: Mr. Provenzano moved that the Town vote to transfer the following sums of money to be added to funds already appropriated under Article 7 of the 1991

Annual Town Meeting for the purpose of amending departmental expenses:

To	Amount	From	Amount
Selectmen, Unemployment	\$30,000	Property Insur.	\$30,000
Selectmen, Lease	2,500	Parking Receipts	2,500
DPW Administration Licenses	2,500	DPW Administration Landfill Cover	2,500

This motion was voted and PASSED.

ARTICLE 2: VOTED: That the Town transfer the sum of \$11,760.00 from Data Processing, Hardware Maintenance, for the purpose of purchasing a disk drive for the sum of \$8,350.00, and a controller for the sum of \$3,410.00; said funds to be expended under the supervision of the Data Processing Manager.

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town pay the following unpaid bill:

Department	Creditor	Amount
DPW Sewer Division	Richland Research Corp.	\$327.35

the sum of \$327.35 to be transferred from the DPW Sewer Division Budget, Line Item 2700-440-02-5530-255 (Chemicals).

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town vote to transfer the sum of \$50,000.00 from Receipts Reserved for Insurance Recovery for the purpose of replacing and/or repairing equipment damaged during a fire at the West Elementary School; said funds to be expended under the supervision of the Plymouth School Committee.

ARTICLE 5: Mr. Provenzano moved that the Town vote to authorize the Town Manager to enter into a contract for seven years with the New England Telephone Company for a computerized telephone system; that \$112,000.00 is appropriated for the purchase of such a system; that to meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow \$112,000.00 under G.L.c.44 S7 (9); and that the following transfers shall be made from the following line items of the current fiscal year's budget:

Transfer To:		Amount
Department	Account Name	Amount
Switchboard/Mailroom	Telephones	\$18,258.00
Transfer From:		
Data Processing	Telephone Lines	1,290.00
P.D.I.C.	Telephone	550.00

Police	Station Telephone	5,400.00
	Dog Pound Telephone	263.00
Fire	Telephone	2,050.00
Civil Defense	Telephone	550.00
Harbormaster	Telephone	600.00
DPW Highway Div.	Storm Emergency Phones	675.00
DPW Maintenance	Telephones	300.00
Council on Aging	Telephones	2,500.00
Handicapped Commission	Telephones	750.00
Library	Main Library Phones	2,230.00
	Manomet Telephone	1,100.00
TOTAL:		\$18,258.00

By standing count, 79 voting in the AFFIRMATIVE, and 1 voting in the NEGATIVE, the motion was PASSED.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town vote to authorize the Town Manager to enter into a contract for recycling/solid waste disposal services for up to ten years, subject to ratification by a subsequent Town Meeting.

ARTICLE 7: VOTED: (UNANIMOUSLY) That the Town rescind the following unused borrowing authority:

Amount	Purpose	Authorization
\$405,000.00	Cedarville Recreation Project	Art. 17, 1986 ATM

ARTICLE 8: Mr. Butterfield moved that the Town vote to authorize the Board of Selectmen to petition the Massachusetts General Court, in the form of a special act, for the passage of legislation in substantially the following form:

"AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES"

SECTION 1: The Office of Chief of Police of the Town of Plymouth shall be exempt from the provisions of Chapter 31 of the Massachusetts General Laws and all rules adopted thereunder.

SECTION 2: This act shall be submitted for acceptance to the voters of the Town of Plymouth at the next annual or special town election in the form of the following question which shall be placed upon the official ballot to be used for the election of Town Officers: "Shall an act passed by the Massachusetts General Court in the year 1991 entitled "AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE

EXEMPT FROM CIVIL SERVICE LAW AND RULES” be accepted?” If a majority of the voters vote in the affirmative on this question, this act shall thereupon take full effect, but not otherwise.

After lengthy discussion, Mr. Charles Vandini moved to limit debate.

By vote of 50 AFFIRMATIVE, and 20 NEGATIVE, this motion to limit debate was PASSED.

Thereupon, Mr. S. Triffletti moved that the vote on Article 8 be taken by roll call.

This motion PASSED.

By vote of 44 AFFIRMATIVE, and 38 NEGATIVE, it was VOTED that the question be placed on the next Annual Town Election ballot.

ARTICLE 9: Mr. Provenzano moved that the Town vote to adopt the by-law entitled “Feeding or Baiting of Migratory Waterfowl”, as printed in the Advisory and Finance Committee Report and Recommendations, under Article 5 of the Town By-laws, Section 5.23; Said by-law to prohibit the feeding of ducks and other waterfowl anywhere within the Town Brook Corridor, that is, from Billington Sea to Brewster Gardens, inclusive, including Jenny Pond.

Maureen MacKenzie moved to amend Mr. Provenzano’s motion by inserting an effective date of March 1, 1992, in said by-law.

The motion to amend was PASSED.

The original motion, as amended by M. MacKenzie was then moved and PASSED.

FEEDING OR BAITING OF MIGRATORY WATERFOWL BY-LAW

No person, except the Director of the Division of Fisheries and Wildlife or his agent or designee, as authorized pursuant to Chapter 131 of the General Laws, shall feed or bait any waterfowl of the family Anatidae (including, but not restricted to ducks, geese, and swans) on any public property within or abutting the Town Brook Corridor from Billington Sea to Brewster Gardens, inclusive. As used in this paragraph, “feeding” and “baiting” shall mean the placing, exposing, depositing, distributing, or scattering, directly or indirectly, of shelled, shucked or unshucked corn, wheat, or other grains, bread, salt, or any other feed or nutritive substances, in any manner or form, so as to constitute for such birds a lure, attraction, or enticement to, on, or over any such areas where such feed items have been placed, exposed, deposited, distributed, or scattered.

Notwithstanding any of the above, the Director of the Division of Fisheries and Wildlife or his agent or designee may authorize the emergency feeding of waterfowl and

other birds when, in his opinion, such action is necessary in order to alleviate undue losses and suffering of such birds due to unusual weather conditions and other circumstances. The Director may authorize such action by such means as he deems necessary and expedient but such means shall include the immediate notification of the Selectmen thereof by first class mail.

Any person who violates any provision of this by-law shall be subject to a fine of Twenty Dollars (20.00) for each offense thereof.

This by-law may be enforced by police officers, shellfish constables, the harbormaster and assistant harbormasters, agents of the Board of Health, other enforcement officers of the Division of Law Enforcement, and other town officials as designated by the Board of Selectmen.

Upon approval of this by-law, the Selectmen shall cause one copy thereof to be mailed to the Director of the Division of Fisheries and Wildlife and one copy to the Director of the Division of Law Enforcement.

As approved at the Special Town Meeting of September 12, 1991, this by-law is amended to insert an effective date of March 1, 1992.

ARTICLE 10: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to purchase, for the purpose of locating a water storage tank, 15,225 square feet of land and a 25 foot wide easement within Lot 11-15B of Plat 61 on the Town of Plymouth Assessor's Map; said property located off Pine Mountain Drive in the Cedarville/Ellisville area; to transfer the sum of \$49,000.00 from the Real Estate Fund to purchase said land, and further, to transfer the sum of \$50,000.00 from Article 9-39 of the 1991 Annual Town Meeting for the purpose of paying incidental costs associated with installing water mains under Route 3A in connection with this project; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain an easement for drainage purposes on land located on Driftwood Lane, as shown on a plan entitled "Proposed Layout of Driftwood Lane, Plymouth, Massachusetts, scale 40 feet to an inch, February 18, 1991, Plymouth Department of Public Works - Engineering Division, Frederick J. Smith, Town Engineer".

ARTICLE 12: VOTED That the Town accept the provisions of MGL Chapter 32, Section 90G (3/4) relative to creditable service after age 70.

At 11:10 P.M. it was moved and so voted to adjourn and dissolve this Special Town Meeting.

SPECIAL ELECTION

OCTOBER 26, 1991

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to vote in elections, to meet in:

Precinct 1	Hedge School
Precinct 2	Cold Spring School
Precinct 3	Town Hall
Precinct 4	Plymouth North High School
Precinct 5	Plymouth-Community Intermediate School
Precinct 6	Manomet Elementary School
Precinct 7	Indian Brook School
Precinct 8	Old Cedarville School House
Precinct 9	South Elementary School
Precinct 10	Federal Furnace School
Precinct 11	Plymouth Airport
Precinct 12	West Elementary School
Precinct 13	West Elementary School

in said Plymouth on Saturday, the Twenty-sixth day of October, 1991, between the hours of Eight o'clock in the forenoon and Eight o'clock in the afternoon; the following question shall appear on the ballot for the voters of the Town of Plymouth to cast a decision upon:

QUESTION

Shall the Town vote to approve the action of the Representative Town Meeting whereby it was voted that the Town adopt the by-law entitled "Feeding or Baiting of Migratory Waterfowl", as printed in the Advisory and Finance Committee Report and Recommendations, under Article 5 of the Town by-laws, Section 5.23; said by-law to prohibit the feeding of ducks and other waterfowl anywhere within the Town Brook Corridor, including Jenny Pond; said by-law to become effective March 1, 1992.?

And you are hereby required to serve this warrant in the manner prescribed by a vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereof at the time and place above mentioned.

Given under our hands this, the Fifteenth day of October, 1991.

Approved as to legal form and content BOARD OF SELECTMEN
s/Barbara St. Andre
TOWN COUNSEL
s/Bruce M. Arons
BRUCE M. ARONS, Chairman

Board of Selectmen

1991 was a year of progressive change and transition for both the Board of Selectmen and the municipality as a whole.

Selectman George W. Cameron was reelected to a three year term.

With a major change voted in the town's administrative structure by the community, the Board of Selectmen appointed a search committee to interview and recommend finalists for the newly created Town Manager position. After a lengthy interview process, Mr. William Griffin was hired by the Board of Selectmen to serve as Plymouth's first Town Manager. The Board has since overseen consolidation of the municipality's financial departments and its planning and development departments by the Town Manager.

The Board's strong support for the construction and financing of our new public library building on South Street was rewarded with the official opening of its doors to the community this past October. It is truly a "crown jewel" that will shine for generations to follow in our community.

After several years of deliberation and negotiation, the Board of Selectmen was successful in signing a Final Agreement Order with the State Attorney General to bring the town sewer system into full compliance with state and federal regulation by the year 1998.

A major step forward in bringing the town's sewer system closer into compliance was reached with the completion of the Cordage and Harbor Interceptor Project. Preliminary findings show a considerable reduction in flow. A wastewater consultant will be selected in early 1992 to prepare the necessary wastewater facilities plan and environmental impact study.

The Board of Selectmen strongly supports a management program introduced to them by the Town Manager. It is referred to as "Total Quality Management," a team oriented system which seeks to continuously improve the municipality's performance and service to its "customers." This is an extremely progressive and challenging system of management - one that the Board believes will greatly enhance our municipality's performance and image.

Recognizing the number of dedicated professionals our municipality currently has in its employ under the new administrative structure, the Board of Selectmen is now able to begin focusing more exclusively on policy setting and strategic planning to be implemented by the Town Manager as he manages the day to day operation of the municipality.

In closing, let it be said — “1991 — the year accountability has been set in place.”

The Board of Selectmen also wishes to acknowledge all town employees who retired or otherwise left town employment. The Board also wishes to thank our employees for their dedication to duty and commitment to quality and to recognize the literally hundreds of volunteer members of boards, commissions and committees who serve this Town with distinction and are listed elsewhere in this town report. Through the collective effort of our employees and volunteers, the town will weather this economic recession.

Town Manager

It is with pleasure that I submit to the citizens of Plymouth the 1991 Annual Town Report of the Town Manager, the first report of the Town Manager in Plymouth's history. By action of the voters in May of 1991, the Town of Plymouth amended its home-rule charter to create the position of Town Manager and to consolidate all finance and planning/development functions. The amended charter became effective on July 1, 1991. By action of the Board of Selectmen, I was appointed Acting Town Manager effective July 1, 1991 and Town Manager in late September of 1991.

As Plymouth's first Town Manager, I looked to the balance of 1991 as a period of transition and program implementation. My first priority was the appointment of Plymouth's first Director of Finance and Director of Planning and Development. We were very fortunate to have within the organization two individuals fully qualified and prepared to assume these important positions, Michael Daley as Director of Finance and Jack Lenox as Director of Planning and Development. Other key appointments made in the first months of my tenure as Town Manager included Michael Flynn as Assessor and Thomas Fugazzi as Fire Chief. Once again, both individuals bring outstanding experience and dedication to their positions.

There were several other transitional issues that were addressed in the first months under the amended charter. The relationship between and responsibilities of the Board of Selectmen and the Town Manager were key subjects in need of clarification and agreement. To assist in achieving clarity, a series of workshop sessions were held to review the detailed provisions of the charter and to identify and resolve likely areas of confusion. A number of discussions with department heads took place to define lines of authority and reporting systems. A number of discussions with community groups took place, including a meeting with the Plymouth Association of Concerned Taxpayers. Finally, I initiated an every-other week show on Adelphia Cable called “The Plymouth Town Report.” Each show highlights an issue of topical concern to the community and an interview with a local government or

community leader. The cable show is intended to allow viewers an opportunity to keep abreast of issues of interest to the community and to hear from key town department managers, employees and community leaders on their area of expertise.

As Town Manager, I have placed great emphasis on our organization being the first "total quality management" system in Massachusetts local government. Total quality management, or TQM, is a private sector management system that places great emphasis on meeting and exceeding customers' needs through teamwork and dedication to continuous improvement. The implementation of a TQM system is a long and complex endeavor. However, an implementation plan has been approved by the Board of Selectmen and is currently being set in motion. To assist in that implementation, the Town has sought and received valuable assistance from Jordan Hospital and KAO Infosystems here in Plymouth. In addition, I serve on the executive board of the Massachusetts Task Force for Total Quality Management in Local Government. During 1992, we will continue to adhere to the implementation plan and increase our customer service training effort. The TQM system places Plymouth on the cutting edge of local government's efforts to better serve its residents through efficient, effective and prioritized services.

Finally, I would like to thank the many elected and appointed officials and involved citizens who have assisted me in my many years as Executive Secretary and my new life as Town Manager. In seeking and accepting the position of Town Manager, I did so recognizing the magnitude of the challenge before me. I accepted that challenge knowing the professionalism, dedication and honesty of the department managers and employees that I will depend on to carry out our mission. I also knew that the Board of Selectmen believed in the new system of government and would work diligently to insure its successful implementation. We are now about the business of fulfilling our promise of a better town government that meets and exceeds our citizens' demands. Thank you.

Department of Finance

On July 1, 1991 the Plymouth consolidated Department of Finance was established as a result of the charter change. Over the ensuing six months, the department has begun to organize itself and develop strategies for the future.

The first changes visible to the public were those made in issuing town billings. Real Estate, Personal Property and Motor Vehicle Excise bills as well as Water and Sewer bills were printed and mailed using new computer technologies introduced by the Data Processing Division. Using laser printers, we were able to eliminate the former carbon type bill forms resulting in a cleaner and much more legible billing document.

The use of laser printing also allowed us to introduce a scan line on the bill form. The scan line technology will allow the Collection Division to further automate both the banking and posting of over 150,000 bills that we expect the Town to issue and process during FY '93.

The FY '93 budget is the first budget prepared as a consolidated department. This budget has provisions within it that allow for the introduction of quarterly tax billing, for the first step towards merging Collections and Treasury into a single division, for the establishment of a citizen Board of Assessors and for increased use of automation.

The Assessing Division is in the early stages of a complete revaluation of the town's real estate and personal property as required by state law. The revaluation is required during FY '93 and will be the most significant project for the Department of Finance during the next year.

Accounting

We hereby submit this annual report for the fiscal year ending June 30, 1991.

In order to comply with MGL C41, s50, we have provided a June 30, 1991 Reconciliation of Treasurer's Cash.

In order to comply with MGL C41, s53, we have provided a June 30, 1991 Town of Plymouth Trust Fund Combined Balance Sheet and detail Balance Sheets for the Expendable and the Non-Expendable Trust Funds. We have also provided a Statement of Revenues, Expenditures & Changes in Trust Fund Balances.

In order comply with MGL C41, s58 and MGL C41, s61; we have provided the following financial statements:

June 30, 1991 Combined Balance Sheet (Audited)

June 30, 1991 Combined Statement of Revenues, Transfers and Expenditures with Changes in Fund Balance.

June 30, 1991 Summary Statement of Revenues, Transfers and Expenditures - Budget and Actual - General Fund.

June 30, 1991 Statement of Revenues, Expenditures and Transfers for All Budgetary Items.

FY '91 State & Local Revenue Summary - Budget and Actual

FY '91 Schedule of Federal Financial Assistance

June 30, 1991 Schedule of Real Estate, Personal Property and Excise Taxes.

June 30, 1991 Schedule of Outstanding Fixed and Funded Debt with FY '91 Activity.

June 30, 1991 Schedule of Authorized and Unissued Debt with FY ;91 Activity.

June 30, 1991 Summary of Available Borrowing Capacity.

References to notes contained on the enclosed schedules refer to notes made within the annual audit of the town. Copies of the audit for FY '91 are available from the Accounting Division Office.

Detailed information relating to any of the summary data provided herein is also available at the Accounting Division Office in Plymouth Town Hall.

Equals:

Available Borrowing Capacity, June 30, 1991:

Inside Debt Limit	\$173,284,733
Outside Debt Limit	\$353,764,466

Assessors

The Assessing Division continued with a very busy schedule during 1991 as a result of the revaluation of the Town of Plymouth for Fiscal 1990. The first half of the Fiscal 1991 real estate tax bills were mailed on November 19, 1990 and were due on December 19, 1990. The second half of the bills were printed and mailed on March 29, 1991 with payment due on May 1, 1991.

On August 19, 1991, William Bows retired from the position of part-time Assessor. Mary E. Ford, Chairman, also retired on November 6, 1991 after more than eighteen years of service to the Town of Plymouth. Kathleen M. LaVallee was appointed acting part-time Assessor to serve as a member of the Board of Assessors on September 18, 1991. Mrs. LaVallee also served as Chairman of the Board until November 12, 1991.

Michael P. Flynn was appointed Assessor on October 1, 1991 by the Town Manager. Mr. Flynn worked for the City of Boston for the past seven years and served as a Supervisor of Assistant Assessors. He brings with him a wealth of experience and expertise in the valuation of commercial and industrial properties. Mr. Flynn is welcomed by the Town of Plymouth and will serve as an important member of the management team.

During the second year of a depressed economy in the state and the drastic drop in the real estate market, this office concentrated on an extensive study of the 1990 sales to prepare the data for the next fiscal billing. In addition to issuing preliminary bills for the first half of Fiscal 1992, the Assessors Office has been preparing for the next certification by the Department of Revenue for Fiscal 1993.

The Board of Assessors is anticipating the quarterly tax payment system in accordance with Section 41, Chapter 653 of the Acts of 1989 for FY '93.

The Board of Assessors would like to commend the combined effort of the staff in this office for their hard work throughout the year, most especially Kathleen M. LaVallee.

Data Processing

This division continues to grow with the needs of the town departments' computer services.

This year we have purchased a Helical Scan Tape Backup System. This allows unattended backup of the system during off hours, and assures the town of complete backup on a continuous basis.

We have instituted a new type of bill for both our Real and Personal Property, and Water and Sewer Utilities. We process over 50,000 auto excise bills each year, 22,000 Water/Sewer bills, and 50,000 Real and Personal Property bills each year, not including demands or warrants for past-due payments. We feel this is a much needed improvement from our prior bills. They are easier to read, have no carbons and have an envelope for the customer's return to our Lock Box banking facilities. The bank scans each bill and records the data contained on the scan line on the bottom of each bill. This reduces errors and helps the Collector's office in posting them. We will be utilizing this same type of bill for Auto Excise beginning with the first commitment in February, for Fiscal 1992.

We have recently completed a system upgrade, which brings us up to the latest version available for our present system and very shortly will be in receipt of one new disk drive for storage and retrieval to replace four drives close to ten years old.

As we continue to serve town departments, we are continually looking for better ways to automate their needs.

Due to the charter change in our form of government, this department now comes under the Department of Finance, and is responsible to the Finance Director. This is working very well and will enable this division to work with all other departments within that group as a whole.

I would like to thank all departments for their patience and understanding during this past year.

Town Treasury

1991 was prominent with a cautious and changing financial environment in which the Treasury Department had to shift its priorities from previous years. The new order of business greatly changed the priority of earnings on investment to the safety of the town's cash. The Treasury took an aggressive approach to providing security for cash. Diversity of methods and banks for secure deposits overcame the previous focus on yield. In this new market high yields produced the greatest risk. It was demanded that banks provide alternatives to their standard money market funds. Banks which were adjusting to the economy and market changes were offering various means of protection. Of the institutions we were involved with, no two offered the same method. Those banks that did not respond adequately experienced a changed relationship with the town. Methods employed were to take advantage of the Federal Deposit Insurance, Deposit Insurance Fund of Massachusetts, Repurchase Agreements (Government Securities), and Collateralized Accounts. All of these reduce yields. In addition to the insured accounts, our trade associations provided some information on banks through various reports which rate banks on their financial performance. The top rated banks (a high degree of safety) also offered low yields but were available to maintain funds until insurance was provided by other sources. It can be expected that safety will continue to be the priority over liquidity and yield into 1992.

In addition to the safety concerns, those involved with the market for the issuance and investment in municipal bonds were watching the state election process and the Commonwealth's credit rating. The town found itself in a position for borrowing in anticipation of revenue in the Spring . Institutions were not as willing to bid on the notes of municipalities as they would under more stable economic conditions. Although the number of participating banks involved in our bids was reduced, our presence in the market was adequate due to our Moody's Bond rating of AA and the Treasurer's policy of utilizing a large number of banks for depository purposes.

Personnel Department

During 1991, the Personnel Department continued to improve, develop and provide more cost efficient and effective human resource services to 490 Town employees and 290 retirees and their spouses. We continued to reduce costs while maintaining services in the areas of benefits administration, workers' compensation, employee relations, employment, and labor relations by researching and implementing new concepts and strategies. A great deal of time and effort continues to be devoted to managing and cost-containing health insurance and workers' compensation.

HEALTH INSURANCE

The Town's health insurance budget for FY '92 and FY '93 increased by 7.63% which represents a 3.4% increase for each year. The following efforts were made during the year to contain/reduce health care costs.

Trust Fund

A Health Insurance Trust Fund was established last year commensurate with MGL Chapter 32B. Trust funds are required when a governmental entity is self-insured. The Town is required to have approximately two (2) months worth of claims on hand which equates to approximately \$800,000 (for Town and Schools). Last year we did not expend our total health insurance appropriation. The remaining dollars from both the schools and the town were put into the newly established trust fund. Establishing this separate account has given us the ability to earn interest on all monies in the account which includes employee withholdings, COBRA contributions, grant contributions and various other contributions. The trust fund will absorb approximately \$226,000 (6.4%) of the estimated overall 14% increase in the coming year's budget.

Preventative Health Care Programs

We have continued our efforts in the area of providing preventative health care clinics. We conducted blood pressure, blood sugar and cholesterol screening through CURA for our employees. We also sponsored a smoking cessation program through the American Cancer Society and a stress management seminar offered through the Jordan Hospital.

At last year's Annual Town Meeting an appropriation was established to inoculate all public safety employees against Hepatitis B. The Personnel Department coordinated the program with the assistance of CURA Visiting Nurse. By self-administering this program, the town saved approximately \$20,000 and reduced the exposure risk to our public safety employees.

Employee Benefits Advisory Committee

The Employee Benefits Advisory Committee continues to meet concerning health benefits. The committee is made up of representatives from town and school union and non-union groups. One of the primary purposes of the committee is to educate employees about health insurance. The committee recently completed a health insurance survey for all retirees and school/town employees. Through the survey, we were able to assemble a significant amount of valuable data regarding retiree/employee concerns about changing health carriers and utilizing HMO's. The survey results clearly indicate that retirees and employees are not interested in an HMO unless the town were to

pay 99% of the costs.

Injured-on-Duty (111F) Claims & Disabled Retiree (100B) Claims

Massachusetts General Laws require the town to pay directly for all 111F (police and fire injured-on-duty) and 100B (police and fire injured-on-duty retiree) claims. The Personnel Department continues to closely monitor the injured-on-duty claims with the Police Chief and Fire Chief. Partnerships with many medical providers continue to expand. All medical claims for injured on duty and retired disabled police and firefighters are sent to AccuMed for review and discounting appropriate with workers' compensation rates. Last year, the average reduction was 38.4%. For every dollar paid to AccuMed the Town saved \$13.00.

WORKERS' COMPENSATION

During the past year, the town changed workers' compensation carriers. We are now working with the Massachusetts Interlocal Insurance Association (MIIA). MIIA is extremely progressive and provides a number of loss control services never before afforded to the town. Since joining MIIA the town has been able to take advantage of a number of successful programs to supplement our own internal efforts. The following programs and initiatives are currently underway:

Claims Review by Frank B. Hall Risk Management

Frank B. Hall Risk Management provides aggressive overall claims review and accident analysis. They monitor all claims, provide follow-up to employees concerning benefit entitlement, review all documentation, represent the Town at hearings and oversee compliance with the state workers' compensation requirements.

Early Intervention Program

The Early Intervention Program is made available through MIIA. The goal of this program is to reduce workers' compensation costs through a reduction in lost workdays. This program provides early intervention by a registered nurse who then facilitates communications with the doctor, employee, and the town.

Loss Control Assessment

A specialist in the field of loss control has done worksite safety assessments of all town departments and public works facilities and has made a list of safety recommendations. Most of the recommendations have been addressed through internal resources, others will involve minimal costs and a few will be addressed through the Capital Improvement Process.

Safety Training Program

MIIA's Loss Control Manager is providing safety training on such issues as snow-plowing and sanding, minimizing back strains, tree trimming, chlorine safety, treatment plant safety, and chain saw safety.

Safety Poster Program

On a quarterly basis, we have distributed safety posters throughout Town departments to remind employees about on-the-job safety. These posters are provided by MIIA.

DPW Safety Committee

The DPW Safety Committee meets on a monthly basis to identify and discuss safety issues and programs. The committee, made up of three DPW union employees and three DPW management employees, makes formal safety recommendations.

Safety Statement

A safety statement has been recently written and distributed to all employees which emphasizes our commitment to safety in the work place, encourages employee responsibility, and designates a Safety Coordinator.

Executive Safety Committee

A newly established Executive Safety Committee comprised of managers or assistant managers from major town departments such as DPW, Police, Fire and Schools will meet quarterly to formulate safety policies and recommendations, review all employee and fleet accident investigation reports and determine training needs for each department.

These new efforts will result in a better managed program which will help to reduce workers' compensation accidents and costs.

COMPENSATION

During the past year, the Personnel Department in conjunction with the Accounting Department established a payroll/human resource system. This system has organized, classified and computerized all payroll and human resource data. The system's capabilities cover a wide spectrum of applications that include providing basic employee information, timing of step increases, sick leave usage, computations for collective bargaining, affirmative action reports, and retirement projections. The system will continue to be expanded to maximize its optimum capabilities.

EMPLOYEE RELATIONS

The Performance Appraisal System originally designed for department heads was redesigned and implemented for assistant department heads. Department heads provided a written evaluation of their assistant's performance. For the second year in a row, the Town Manager conducted performance evaluations for all department heads. The overall purpose of the system is to promote communication between the Town Manager, department heads and assistant department heads, evaluate and document yearly performance and enhance employee development.

A supervisory training program was written for DPW superintendents for the purpose of assisting them with the appropriate documentation of employee problems and issues. The overall goal of the program is to train supervisors in the corrective action process.

EMPLOYMENT

During the year, 16 permanent new employees were hired to replace employees who either terminated or retired from their employment with the Town. A formal seasonal employment policy was written and adopted and 75 seasonal employees were employed to meet the seasonal demands of the various departments. Additionally, 17 employees were either promoted or transferred within the organization.

LABOR RELATIONS

One-year contract settlements were reached with the Police Brotherhood and the Firefighters. All eight collective bargaining agreements expired on June 30, 1991. Collective bargaining sessions have been ongoing for approximately one year. During the year, 24 grievances were heard by the Personnel Director at the step 2 level.

DEPARTMENT OF PLANNING & DEVELOPMENT

The adoption of the new town charter in 1991 brought the establishment of the Department of Planning and Development. This department is responsible for the planning, community development and economic development functions of the town. This includes the supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeals, design review, historic preservation, affordable housing, and economic development.

The implementation of the new charter began in July, and in these six months important transitional steps were taken. The Town Manager appointed John F. Lenox as the Town's first Director of Planning & Development. The staff divisions began meeting on a weekly basis with the goal of improving communication and coordination of activities. Steps were also taken toward a consolidated budget process. The organizational structure established this year holds great promise for improved support for boards and commissions as well as increased administrative efficiency under the new Town Manager form of government.

Planning Board

The continued economic downturn has provided a unique opportunity for the Planning Board to concentrate its efforts on planning issues. The reduction in applications for development has allowed the board and its staff to concentrate on the completion of deficient developments, the revitalization of the Downtown/Harbor area, and the updating of the town's Master Plan.

The board held 24 scheduled meetings in 1991. This year marks the twentieth anniversary of Michael F. Babini's election to the Planning Board. The Board is extremely grateful for the leadership, hard work, and expertise Mr. Babini has provided to the Town of Plymouth over the past twenty years. The Board's membership changed this year as Jeffrey M. Metcalfe was elected to replace Derryl A. Lawrence. The Board thanks Mr. Lawrence for his five years of dedicated service. His contributions will have a lasting and positive effect on the Town. We wish him well and welcome our newest member. The structure of the Planning Board is as follows:

Michael F. Babini	Chairman
Malcolm A. MacGregor	Vice-Chairman
Jeffrey M. Metcalfe	Clerk
Robert L. Hollis	Clerk Pro Tem
Donald A. Nicholson, III	Member

SUBDIVISION CONTROL:

In administering its duties under the Massachusetts Subdivision Control Laws, the Planning Board reviewed 51 Approval Not Required plans. No new residential subdivisions were submitted in 1991.

The board continues to have an important role in reviewing the work presently underway in previously approved subdivisions. In addition, the board continues to work closely with both developers and troubled banks to complete problem subdivisions. This involves careful monitoring and flexible administration of conservative performance guarantees. The board is again pleased to note that no public funds have been used to meet the needs of the residents within these developments.

ZONING BYLAW:

The Planning Board reviewed and made recommendations on 51 Zoning Board of Appeals cases. In addition, the board also reviewed industrial and commercial site plans. Some of the major projects included:

ASB II, INC. (MILL BUILDING)—Located on Water Street, this 1,560 square foot addition will serve as an open deck for the Issac's Restaurant and provide additional commercial space on the first floor.

STAR MARKET—Located on State Road in Cedarville, a two year extension of the original special permit was granted. A 60,134 square foot shopping center is proposed.

KAO INFOSYSTEMS—The Board reviewed and approved a site plan for KAO Infosystems, located on Grissom Road in the industrial park. The proposal included the construction of a 59,510 square foot addition.

In addition, the Board sponsored and received approval by Town Meeting of three Zoning Bylaw amendments. These involved the establishment of the Downtown/Harbor District, the Off Street Parking Fund, and the Buttermilk Bay District.

STREET NAME CHANGES:

The board continues to make progress in eliminating duplicate street names. In 1991 the board through a public hearing process eliminated seven duplicate names. The elimination of duplicate street names is an important component in the implementation of a 911 emergency telephone system.

MASTER PLAN UP-DATE AND IMPLEMENTATION

The board worked closely with the Historic District Commission, and the Downtown/Harbor Corporation on implementing several important elements of the Plymouth Center/Waterfront Plan. These elements include a major expansion of the Historic District, the approval of the referenced zoning amendments, and the establishment of a fee for the Off-street Parking Fund.

As a result of the Manomet Village Master Plan, the Manomet Village Steering Committee was established this year. This seven member board was created by Town Meeting. It is charged with implementing the recommendations of the master plan and with advocating for the needs of Manomet.

In the spring of this year the board established the Cedarville Task Force. The six member committee met on a weekly basis throughout the spring and summer with staff to develop a master plan for Cedarville. The board will present this document at the 1992 Annual Town Meeting and looks forward to the preparation of the North Plymouth Master Plan in the coming year.

Office of Community Development

The Office of Community Development expanded its programs and services to the town during 1991. Drawing from Massachusetts Small Cities Program grant resources, our Housing Services Program helped 25 low-income residents repair and improve their homes replaced 9 failed septic systems and removed lead paint from six dwelling units. Additionally, a new element of the Housing Services Program called "Project Homeownership" financed loans for five first-time homebuyers, all from Plymouth.

The office's involvement in downtown/waterfront revitalization efforts also increased last year. Working with the town's non-profit central business district organization and the Plymouth Downtown/Harbor Corp., with funding from Massachusetts Main Street and Small Cities Program grants, consulting teams were retained to produce architectural design guidelines for commercial buildings, an urban design plan for the district, and an economic development strategy to create and retain viable businesses downtown. These endeavors culminated in commercial facade "demonstration projects," including the new improvements at Pebbles on the waterfront, and Luigi's on Court St.

The success of these activities led to Plymouth becoming the first town in Massachusetts to receive two Small Cities grants. In December, Plymouth was awarded over \$1 million for its 1992 community development programs. One of the grants continues our Housing Services Program and includes substantially higher funding for downtown improvements. The other is a six-town grant in which Plymouth is the administering community. That grant is devoted entirely to public/social services, with 51% of the funds earmarked for Plymouth residents. Community development also prepared grant applications to the National Endowment for the Arts Design Arts Program for a new directional/interpretive signage system and the Massachusetts Historical Commission for historic district surveys and an economic development feasibility study.

In addition to its grant-related duties, community development provided other services to Plymouth last year. Working with the Department of Public Works and Plymouth South High School, this office coordinated construction of the new visitor information center on the waterfront. We also provide ongoing staff support and technical assistance to the Visitor Services Board, Plymouth Housing Partnership, and Community Development Advisory Council.

Community Development Advisory Council

The Community Development Advisory Council (CDAC) provides consultation and planning assistance to the Community Development Office. We are also responsible for identifying local needs that could be met, in whole or in part, by various grant sources.

CDAC worked on two major needs assessments during 1991. These efforts clearly became worthwhile when in December, the town was awarded two grants totaling over \$1 million from the Massachusetts Small Cities Program. The grants, which largely reflect the conclusions of our needs studies, will fund housing, downtown revitalization and human programs during the coming year.

This committee's responsibilities for social service funding were met through a related task, that being general oversight of town meeting's human service appropriation of \$25,000. In the past, town meeting funded select agency requests in response to petitioned articles placed on the warrant. By 1990, it became clear, in order that to comply with the Uniform Procurement Act, the town could no longer fund these programs through petitioned articles. Thus, the 1991 town meeting appropriated money under a single article. It became CDAC's function to decide how best to spend the funds, and conduct whatever competitive procurement steps were required to execute legal contracts with human service agencies.

The town's \$25,000 was matched by \$11,200 from a previous MSCP grant for 5 programs. A Pilot, first-of-its-kind Emergency Housing Fund established to help tenant households from becoming homeless, was administered by the Plymouth Housing Authority (\$5,000). The town contracted with South Shore Womens Center to continue aiding local victims of domestic violence (\$8,250) and, with Mayflower Counseling Center, to help the town's neediest residents obtain psychological services (\$8,250). We also funded the library's Adult Literacy Program until another grant came through in November (\$7,000) and paid scholarships for needy Plymouth children to attend summer camp (\$8,750).

CDAC looks forward to another year of steering the town's search for and use of grant funds. This committee routinely meets on the first and third Tuesdays of the month.

Conservation Commission

The Conservation Commission is charged with several duties. The two main duties are the acquisition of land for the purpose of management and the promotion of unspoiled natural resource areas and the protection of natural resources. These benefit the town by providing flood control, protection from storm damage, clean water supplies, wildlife diversity, and recreational values. Any time which remains is spent pursuing long range planning, problem solving, and community education.

One way that the Conservation Commission protects the town's natural resources is through the State Wetlands Protection Act and the town Wetlands Protection Bylaw. The commission, and its staff have been very busy this past year in spite of a slow economy. The commission met almost every Monday night at the Town Hall in order to act on over one hundred applications for projects ranging from sheds, to stairs, to single family houses. In addition to the standard types of permits, the commission and staff also processed over two hundred and forty emergency permits for work related to the Halloween Storm, which destroyed or caused property damage along all of Plymouth's approximately eighteen mile coastline. Although the commission relaxed some of its standards during the end of this year

because of the storm, compliance with the environmental protection laws will be strictly enforced. If any construction, earthmoving or even tree or shrub cutting projects are planned, please check with the Conservation Commission office beforehand. A permit may be required.

Another way the commission protects the town's natural resources is through acquisition and management of existing land. The commission has accepted one inland parcel and three coastal tracts of land this year. The inland parcel, donated by Jay Dee Trust, is 2.01 acres and abuts Dugway Pond. The three Saquish Beach donations, a 10,000 square foot area donated by James R. Sollis, and two areas totaling 40,000 square feet, donated by William J. Chase add to the existing open space inventory. The commission seeks to protect land which may be thought of as being borrowed from our children so that it can be and used appreciated for generations to come. The commission also improved some existing conservation land this year, with the help of several groups. Greg Anglely of Boy Scout Troop 47 achieved the status of Eagle Scout by teaming up with the Parks Division and other Boy Scouts from his troop, to install eight hundred feet of chain link fence along the Taylor Avenue/White Horse Beach conservation dunes.

In terms of planning for the protection of the town's resources, the commission's co-nomination (along with the Town of Bourne) of the Herring River Watershed as an Area of Critical Environmental Concern, was officially completed on October 28, 1991 by the Massachusetts Secretary of Environmental Affairs. This designation means that Little Herring Pond, Great Herring Pond, the Herring River, and other adjacent resource areas will benefit from enhanced environmental standards. Richard Daniels, assistant to the commission, was instrumental in collecting and preparing all the data necessary to support the nomination and designation. The commission has also been keenly aware of the problems associated with the Billington Sea and is in the process, with assistance from the Ad Hoc Billington Sea Management Committee, of exploring ways to solve the pollution problems with proper management solutions. Copies of the Billington Sea Diagnostic and Feasibility Report are available for review at the Conservation Office and the new main library.

The commission also strives to increase everyone's knowledge about the environmental laws, pollution and resource/wetlands protection. A presentation on beach cleanups and a field trip to Nelson Beach, were made for Cathy Marx's P.C.I.S. eighth grade science class. This field trip was a continuation of a program established between the P.C.I.S. Science Department and the commission in order to involve the children of Plymouth in an ongoing environmental awareness process. Also, the commission sponsored the fourth annual Massachusetts Coastal Zone Management Beach Cleanups on both Nelson and White Horse Beaches. The Appalachian Mountain Club's Southeast Chapter and several students and citizens of Plymouth and other towns made these two events a success. In addition to the

P.C.I.S. System, the commission, for the first time, presented a lecture on Wetlands Protection to the Quincy College at Plymouth Environmental Science class. The commission would like to make themselves available (time permitting) for presentations on wetlands and resource area protection and the roles of the commission and other agencies.

Few changes occurred on the Conservation Commission this year. The Commission has retained last year's members and their respective position in office, but Herbert Ryder is no longer an assistant to the commission. Also, the commission has received assistance from unofficial assistants Dennis Griffin and Tom Delisle. The Commission welcomes anyone with the enthusiasm and desire to protect our resources to assist in any way they can.

In closing, the commission and their staff wish to thank their assistant members, all the boards, departments, commissions and committees from the Town of Plymouth and the various local, state, county and federal agencies and organizations for their assistance this past year.

Design Review Board

The Design Review Board examined 44 projects during 1991. The board met on Wednesday evenings on an average of once per month. In the year ahead, we will be holding our meetings in the new meeting room on the first floor, at the rear of the Town Hall, so that our meetings will be accessible to the handicapped.

The membership of the board changed this year when Jeffrey Metcalfe was elected to the Planning Board, Stephen Murphy was appointed to the Zoning Board of Appeals, and Robert Watson concluded 17 years of invaluable service. We appreciate their many contributions. New members appointed were Lester Lloyd, Joseph A. Marshall, and Jonathan Balas. Bruce Allen was elected Chairman and Richard Vaughn was elected Vice-Chairman.

Our duties have come to include advising the Plymouth Historic District Commission, as their jurisdiction in the center of town and ours under the Appearance Code has overlapped. How our two departments will be working together in reviewing proposals in this area will be more defined in the future. We are of the mind that the professional expertise required of our board members enables us to review projects in a different light than the Historic District Commission and, therefore, our review can be very beneficial.

Due to the sluggishness of the economy, our office has received half the number of last year's incoming proposals. Therefore, in order to be as cost effective as possible, our secretary has also assumed the duties as secretary of the Historic District Commission, which was previously without a secretary.

During 1991 we had many requests from petitioners wishing to extend, modify, or had recently purchased projects that were previously issued special permits, having come before the board at least once in the past. Much of our review has been lent to alterations to single family homes and nursing homes, as well as radio and cellular phone tower proposals, which also reflect our times.

We look forward to working in our new role under the Department of Planning and Development in 1992 and are eager to be challenged by a better economy.

Plymouth Housing Partnership

The Plymouth Housing Partnership's 1991 year was extremely successful. Despite the economic recession and its attending real estate market conditions, the partnership entertained town support for two affordable housing developments that will be seeking permits during 1992.

In the spring of 1991, The Marinilli Co. approached this committee for support and assistance in transforming an approved subdivision at Little Hios Hill into an affordable homeownership development. Working with the developer, the Partnership helped shape an 81-unit single-family project that will look like any other subdivision in Plymouth, including those in its surrounding neighborhoods. "Little Hios Hill Estates" will offer conventional homes on 25,000 sq. ft. lots to a mix of market and moderate-income first-time buyers. The development will include a fully equipped playground.

The second, Indian Brook Woods, will be located behind the Shallow Pond subdivision adjacent to Indian Brook Elementary School. Indian Brook Woods consists of 80 house lots, again sized at 25,000 sq. ft. This project is designed as a cluster rather than conventional subdivision. The developers, Robert White and Daniel Orwig, have agreed to provide the town with a feasibility study to link Rte. 3A with Beaver Dam Rd., a plan desired by town officials for some time.

Both developments are coming to Plymouth through the "Local Initiative Program." LIP is a new state program designed to help communities control the production of affordable housing while requiring developers to make projects feasible without reliance on public housing subsidies. The partnership will be involved in marketing these developments to ensure that eligible Plymouth residents have opportunities to purchase their first homes.

Manomet Village Steering Committee

The Manomet Village Steering Committee was established by the 1991 Annual Town Meeting. The primary function of this seven member permanent committee is to assist in the implementation of the Manomet Village Master Plan.

The committee began meeting in July of 1991, and holds a monthly meeting at the Manomet Branch Library. Meetings are generally scheduled at 7:30 PM on the third Wednesday of each month.

Issues addressed in the Committee's first year of work were:

Research and delineation of geographic comprehensive traffic study limits and related pedestrian circulation.

The need for a sidewalk on Point Road from the Manomet Elementary School to White Horse Beach. The committee has expressed support for an eminent domain taking for a new layout for the road if necessary to obtain the right to install and maintain this badly needed and already funded walk.

The committee has advised White Horse Beach residents in the mechanics of obtaining seasonal restrictions regarding parking on the beach. The committee is pleased to help concerned residents with their problems but limits such assistance to providing residents the information necessary to help themselves.

Communication with the Massachusetts DPW has been established for identification of sidewalk and crosswalk improvements proposed by the state. Town and state sidewalk and crosswalk installation or maintenance locations are being plotted for coordination of prioritization. Additional crosswalk locations are being defined.

The committee has reviewed a proposed gift of land to the Town, "Mayflower Park", in the bluffs section of the village. The committee is unanimously in favor of accepting this gift for neighborhood recreational purposes. There was also a consensus that no housing would be appropriate at the site.

The planning and economic development staff of the Department of Planning and Development is working with the committee to develop a joint survey for village business and residential communities. The survey is intended to solicit additional specific information primarily from Manomet businesses regarding their perspective on prudent improvements to the village, its economic and social environment.

The committee looks forward to continuing these tasks in the year ahead.

Old Colony Planning Council

The Old Colony Planning Council serves as the Area Agency on Aging; the Metropolitan Planning Organization for Transportation Planning; the regional clearinghouse for the review of federal and state grant applications, and as an Economic Development District designated by the U.S. Secretary of Commerce to coordinate area economic development efforts. Basic to these responsibilities, the council is the authorized regional planning agency for a wide variety of areawide and inter-municipal issues and concerns such as land use policy, water supply, solid waste disposal, environmental protection, housing and natural resource conservation. The Council also assists its member local governments with grantsmanship services and local technical planning assistance and maintains socio-economic and other information on local and regional trends.

The Old Colony Planning Council District includes fifteen communities for general planning purposes consisting of the City of Brockton and the fourteen towns of: Abington, Avon, Bridgewater, East Bridgewater, Easton, Halifax, Hanson, Kingston, Pembroke, Plymouth, Plympton, Stoughton, West Bridgewater and Whitman. As the Area Agency on Aging, the Council serves a twenty-three community area, which, in addition to the regular planning district, includes the eight communities of Carver, Duxbury, Hanover, Lakeville, Marshfield, Middleborough, Rockland and Wareham.

Each municipality is represented on the council by one delegate and one alternate delegate. The council members establish policy, develop the work program, employ the professional staff and determine the activities of the council to be carried out by the staff. The Council meets on the last Wednesday of each month at 8 PM in the council offices located at 70 School Street, Brockton, MA.

In 1991, John F. Lenox of Plymouth was elected as President of OCPC; James A. Kassos of Brockton as Council Secretary; and, John G. Mather of Halifax as Council Treasurer.

The council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the joint Transportation Committee, with Leighton Peck representing Plymouth; the Overall Economic Development Committee, with Michael Gallerani representing Plymouth; and the Area Agency on Aging Advisory Committee, with Chris Schembri, Richard Hengst, and Louise Sullivan representing Plymouth. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the council.

Plymouth Development and Industrial Commission

The Plymouth Development and Industrial Commission (PDIC) the town's economic development agency is pleased to submit its Annual Report for 1991. During 1991, the PDIC welcomed the return of former commission member David C. Hager to the commission, filling a vacancy that resulted from a resignation that occurred late in 1990. Also, Paul J. Nugent, Sr. and James Ryan were reappointed to the commission by the Board of Selectmen to full five year terms. Mr. Nugent and Mr. Ryan were voted Chairman and Vice Chairman respectively for FY '92.

As a result of the town charter amendments the staff of the PDIC became part of the newly created Department of Planning and Development. With the change, the Executive Director moved from a position of working for the commission to one that works with the commission to develop economic development programs and initiatives and to address problems and situations impacting the town's overall economic development.

During 1991, a year that was part of an extended recessionary period, this office continued its work in a number of areas and in the development of a major new initiative designed to strengthen our local economy.

The professional staff consisting of the Executive Director and Administrative Secretary, handles inquiries about Plymouth as a business site as well as working with existing businesses that are considering expansion. In addition, the PDIC and professional staff work to retain businesses that may be contemplating an expansion or relocation outside of Plymouth.

During 1991, the Town received good economic news as it was labelled by WCVB-Channel Five-Boston as a community most likely to rebound quickly from the current recession. Kao Infosystems Company continued their commitment to our community with a major new expansion to their World Infosystems Headquarters located in Plymouth Industrial Park. The expansion will provide over 250,000 square feet of total space for the more than 400 employees of Kao. Kao's production capabilities at the Plymouth site now exceeds 10 million floppy disks per month.

Party Lite Gifts, a division of Colonial Candle moved into a new facility, the former Capri Cabinet Building, in Plymouth Industrial Park which will give this distributor of home giftware room to grow and prosper.

The Whale Discovery Center, the only all new tourist attraction to open in 1991 in the Commonwealth of Massachusetts, began operations on Plymouth's historic waterfront. The center is a hands-on science museum dedicated to the life and beauty of whales and their environment.

The Plymouth Rock Commercial Area Revitalization District (CARD) designation renewal was applied for and obtained during 1991. The district covers a geographic area bounded to the north by Nelson Street, to the south by Stephen's Field, and to the west by the properties located on the west side of Court, Main, Main St. Extension and Sandwich Streets.

Late in 1991, the decision was made by Governor William Weld and the Secretary of Transportation Richard Taylor to extend the MBTA Old Colony Rail Line to Plymouth's Cordage Park Marketplace. The extension will provide a transportation link to neighboring communities, which will expand our available work force, as well as to Boston proper, which will give commuters and visitors to Boston and Plymouth a means of access to and from the city.

During 1991, the Plymouth Visitor Partnership, a public-private cooperative program established by the PDIC in collaboration with the Plymouth Area Chamber of Commerce, moved forward with an economic development program which will serve to reposition Plymouth in the tourism marketplace. It is anticipated that the program will help to strengthen existing visitor industry business while acting as an attraction to potential new tourism related business. The basis of the program is an all new marketing strategy that includes the development of a new fulfillment brochure and display ad campaign. Funding for the program will utilize available public monies (Town Promotion Budget) which is matched by private sector dollars.

The PDIC continued to work with private developers and the Plymouth Industrial Development Corporation (PDIC) in an effort to expand the town's tax base and to create job opportunities through business attraction, retention and expansion.

Also in 1991, the PDIC in cooperation with the Plymouth Area Chamber of Commerce, conducted a survey of Town Meeting Representatives in order to determine a proper direction for the development and implementation of future economic development initiatives. The survey which was titled Plymouth 20-20 was completed in the spring.

The commission operates under Chapter 40 Subsection 8A of the General Laws of Massachusetts.

The Commission and the professional economic development staff are appreciative of the support it receives from town, state, and federal officials, residents, and business community members.

Plymouth Historical Commission

1991 was a banner year for preservation in Plymouth. Years of preparation resulted in growth in protection for Plymouth's historic structures.

Following the mandate provided by the report of the Plymouth Downtown/Waterfront Area Task Force, the Historic District Commission inserted an article for the Annual Town Meeting for the expansion of the Historic District to include the entire downtown area. To qualify through state statutes, the Commission hired a consultant to complete a survey of all structures in the proposed area not previously checked. The resulting body of information has already served both researchers and developers.

After approval by Town Meeting of the expansion and reorganization of town government, the commission improved its efficiency to deal with the increase in applications from affected landowners. The commission moved its offices into the Department of Planning & Development at Town Hall and gained the services of a part-time secretary. That investment by the town has allowed the Commission to respond without delay to the needs of applicants. Our excellent secretary, Marcia Britto, has made the transition quick and easy.

The commission has considered several times the number of applications of previous years because of the growth of the district. In September, it moved to biweekly meetings from the previous monthly sessions.

The Plymouth Historical Commission, responsible for general oversight of preservation in Plymouth, put all but the finishing touches on an application to the National Register of Historic Places for inclusion of several dozen properties along Town Brook. The Commission expects to complete several district nominations in the coming years

The commission expresses its thanks to two retiring commissioners, Richard Shiff and Reno Zammarchi following sixteen years each of devoted service.

Plymouth Redevelopment Authority

The Plymouth Redevelopment Authority (PRA) is again pleased to report another banner year in housing related activities. During the period between January and December 1991, the authority processed low interest loans valued at \$823,380. It is a pleasure to report that in these times of difficult economic conditions, the bulk of the construction contracts were awarded to Town of Plymouth contractors. The major source of funds received by the PRA for making the loans came through the

Massachusetts Housing Finance Agency, an agency that continues to be extremely innovative in designing housing related programs. The authority looks forward to their continued leadership and support for housing programs.

Counseling Program — Lead Paint Program

In November, the authority submitted an application to Massachusetts Housing Finance Agency for involvement in MHFA's Loan Counseling Program. Under this program, successful graduates of the counseling course could receive first time homebuyer money for as low as 6% interest. We expect approvals to begin counseling sessions sometime in February, 1992. MHFA is also proposing to fund a new lead paint removal program whereby home owners can apply for low interest loans to de-lead their homes. Low income property owners will be able to receive loans at a zero rate of interest.

Summer High Street Activities

The law suit initiated by the owners of Spring Hill Corporation in their attempt to convert the complex from rental to condominiums remains unresolved. However, recent meetings between the PRA and the principal owner of Spring Hill revealed an interest to work with the authority to resolve the suit. As a condition to resolve the suit, the authority is insisting on a program of modernization and the exploration of a cooperative form of ownership for some units. The owner has verbally agreed to these conditions which must now be drafted into a legal document for execution by the authority and Spring Hill.

Now that the Town meeting has voiced its opinion on the waterfowl issues at Jenney Pond, it is the hope of the Authority that the grounds can be restored and beautified to its original condition so that the area can be an asset to the Town. With regard to Jenney Pond/Town Brook Park area, the Authority in conjunction with other departments of the Department of Planning and Development is exploring the feasibility of developing an "Industrial Plymouth Plantation" whereby the industries (Mills), once located on the Brook be re-created as living museums. It is felt that, should the idea become a reality, it would be a tremendous asset in helping depict another part of Plymouth's history along with being a tremendous asset to Plymouth's down town revitalization. The mechanics of how the idea can become a reality are now being explored.

In May 1991, the town meeting voted to establish a new department of Planning and Development including the Plymouth Redevelopment authority staff. The PRA, although an autonomous commission operating under the regulations of Massachusetts General Law 121B (Housing Authority Law), is happy to be a participant. The PRA has always supported a meld between the various departments that share the same objectives, those being the betterment of the community through community and economic development. Whereby the various departments that seek these goals join together to share ideas, experience and input to help better achieve the

objective, it is the opinion of the authority that the newly formed department can only become successful when there is total cooperation, understanding and input by all of the departments participating.

The Annual PRA meeting and election of officers was held in December.

The results of the vote for officers were:

John Droege, Chairman
Robert Wollner, Vice-Chairman
Catherine Farren, Secretary
Chester Bagni, Treasurer
Edward Angley remains as Commonwealth appointee

Visitor Services Board

The Visitor Services Board has successfully begun the process of overhauling Plymouth's system of visitor promotions, making several significant changes in 1991. We have adhered to town meeting's 1990 intent in establishing this Board — that being the creation of a more organized, goal-oriented and "de-politicized" means of promoting Plymouth, attracting visitors, and serving them while they are here.

The board initiated a competitive procurement process to engage promotional services from a vendor. The general purpose of this contract is to develop a new advertising campaign for Plymouth, produce a new town brochure, and set up a system for enlisting private investment in promotions. This process resulted in the award of a contract to the Plymouth Area Chamber of Commerce, which collaborated with the Plymouth Development and Industrial Commission to form the "Plymouth Visitor Partnership." PACC brought a new advertising firm in to design concepts for newspaper and magazine ads, and the brochure. The investment of \$25,000 in town funding from the promotions budget promises a minimum private match of \$27,000.

The board also competitively procured visitor information services. This second, related contract makes Destination Plymouth responsible for handling visitor requests for information. Both this program and PACC's will be rebid in the spring of 1992 at which time the Board hopes to engage services under a two or three-year agreement.

In other activities, the board hired Mark Johnston Associates to conduct a study of overnight visitors to Plymouth using data from local motels. This study will help shape future marketing strategies, and can be updated by in-house staff. The Board also established official visitor information lines for the town, created a "mini-grants" program to help local organizations and businesses improve events and activities for visitors and residents, and established a subcommittee to produce and enter a float in the 1992 Washington, D.C. July 4 Parade.

Zoning Board of Appeals

The Plymouth Zoning Board of Appeals (ZBA) consists of seven members, 5 regular members and 2 alternates. The function of the board is to grant relief, when appropriate, from the Plymouth Zoning By-laws under the Statute of Massachusetts General Laws Chapter 40A of the Zoning Act. The Zoning Board of Appeals is a judicious board and renders their decisions accordingly.

Each application is reviewed by various commissions, boards and departments for recommendations and other miscellaneous information. This provides the members with an in depth look and a more precise review of the properties being petitioned. Any interested person has the right to voice their support, objection or opinion during the Public Hearing which is held at Town Hall. The board then discusses all of the information presented and deliberates amongst themselves to render a decision. Few decisions were appealed to Superior Court in 1991, which in some instances may take years to be acted upon. This process may restrain an approved project from exercising their granted relief.

The following are examples of some petitions presented in 1991:

Whale Discovery Center, located on the corner of Water and Howland Streets, at Harbor Place. A request for signage was approved. A request for a full scale vinyl whale was proposed and denied by the ZBA.

Isaac's Restaurant, located on Water Street was approved for a retail shop on the first level and an outside deck to the second floor that will serve as a waiting area for patrons.

Oakwood Living Center's of Mass. Inc., A/K/A Mayflower Nursing Rehabilitation and Child Care Center, Inc., located on South Street. Approved was a request for an increase of 5,100 square feet on the second floor for 12 pediatric beds and accessory rooms.

Plymouth Hotel Corp.-A/K/A Plymouth Sheraton Hotel, located on Water Street. Approved was a request to modify off-street parking as the hotel leases a parcel of land for 146 parking spaces owned by the Massachusetts Bay Transit Authority (MBTA).

Cellular One, located off Old Sandwich Road on the east side of Route 3. Approved was a request to erect a 190 foot utility/communication tower. This decision has been appealed to Superior Court.

Extensions granted were as follows:

Brian Whitfield-North Street-Special Permit

American Superstores, Inc.-State Road-Special Permit

P.A. Landers, Inc.-Off Nicks Rock Road-Special Permit

Roger Belanger-State Road-Special Permit & Variance

These extensions were requested due to economical and/or financial restraints. Therefore, the board has found good cause to extend these permits.

The board held 23 Public Hearings during 1991, excluding the month of February. The amount in filing fees collected totaled \$2,875.00. This amount has decreased considerably due to the drop in larger commercial projects being filed.

Two new board members were appointed to the ZBA in 1991, Attorney Stephen Murphy, regular member and Sandra Leet, Alternate. The organization of the board is as follows: Leonard J. Vaz, Chairman; A. Wendy Longo, Vice-Chairman; Marc. J. Garrett, Clerk. The board also wishes to extend their sincere appreciation to former members Evelyn Pedro and Dolores Churchey for their time and service that they so generously contributed.

We wish to thank all commissions, boards and departments for their continued efforts and assistance.

In conclusion, the board will strive to encourage growth and advancement of the Town as well as enhance the beauty of Plymouth.

PUBLIC SAFETY Fire Department

Herewith submitted is the annual statistical report of the Fire and Forest Fire Departments for the year ending December 31, 1991

Retired:

Firefighter Joel R. Tassanari - Entered the Fire Department on August 17, 1975 and retired on March 5, 1991.

Resigned:

Firefighter Steven P. Govoni - Entered the Fire Department on January 2, 1977 and resigned on April 9, 1991.

Promotions:

Deputy Chief Fugazzi to Chief of Department
Captain Joseph Folger to Deputy Chief
Lieutenant John Furtado to Captain
Firefighter Michael McNeil to Lieutenant

New Appointments:

Jeffrey Sundras - Firefighter - October 10, 1991
Ronald Eldridge - Firefighter - October 10, 1991

The Fire Department has once again experienced an increase in the number of emergency responses required in 1991. With a total of 2,760 incidents requiring 4,252 company responses, the Department has experienced an increase of seven percent over last years incidents.

1991 also presented us with two major storms which required the town to declare a state of emergency and also required this department to respond to over one hundred storm related incidents. In addition, it also proved that this department could join forces with all other town departments in providing assistance to persons in need and still maintain vital public safety services.

------------------------	-------------------------------------	--------------

TOTAL COMPANY RESPONSES	Fire & Forest Fire	4,252
--------------------------------	-------------------------------------	--------------

The threat of forest fire continues to be major concern within the town. Historically, Plymouth has a long history of major forest fires and, recently, with the residential growth causing expansion of residential development into our wooded areas, the potential of a forest fire destroying many homes and endangering lives is of considerable concern.

On April 11, 1991, a forest fire originating on Ship Pond Road burned 1280 acres and destroyed three structures. This fire was reported to the department by telephone and by radio from the Pine Hills Fire Tower at 1:08 P.M. Before it was extinguished, some twenty-four hours later, we summoned to assist us over 300 firefighters, 100 pieces of apparatus and assistance from other town, county and state agencies.

I wish to express my sincere appreciation to those that participated. Without the assistance and efforts of these dedicated people, this forest fire could have been disastrous. If we could learn one lesson from this event, it should be that the potential still remains for major forest fires in our town.

FIRE ALARM DIVISION
Peter Gage, Superintendent of Fire Alarm
Donald Thomas, Fire Alarm Technician

The growth in use of the municipal fire alarm system for automatic notification to the Fire Department of alarm conditions in industrial and commercial properties continues. These systems are installed at no cost to the taxpayer and utilize existing fire alarm circuits throughout the town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system. Most are trivial in nature due to this early detection and reporting. The potential for considerable reduction in fire loss is great and, therefore, Fire Department operating expenses are reduced. The chance of loss of tax base and employment within the community is also reduced.

Municipal Fire Alarm System Aactivity for 1991:

491	Box Alarms received from system
101	Malicious false alarms
12	Significant fires automatically reported

NEW FIRE ALARM BOXES 1991

322	DPW PUMP STATION HEDGE RD
631	Whale Discovery Center Howland St.
1378	Bartlett Nuclear Bldg 2 Industrial Park Rd.
1534	Plymouth Public Library South St.
4511	East Bay Lane And Harborlight Drive

Activity in the Fire Alarm Office for 1991:

2760	Fire Emergency Responses
2543	Ambulance Emergency Responses
5303	Total Combined Responses
194772	Telephone Messages Handled
164710	Radio Messages Handled
961	Burning Permits Issued

The largest fire automatically detected and transmitted by Fire Alarm Box 741 was at the West Elementary School.

At this time there are in excess of 50,000 devices connected to the Municipal Fire Alarm System that automatically detect fire and transmit alarms by Fire Alarm Box to Fire Headquarters.

The work on the reconstruction of Sandwich St., Main St. Ext., Main St., and Court St. is in progress. The Fire Alarm work of relocation of all involved Fire Alarm boxes has not been started to date. Replacement of all involved Fire Alarm cable with new cable over the entire length of the project remains to be done. When complete, this improvement will provide more reliable service with much needed room for future expansion. When Phase 1 and 2 are complete many of the Municipal communications circuits now leased on a monthly basis can be placed in this cable system. Monthly charges of hundreds of dollars can then be eliminated. As this work was necessitated by the road work, the cost will be covered by the State funding of the road work.

The computer system continues to be utilized in an ever increasing fashion as personnel become more adept in its operation.

Valuable assistance has, as usual, been rendered this division by other members of the Fire Department. Many projects would still remain incomplete without this aid.

Police Department

Listed below is the statistical information pertaining to major crimes and motor vehicle accidents for the calendar year 1991:

Homicide	4
Manslaughter	1
Rape	8
Armed Robbery	19
Breaking and Entering and Attempts	705
Larceny and Attempts	1,010
Motor Vehicle Thefts/Attempts	169
Motor Vehicle Accidents	1,249
Motor Vehicle Citations	3,824
Motor Vehicle Fatalities	6
Arrests	1,852

Fines turned over to the Town of Plymouth from sources indicated:

Court Fines and Fees	\$ 311,401.00
Reproduction of Reports	4,828.50
Pistol Permits/FID Cards	6,396.00
FID Dealers License	533.00
Photographs	720.00
Parking Tickets	<u>96,902.76</u>
Total	420,781.26

The following were appointed as indicated during the year of 1991:

Thornton Morse	Police Sergeant	10/22/91
Michael Peddell	Full Time Temporary Sergeant	10/22/91
Andrew McGonagle	Police Dispatcher	06/08/91
Daniel Mosher	Police Dispatcher	08/09/91
Marsha Holman	Senior Clerk-Police Dept.	06/17/91
Porter Loring	Custodian-Police Dept.	09/23/91
Kathleen DiSalvatore	School Crossing Guard	09/25/91

The following resigned or retired from this department as indicated:

Andrew McGonagle	Police Dispatcher	08/07/91
F. Joseph Wilson	Custodian-Police Dept.	08/23-91
Lucille Sosnowski	School Crossing Guard	08/21/91

After serving 26 years with this department, Sergeant Lawrence Mansfield retired on September 30, 1991. He served this department and the Town of Plymouth earnestly, faithfully and with the dedication one can only admire. He was initially appointed as a Police Officer in September of 1966. He worked as a Detective for a number of years and was appointed as a Police Sergeant in 1972. His wisdom, knowledge and easy going manner will be missed.

Emergency Preparedness and Civil Defense

The year 1991 proved to be a very busy one for the office. On April 11 an extensive forest fire in the southern part of town activated our office. Mutual aid agreements were used to bring in additional men and equipment from 30 additional towns. A shelter was set up at Indian Brook School for people that were evacuated from their homes.

In August 19, Hurricane Bob roared into town. The town declared a State of Emergency and opened shelters. Electric power was out for 1 to 6 days in Plymouth and the office remained open 24 hours a day for 5 days.

On October 30 the famous unnamed storm came to Plymouth. The town again declared a State of Emergency and opened shelters . Widespread damage was done on low lying coastal roads and a long cleanup and reconstruction is still going on. Many houses were damaged and some were destroyed. No loss of life was reported. The office remained open 24 hours a day for 7 days and the State of Emergency was not declared over for almost 2 weeks.

We hope 1992 does not require Civil Defense to respond to any emergencies, but we will be ready.

Harbormaster

The Pond Patrol was very effective again this year with several violations issued and inspections at an all time high. We had no boating accidents on any ponds this year which seems to be a direct result of increased safety inspections and the efforts of the Pond Patrol Officers to try to monitor as many ponds as possible.

The party fishing and Whale Watching vessels had another good year but not as good as last year, probably due to the economy.

The dragger fisherman had a very poor year due to the decrease in fish stocks. Lobster fisherman had a good year but the prices were down due to a poor economy.

We weathered two storms this year, HurricaneBob and a 4 day Nor'easter the last of October. We had some damage but overall we made out very well, compared to other towns in our area. This is a direct result of our Harbor Mooring Regulations ie: sizes of mooring blocks, chains and associated gear.

HARBOR STATISTICS

1991

Response to Medical Emergencies	9
Overdue Boat Calls	23
Boats Towed	122
Valuation of Boats Towed	\$2,440,000
Boats Reported Missing/Stolen	25
Boats Recovered	20
Boats Pumped	23

Boats Jumped Started	9
Arrests	2
Dragger Trips Logged Out	4,800
Visiting Boats Logged In	3,500
(Including Marina & Yacht Club facilities)	
Boats Launched at Boat Ramp (estimated)	7,800
Moorings in Harbor	554
Charter Boats Using Wharfs	10
Fishing Vessels Using Wharfs	26
Parking violations issued	1200

SHELLFISH

Commercial Blue Mussel Permits	11
Resident Clamming permits	573
Non-Resident Clamming Permits	55
Commercial Soft-shell Permits	6

Building/Zoning Department

The year 1991 was one of adjustment for the Building/Zoning Department as the downward cycle of the economy added to our usual challenges that we deal with every year. Whenever the economy is in recession and people are out of work they can't afford to pay to have work done on their houses. Because of this they try doing the work themselves without permits. This added to our regular workload of enforcing the State Building Code, Zoning By-law, Plumbing, Gas and Wiring regulations.

The two storms we had this year also added to our workload. Members of the department went to all storm damaged areas, including Saquish, to help home owners and to control clean up of all structures, either damaged or destroyed by the storms. We are currently still going through that process.

As you can see we are a multi-facet department. There are many things to accomplish during the year. Two of our most noted accomplishments are as follows:

1. A new streamlined procedure to help petitioners through the building permit process by development of new written guidelines to assist in this process.
2. A streamlined process for reviewing structural plans for commercial and industrial buildings in order to shorten the time it takes to review these plans and issue permits. This was done by acquiring some standard forms and revising them to meet the town of Plymouth's standards. The review time has been cut in half.

Our Office also has been doing a lot of background work for court appearance. As you are aware, we are in court from time to time on appeals taken on Board of Appeals decisions as well as other situations.

By doing this, as well as developing and compiling critical information for the Town Counsel, we have appeared as an expert witness in these matters. By becoming knowledgeable of the court systems, it has helped Town Counsel in winning court cases for the town.

BUILDING DEPARTMENT

	1990	1991
Total number of building permits issued	1,290	1,082
Total receipts from building permits	144,190.	118,517.

DEPARTMENT OF PUBLIC WORKS

Administration

Major road reconstruction projects began during this past year with completion scheduled during the next calendar year:

1. Route 3A (Jabez Corner to Cushman Street)
2. Route 3A (Barquentine Road to Bourne Town Line)
3. Route 3A (Vinal Avenue to Barquentine Road)

These projects are being funded with federal and state monies and the construction is being administered through the Massachusetts Department of Public Works. The work on these projects has progressed very well because of the close coordination between the state, town, contractors and businesses/residents affected.

Major rehabilitation of the two boat ramps (Plymouth Harbor and Long Pond) were completed by the Massachusetts Access Board/Division of Fisheries & Game.

Major water main improvements were made on Water Street from Sandwich Street to the Rotary. The new 12-inch ductile iron water main replaced a 100+ year old 4-inch and 6-inch jacket water main. These improvements have greatly increased pressure and quality of water in the entire downtown area. The last of the water betterment projects were completed in Kingsbridge Shores with over 160 new water services installed.

On December 3, 1991 the Board of Selectmen signed the Final Judgement which sets forth a predetermined schedule to upgrade the Town of Plymouth Sewage Treatment System.

The project is to prepare a complete and comprehensive facilities plan and environmental impact report for wastewater treatment, effluent disposal and residuals management.

On March 18, 1991, Joseph S. Pine Jr., was hired as the Assistant Director of Public Works/Operations Manager. Mr. Pine comes to the Town of Plymouth having served the Town of Falmouth for fourteen years in public works as Engineer and Highway Superintendent.

I would like to express thanks to the Division Superintendents and also the men and women of the department for a job well done during 1991.

The cooperation and assistance of other departments is acknowledged and appreciated.

Cemetery

The Cemetery Division maintains and services sixteen (16) town cemeteries and ten (10) smaller cemeteries with veterans buried within.

This division repaired over a dozen damaged stones on Burial Hill this year. There was an employee working in Burial Hill almost all summer to help with the upkeep and to assist people in locating various stones.

There was some vandalism the weekend after Christmas when fourteen stones were broken and/or knocked over. Most were reset or repaired by the Cemetery Division. The remaining stones will have to wait until warmer weather.

The first section of the new area of the Manomet Cemetery was opened in July with 20 lots equalling 180 graves. The second section has been loamed and seeded and this will be ready when needed. Work on the second half of the new area was held up by Hurricane Bob and the Northeaster.

A total of 139 graves sold in four cemeteries. This is an increase of 10 graves over last year.

Vine Hills	87
Manomet	29
Chiltonville	21
Cedarville	2

There was a total of 168 interments in nine cemeteries. There were 23 more burials this year than the 145 interments last year. Of the 168 interments, 37 were veterans.

BURIALS	FULL	CREMATIONS	TOTAL
Vine Hills	86	16	102
Manomet	18	5	23
Oak Grove	15	2	17
Chiltonville	13	3	16
Cedarville	1	3	4
Faunce *	3		3
South Pond	1		1
Jordan Rd/Russell Mills		1	1
Braley Lane		1	1
	137	31	168

*Faunce Church owns this cemetery but the town does burials there.

The Cemetery Division installed 28 veteran's markers; Vine Hills -17; Oak Grove - 4; Manomet - 4; Chiltonville - 2 and Russell Mills - 1.

The Cemetery Division installed 47 foundations for headstones and monuments; Vine Hills - 32; Manomet - 8; Chiltonville - 3; Oak Grove - 2; Cedarville - 1 and South Pond - 1.

The Cemetery Division has done a good job of keeping up over 20 cemeteries with only a 5 man crew. Our thanks to the rest of the DPW divisions for their assistance.

We would like to thank Chris McKinnon for his work in cleaning and restoring the Indian Cemetery in Cedarville.

I would like to thank the Cemetery and Park Division personnel for their assistance in getting the cemetery ready for the burial of Fredrick Garside (MIA since 1961).

The Cemetery Division would like to thank all of the other Department of Public Works Divisions for their assistance during the past year. Engineering for their maps and information on Cemeteries; Highway and Water Divisions for cleaning up the junk pile of tar and gravel near Route 44 and their help in digging graves when needed; Sewer Division for the use of their trailer to move our backhoe; Maintenance Division for repairing and maintaining our vehicles; Park Division for helping to cleanup some areas with their leaf vac and the Forestry Division for their help in cutting down and disposing of the trees that were damaged during Hurricane Bob and the "no-name" storm.

Engineering Division

The Engineering Division will remember 1991 as the year of Plymouth's "Big Dig". This is the nickname given to the Route 3A Reconstruction Project - a \$3+ million effort for rebuilding the main road through downtown Plymouth (Jabez Corner to Cushman Street). Actual construction began about Labor Day and, thanks to fast-track methods, is scheduled to be completed by Memorial Day, 1992. The in-house staff played an integral role in the process leading to the construction by administering the design contract and preparing right-of-way and layout plans of the entire corridor.

Our staff and housing remained constant throughout the year, thus enabling us to maintain the previous level of service. Because of the slumping economy, the call for plan review services by other town agencies decreased dramatically. This, however, was partially offset by continued high volumes of Assessors Map revisions and over-the-counter activity. Other support services remained constant.

A summary of our activities follows:

A. ASSESSORS MAP REVISIONS:

858 parcels on 51 maps. Full and half size original plans revised.

B. STREET ACCEPTANCES (5):

Driftwood Lane, Cranberry Circle, Sugarbush Lane and portions of Crabtree Road and Lafayette Road.

C. DPW PROJECTS AND MISCELLANEOUS SURVEYS:

Completed — Summer Street - Reconstruction
Shore Drive - Reconstruction
Pinewood Road - Reconstruction
Kingsbridge Shores - Water Betterment
Cedarville Cemetery - Survey
Police Station Study Committee - Survey
Historic Commission - Zoning Revision

In Progress — Ellisville Road - Storm Drainage
Water Street/Municipal Parking - Reconstruction
Federal Furnace Road - Intersection Improvements
Bay Shore Drive (Sec. B) - Reconstruction
IMS - Yearly Update
Town Maps - Yearly Update

D. PRINTING SERVICES

- 17 sets Assessors Maps (142 sheets each)
- 71 sets Zoning Maps (9 Sheets each)
- Approximately 800 prints of various plans

E. PLAN REVIEWS (6)

ZBA - 3 Building Dept. - 3

F. STATE AID RECONSTRUCTION PROJECTS

- Route 3A (Stage A) - Under Construction
- Route 44 (Samoset St./Carver Rd.) - Public hearing on 75% plans held 11-7-91. Final designs about to commence. Right-of-way and layout plans being prepared in-house.

G. MISCELLANEOUS

Smaller projects and requests for information processed as received.

We take this opportunity to extend our annual thanks to the many agencies and individuals, both public and private, who throughout the year have been so gracious with their assistance and counsel.

Highway Division

The following is a report of work done in the Highway Division of the Department of Public Works from January 1, 1991 to December 31, 1991.

STREET CLEANING

On March 5, 1991, two mobile sweepers started cleaning winter sand. The main roads, Main Street and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Chiltonville, Long Pond, Buttermilk Bay and private developments.

DRAINAGE AND DRAINAGE MAINTENANCE

The installation of a drainage system was completed on Pinewood Road which consisted of twelve catch basins and eight manholes with 1,880 feet of reinforced concrete pipe.

Installation and repairs to catch basins were completed on the following streets: Pine Needle Lane, Nelson Street, Taylor Avenue, Oak Street, Haven Road, Jan Marie Drive, Matthew's Landing, Montgomery Drive, Court Street, Eagle Hill Drive, Whiting Street, Sandwich Street, Murray Street, Lawrence Road, Fisherman's Landing and Filmore Street.

The cleaning of drain lines and several retention areas was also completed during the year.

To alleviate a large drainage problem, complete drainage systems were installed at the following locations:

- A. 721 Long Pond Road — Consisted of (1) catch basin, 30' of 12" corrugated pipe and (1) 6X10 1500 gallon leach pit.
- B. Bourne Road — Consisted of (1) 6X8 1000 gallon leach pit.
- C. Halfway Pond Road — Consisted of (1) catch basin, 20' of 12" corrugated pipe and (1) 6X10 1500 gallon leach pit.
- D. Flintlocke Drive — Consisted of (2) manholes and 416' of 12" RCP dispersing into a retention area.
- E. Bayshore Drive — Consisted of (3) manholes and 152' of 15" RCP exiting into existing drainage system.
- F. Driftwood Lane — Consisted of (1) drop inlet, (1) manhole and 236' of 18" RCP.

FENCES

Fences, guardrails and cement posts were repaired and painted. Sections of guardrail were replaced at the following locations:

Summer Street, Federal Furnace Road, Beaver Dam Road and Clifford Road.

ASPHALT SIDEWALKS AND CONCRETE SIDEWALKS

New concrete sidewalks were installed on the following streets:

Summer Street, Fremont Street, Union Street, Hedge Road and portions of Water Street, Chilton Street, Howland Street and Winslow Street.

Numerous repairs to sidewalks throughout the town were made by town personnel.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

A leveling course of Type 1 bituminous concrete was placed by a contractor with the assistance of town personnel on the following streets:

Long Pond Road; Halfway Pond Road; Magoni Terrace; Peck Avenue; Forest

Avenue Ext.; Murray Street; Stafford Street; Elm Street; Manomet Point Road; Bay Shore Drive; Braley Lane; Newfield Street; Boutemain Avenue; Boot Pond Road; Garabaldi Street; Durigan Street and Nook Road.

Reconstruction and paving was completed on:

Pinewood Road; Long Pond Road; Halfway Pond Road; Summer Street; Fremont Street; Union Street and Darby Station Road.

Road reclamation work infrared heat patching and paving was also done by contract. Paving work was completed by Simeone Corporation. Micro Paving was completed by the contractor on Peck Ave., Magoni Terrace and Nook Road.

PRIVATE ROADS

Repairs with funds allocated at Town Meeting are spent under the direction of the Board of Selectmen. Repairs on private roads included grading, graveling, patching and drainage work.

Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas and crosswalks were painted by personnel in the Highway Division. Center lines on various streets were painted by a contractor.

Many signs were made and installed during 1991. A great expense to the town is replacing signs which are vandalized, stolen or destroyed by accidents.

MISCELLANEOUS

The work in the Manomet, Long Pond and Cedarville areas have been carried out satisfactorily.

Other work done by the Highway Division included patching of roads, sidewalks and roadside mowing, grading and graveling of dirt roads, installing and removal of snow fence; application of calcium chloride on dirt roads; replacing parking meters' plowing and sanding; rubbish pickup; removal of tree stumps; patching and pumping of poor drainage areas. The basin cleaner cleaned out catch basins from March to December.

We also had two major storms, Hurricane Bob in August and the second storm in October. A great deal of damage resulted on both occasions. Highway personnel and rental equipment worked together to repair the extensive damages done to the beaches, dunes and roads in the Plymouth and Manomet areas.

Requests from the public, Selectmen's Office and Office of the Department of Public Works were taken care of by this office.

We wish to thank all division heads as well as the employees of the Highway Division for the cooperation given during this year.

Maintenance Division

Last year brought on many changes at Town Hall, all of which were completed by the men of the Maintenance Division. Among all the small repairs to the various buildings, the Division was able to accomplish major painting Town Hall. All the hallways, public restrooms and the main hearing room were painted a light beige which added light to all areas. Nobody missed the old green color.

Also, the division was requested to tear down the old, two-story wood building behind the Howland Street Water Division Shop. This building wasn't used by the town and, due to its' condition, it had become a liability. The Town's insurance carrier recommended its razing.

The division was requested to make certain improvements at the Dog Pound. Time was spent both inside and out to make the building presentable. I wish there was more money available for this project but more work can be scheduled for next year.

The vehicle maintenance effort continued to keep the division's four mechanics busy. With over a hundred registered vehicles in the D.P.W. and twenty-five units in the Police Department, this creates a large maintenance task for these men. We do most all repairs in-house with only those such as transmission repair going to the outside. Costs are held to a minimum with the cooperation of these men. The three new district trucks will also add to the work load but this change will save money for the town.

I would like to thank all Superintendents, department heads and the men of this division for all their assistance in the past year. Without their help we could not have accomplished these many endeavors.

Parks & Forestry

The year of 1991 will be known to our Park and Forestry personnel as the year of storms. Two major storms struck Plymouth causing extensive damage and requiring thousands of man-hours in debris clean-up.

Hurricane Bob blew through town on August 19th leaving our streets in a tangle of snapped trees, limbs, branches and downed wires. Although the damage suffered by Plymouth was not as great as that experienced on the Cape, the vast size of our

town created a clean-up project that took nearly two months to complete. Men from both the Tree and the Park Divisions were attempting to clear streets even before the hurricane subsided. A town-wide street debris clean-up program began the day after the storm using D.P.W. personnel. We feel that a commendable job was done to complete this project and we extend our thanks to those men who were involved.

At about the time our personnel were able to get back to their normal maintenance schedule, the October 30th coastal storm struck, causing damage to Nelson Street Memorial Playground, Stephen's Field and extensive damage to Plymouth Beach parking lot and Long Beach. It was necessary to immediately begin dredging Eel River because of the amount of fill material that had washed into the river causing it to flood areas upstream. The dredging operation lasted over a week as the material was taken out of the river and put back into the parking lot. The parking lot had lost approximately three feet of gravel for its entire length. The bath house was also severely damaged by the storm waves as it had been during the Blizzard of 1978. Although extensive damage occurred, the dune system on Long Beach absorbed the force of the ocean storm there by protecting our harbor and mainland shoreline within the harbor. The installation of sand fencing used to trap sand and rebuild dunes was started shortly after the storm and will continue through the winter months of 1992. Plymouth Long Beach is a very fragile barrier beach which serves many purposes including harbor protection, wildlife habitat and as a recreational area for our townspeople. For these reasons Long Beach deserves and will receive the best work we can put into it.

There were other highlights this year also. At the Annual Town Meeting, funds were appropriated to begin the reconstruction of Jenny Pond Park, a project that has been a goal of this department for several years. This work will be started during 1992. Town meeting also voted to approve a by-law which prohibits the feeding of waterfowl from publicly-owned property along Town Brook from Billington Sea to the harbor including Jenny Pond. The approval of this by-law was later re-enforced by a referendum vote of our townspeople. The by-law will not only benefit migratory waterfowl by allowing natural processes to take place but also help ensure that the town's park system along Town Brook can serve as natural wildlife habitat as well as a much needed passive recreational area and important green space within the downtown and harbor districts.

The Tree Division was also able to attain an important goal this past year by Town Meeting's vote to appropriate funds for a bucket truck. This piece of equipment will allow our personnel to work more safely and efficiently while pruning and trimming the trees that line our streets. Also, the tree planting program continued again this past year in an effort to provide for future generations with roadways that are aesthetically pleasing as well as environmentally beneficial.

The Parks and Forestry Divisions would like to thank all the other D.P.W. divisions for their aid and cooperation this past year especially during the aftermath of both storms.

Sewer Division

In the months between January and December, 1991, 803,484,000 gallons of wastewater were treated at the Plymouth Wastewater Treatment Plant on Water Street. This represents a reduction of 57,736,000 gallons from 1990 or a 7% reduction in total flow. This reduction indicates that the town's sewer line rehabilitation program is having a positive effect on reducing the hydraulic loadings on the Wastewater Treatment Plant. The facility treated a total of 5,052,115 gallons of septic waste in 1991, a 27% reduction of intake from 1990. The septic flow was .63% of the total sewer flow.

The belt filter press processed 6,983,480 gallons of waste sludge, a 10% reduction from 1990. The belt press processed 5,623 cubic yards of sludge cake with an average of 17.7% solids, an increase of .4% dryness from 1990 which works out to 703.9 total dry tons of solids that were taken to the Manomet Landfill for disposal.

The four new aerators, ordered and received in 1989/1990, were installed in July 1991 completing the replacement of all the original .

Through contract, we video taped, inspected and installed insitu pipe (relining existing sewer pipe), completely rehabilitating the following:

- Court Street, 242' of 8" diameter pipe
- Sandwich Street, 430' of 15" diameter pipe
- Billington St/Town Brook Easement, 1,254' of 8" diameter pipe
- Water Street, 397' of 15" diameter pipe
- Bourne Street, 1,222' of 8" diameter pipe

The grease and scum treatment system and building were completed and became operational in March, 1991.

Replacement parts for the clarifier #2 superstructure were ordered and received. The Massachusetts Department of Environmental Protection will approve the installation for early 1992 in order to protect the waterways during the fishing/tourist season should any adverse discharge occur as a result of shutting down this clarifier.

Sampling and inspections of those industries permitted under the Town of Plymouth's Industrial Pretreatment Program were continued in compliance with the Attorney General's mandated Pretreatment Program in accordance with the Envi-

ronmental Protection Agency's regulations. The division purchased a specialized computer program to facilitate the tracking and reporting of industrial discharge and permit violations. Through contact with an engineering firm, we continued its work on setting the technology-based local limits for incorporation into the Town of Plymouth's Sewer User Ordinance and Industrial Discharge Permits. A draft report has been submitted to EPA for approval of the recommended limits and, at the end of 1991, we were still awaiting EPA's response.

The Sewer Division is continuing to work closely with the Health Department to locate failed septic systems within the town by monitoring the pumping at the Night Soil Depository.

The Cordage and Harbor Interceptor work has been substantially completed. The New Hedge Road Pump Station went on-line November 15. The old Cordage Interceptor and Knapp Terrace Pump Station were sealed off and are no longer in use.

In November, the Board of Selectmen voted to increase the sewage usage rate from \$1.40 per 100 cubic feet of water used to \$1.52 per 100 cubic feet of water used for Fiscal 1992. The septic disposal fee was increased from \$.04 per gallon pumped to \$.045 per gallon.

In January, Gary Frizzell was appointed Superintendent of the Sewer Division and Pretreatment Coordinator. Sherry Caldeira replaced Mary Gatslick as Laboratory Technician and Pretreatment Monitor. Mrs. Gatslick resigned her position to enter private industry.

Sewer Division personnel cleaned, rebuilt, maintained, painted and repaired all pumps and motors within the wastewater system through the year.

The Sewer Division will continue its aggressive sewer line rehabilitation and plant and equipment upgrading to insure the highest quality of treatment possible.

The division wishes to thank all other departments for their assistance and cooperation throughout 1991.

Water Division

This 137th Annual Town Report is respectfully submitted for your consideration by the Water Division Superintendent for the calendar year 1991.

The "Surface Water Treatment Rule", a subdivision of the Federal Safe Drinking Water Act of 1986 is now legally binding on all suppliers of drinking water. This rule requires that all surface water sources be filtered by a fixed plant process or replaced with groundwater wells. The Town of Plymouth Water Division has opted to construct one gravel packed well, two wells if necessary, to off-set the use of Great and Little South Ponds. The ponds will be maintained in perpetuity as an emergency supply for the town should the well(s) fail or be removed from service for any reason. The deadline set for completion of this project by the rule is June, 1993.

Of special note is the completion of the Darby Road Well Pump Station. The station was placed in service June 27th. The drought conditions of July and August were considerably lessened by the water supplied from this new source. The well will serve the West Plymouth area of town and thus greatly reduce the need to repump water from the Plymouth Center area into West Plymouth by means of the Deepwater Booster Station.

The total rainfall for the year was 47.29 inches as compared to 45.53 inches for calendar year 1990. The annualized average elevation for Great South Pond was 103.7 feet. The full pond elevation for Great South Pond is 106.0 feet.

The total pumpage for all sources was 1,653,286,700 gallons. This represents an increase of 107,507,200 gallons over the last calendar year. The increase was the direct result, principally, of the extremely hot weather experienced in July and August coupled with the additional pumpage from the new Darby Pond Well Pump Station.

For calendar year 1991, \$1,949,858.00 was committed to charges (water bills) for the sale of water, connections to watermains, various services rendered, etc..

1991 was an extremely active year for the Water Division. With the advent of Hurricane BOB, and The No Name Storm, the Water Division was very fortunate in that no personnel were injured and no pumping facilities or standpipes sustained direct damage. The year saw the completion of four major watermain replacement projects and one extension of service to the Kingsbridge Shore area in Cedarville.

The Water Division remains committed to providing a safe, clean supply of water to all its consumers and stands poised to meet the challenges of a new year.

Summary of Statistics

Population:	45,608 (U.S. Census)
Summer Population:	58,000 (estimated)
Date of Construction:	the town built water system began production of drinking water in 1855
Sources of Supply:	Great and Little South Ponds, Lout Pond Well, Wanno's Pond Well, Ship Pond Well, Federal Furnace Well, North Plymouth Well, Bradford Well, Ellisville Well and Darby Pond Well
Mode of Supply:	Direct pumping to a distribution system with storage provided by nine standpipes

Pumping

Pumpage for the Year — All Sources (via electric powered pumps):

Lout Pond Pump Station (surface supply)	415,333,000 gals.
Lout Pond Well	19,316,700 gals.
Wanno's Pond Well	95,319,900 gals.
Ship Pond Well	105,473,000 gals.
Federal Furnace Well	164,086,700 gals.
North Plymouth Well	274,775,100 gals.
Bradford Well (iron removal plant)	325,229,600 gals.
Ellisville Well	205,103,700 gals.
Darby Pond Well (new source)	48,649,000 gals.
Total Pumpage	1,653,286,700 gals.

Booster Station Repump

Deepwater Booster Station	69,881,744 gals.
Pine Hill Booster Station	86,392,800 gals.
Ellisville Booster Station	44,649,000 gals.
Total Repump Pumpage	200,552,744 gals.

CONSUMPTION OF WATER

Estimated Population on Pipeline: 39,200 (approx'y 86% of Town)
Total Yearly Consumption: 1,653,286,700 gals.
Average Daily Consumption: 4,529,552 gals.
Gallons Per Day Per Capita: 115.48 gals.

CONSTRUCTION

Location	Length and Size
Water Street	3,110 L.F./12" DI
Fremont Street	800 L.F./8" DI
Union Street	1,200 L.F./8" DI
Hedge Road	1,600 L.F./8" DI

Durigan Street	290 L.F./6" PVC
Garabaldi Street	330 L.F./6" PVC
Kingsbridge Shore (betterment project):	
Spencer Drive	2,550 L.F./8" DI
Sharps Drive	2,150 L.F./8" DI
Burnside Drive	1,760 L.F./8" DI
Winchester Lane	1,600 L.F./8" DI
Colt Lane	1,100 L.F./8" DI
Remington Lane	1,000 L.F./8" DI
Jenks Circle	400 L.F./8" DI
Total Length of Pipe (replaced or extended).....	17,890 L.F. Pipe

DISTRIBUTION SYSTEM

Type of Pipe: Cement lined sheet iron (jacket pipe), cement lined cast iron, cement lined ductile iron, asbestos-cement lined and PVC

Size ranges: 2 inches to 20 inches

Linear Feet (L.F.) Extended: 11,180 L.F.

Linear Feet (L.F.) Discontinued: -0-

Linear Feet (L.F.) Replaced: 6,710 L.F.

Total Linear Feet (L.F.) in use: 1,035,513.6 L.F. or 196.12 miles

Number of Leaks per Mile: 0.12

Total Linear Feet of Pipe 4" or less in use: 15,840 L.F. or 3.0 miles

Number of Hydrants: 1,506 public and 25 private

Gate Valves added: 46

Gate Valves removed: 23

Number of Gate Valves in use: 2,612

SERVICE CONNECTIONS

Type of Pipe: copper tubing (K), PVC, Cement lined cast iron, cement lined galvanized, lead

Size Ranges: 3/4" to 6"

Service taps added: 108

Service taps removed: -0-

Number of Service taps in use: 11,208

Average cost of new service tap: \$475.00

Water meters added: 197

Number of water meters in use: 10,111

Percentage of services metered: 90.2%

HUMAN SERVICES

Council on Aging

1991 marked the beginning of Governor Weld's administration and the appointment of Franklin P. Ollivierre as Secretary of Elder Affairs of the Commonwealth. A committee, headed by Thomas H. Mahoney, was named to study the structure of elder services. It focused on the home care of corporations in order to develop a more cost-effective long-term care system of services in the community. Secretary Ollivierre continued the policies of his predecessors in channeling federal and state monies through regional and local agencies to maintain current programs.

Programs under Older Americans Act, Title III, included our outreach to the over 10,000 elders of our town who are 60 years and older. Outreach Coordinator David Saylor initiated programs with students of our local schools to provide chore assistance. Plymouth South High School and Plymouth Community Intermediate School participated. Other outreach services included telephone contacts made by volunteers; individualized transportation to hospitals, physicians and nursing homes; and answering inquiries concerning the home sharing program. Carol Lefieri worked closely with case managers and the nutrition segment of Old Colony elderly services in overseeing the over 100 home delivered meals going out on weekdays. Viola Kessell managed the kitchen and dining room. With the assistance of volunteer Pam Carr, she served our congregate meals.

The Senior Community Service Employment Program, under Older Americans Act, Title V, provided senior aides to our staff. This year we lost Robert Rogers and Ginny Haskins. A new hire to perform the duties of dispatcher was Mildred Baker. Bernadette Tarjick, Alpheus Richmond and Laura Gavoni delivered meals on wheels. Victor Lopes served as nutrition aide. Barbara Grefe served our senior center as clerical assistant. Antonnette Scalabroni, John Ferrigno, Mary Valeriani and Mary Boyle worked in the nutrition program under the Elder Service Corps.

One hundred and two volunteers who freely contributed 21,821 hours of their personal time to the Council on Aging were honored during the volunteer recognition luncheon conducted at Plymouth South High School on May 6. Selectmen Alba Thompson and Linda Sam Lenox and IRS Tax Education Coordinator Martha Clapp were in attendance and assisted in making the presentations. A delicious menu was prepared and served by culinary arts students directed by their instructor, Christopher Napurano.

Our Dial-A-Ride program, operated under the Greater Attleboro-Taunton Regional Transit Authority (GATRA), provided an average of 1,756 rides per month (a total of 21,068 rides for 1991) to the elderly and handicapped of our town. Reimbursement to our town (January through November, 1991) amounted to

\$38,311.72. CURA Visiting Nurse Association conducted health clinics under agreement with the Plymouth Health Department. The November flu shot clinics brought \$1,388 to the town in fees. More elders were inoculated with the flu vaccine at the CURA Office.

The Board of Selectmen reappointed Harry Fox, Richard Hengst and Robert Weiss to the Council on Aging, and following the resignation of Hugo Pereira, the Selectmen appointed Walter Baker to the Council. Agnes Fernandes, Harry Fox and Walter Baker were named to the Old Colony Elderly Board of Directors; Christian Schembri, Richard Hengst and Louise Sullivan, to the Area Agency on Aging Advisory Committee. Genevieve Ash received an appointment from Secretary Franklin P. Ollivierre to the Citizens Advisory Committee of the Executive Office of Elder Affairs.

Our Council on Aging lost a long time senior aide this past year. Robert Rogers, employed for two hours each day, assisted in the nutrition program and served coffee and tea at our congregate meals. He was a faithful senior aide working with us approximately twelve years. To him, we dedicate this report.

Old Colony Planning Council Area Agency on Aging

In Fiscal Year 1991, the Old Colony Planning Council completed its 11th year as the Area Agency on Aging. The Area Agency is responsible for administering Title III funds under the Older Americans Act. This federal funding has enabled the Area Agency to meet the growing needs of elders, particularly those very old and infirmed. Working closely with local councils on aging and other community agencies, Title III funds are frequently combined with other monies to develop and support a broad range of in-home and community services.

During FY 1991, an estimated 12,000 elders received assistance through 20 Title III programs. Services funded in FY 1991 by the AAA include:

- Senior center and outreach programs
- Home health and respite services
- In-home mental health services
- Services for deaf, blind and physically handicapped elders
- Transportation services
- Legal services
- Emergency services
- Congregate and home delivered meals
- Services to families and caregivers
- Nursing home ombudsman services

The service and planning area encompasses 23 communities in southeastern Massachusetts from Stoughton/Avon to Marshfield to Wareham to Easton. The Area Agency on Aging acknowledges with gratitude the generous support and cooperation of these communities, especially the local citizens who serve on the Advisory Committee chaired by Dolores Kent of Easton. The Advisory Committee, consisting of citizens from each of the 23 communities served, assists the agency in its important work of determining service needs, the priority of programs, and selecting subgrantees.

The council further notes with appreciation the work of local boards and commissions, public and private agencies, various institutions and individuals who have cooperated with or otherwise assisted the council.

The Plymouth Health Department is pleased to present its Annual Report for 1991.

Reappointed to the Board of Health were members Warren F. Whitaker, Robert J. McKenna and Dr. Sidney Nirenberg. In 1991, the Health Department was been able to maintain a level funded budget without lowering public assistance and departmental priorities as they may relate to the preservation and protection of public health and sanitation. Permits issued in 1991 resulted in approximately \$50,000 returned to the town treasury.

The contracts for health services for veterans and the elderly were combined into one departmental contract, resulting in approximately a \$9,000 savings to the town. Included in the contract for health services was the testing of town employees for blood sugar, cholesterol and blood pressure in an effort to help keep medical bills and worker's compensation, in the above areas, to a minimum.

With the water testing program, the department was able to identify high coliform counts at two public bathing areas, resulting in the timely closing for public health safety.

Housing Authority

The Plymouth Housing Authority entered 1991 facing cut backs in basically all of its state and federal programs. For the past three years, operating budgets have been capped at zero percent. In 1991, budgets were capped at minus 5%, the Commonwealth recaptured PHA Operating Reserves, imposed employee furloughs, and increased tenant shares of rents on our state programs from 25% to 30%.

Of greatest concern among public housing administrators, and our participants across the state was the future of many of our housing and service programs. For public housing, it was the Chapter 707 Rental Assistance Program. Both the House and the Senate side of the Ways and Means Committee, believed the program to be too costly. State administrators stressed, however, that although the current economics did reduce the fair market rents in comparison with similar rental assistance programs, the Chapter 707 program costs are not driven by the market, but by the

budget set by the Legislature and by requirement by the state's funding agency. Throughout 1991, considerable time and effort has been spent introducing legislation that would continue to fund this program, in order to assist the increased numbers of families and elderly that are now eligible for this program due to the recession.

In August of 1991, Governor Weld's appointment of former State Senator, Mary Padula to the position of Secretary of the Executive Office of Communities and Development was a sign of encouragement. Ms. Padula comes from an extensive background in local government. Therefore, with this new appointment, local public housing officials are looking forward to a greater sensitivity to local problems and issues.

In July of 1991, the legislature enacted a bill allowing direct access by local public housing authority to the Criminal Offender Record Information. After several years of work by local housing authorities this CORI access will provide public housing authorities the ability to screen it's own public housing residents in order that the current residents have the right to a peaceful and safe environment. Although a major accomplishment, the bill is limited and housing administrators will continue to work toward the use of this system with all applicants for public housing.

In spite of these regulatory problems and the Commonwealth's budget problems, our agency has endured due the strength of its own financial planning, budgeting, etc. The PHA has continued its efforts to secure additional funding, and new programs as well as providing assistance to other community groups such as the Greater Council of Human Service Agencies, Inc., the Town of Plymouth's Community Development Agency, Old Colony Planning Council, Cura, Council on Aging, and others. These efforts have resulted in the town being awarded over \$1 million in funds by the Executive Office of Communities and Development for assistance to low and moderate income homeowners and further economic growth of businesses in the downtown district as well as 16 area social service initiatives.

These funds, which will be administered through Plymouth's Community Development Office is a direct result of community team work and the dedicated involvement of the many agencies, including this authority who wish to serve the residents of Plymouth.

Also, our agency supported, and the Executive Director now serves on the Advisory Board, for the OSAP Grant that was awarded to the Greater Plymouth Council of Human Services for a drug and alcohol program called HALT (Helping All Learn Together). This \$950,000 grant awarded to this community will develop policies for a three town region and support the business community to develop their approach to the prevention of alcoholism and assist in forming task groups that will address at-risk groups in the community through the media and other education programs.

The authority recently submitted its application to HUD for additional units under the HUD's Section 8 and Voucher Program for the Family Self-Sufficiency Program. The competitive application, if awarded, will provide the authority with a program that is designed to assist low and moderate income families to receive assistance while working toward self-sufficiency in a five year period. Assistance will be provided by this agency and other supportive service agencies for education, job training, day care, transportation and other services in order that individuals will move from welfare dependency to self-sufficiency.

The authority was awarded over \$150,000 in Capital Improvement Funds from the Department of Housing and Urban Development as a first stage modernization program at its federal development. These initial funds will begin the PHA's comprehensive plan to upgrade and improve structural conditions at an 82 unit elderly facility. The authority anticipates proceeding with additional applications, identifying other needs for this facility with funding expected in 1992.

Based on changes within each of the authority's regulatory agencies and given the political and economic conditions of the state. The PHA aimed its involvement in organizations where it could actively seek out and provide expertise to both local and state organizations involved in both policy making and decision making. To this extent, the Executive Director was appointed in 1991 to the Mass Chapter of the National Housing and Redevelopment Organization Board of Directors, the Board of the Area Office of Department of Mental Health, the Advisory Board of the Halt Program, as well as Vice-President of the Southeast Executive Director's Association. In serving in these advisory or working committees both in the local community and at the state level, the Plymouth Housing Authority will be in a position to identify and address the needs of both our community and our residents.

In conclusion, in spite of the difficulties that faced this agency in 1991, the authority has continued to maintain its standards, its staff, improve conditions, and continue to involve itself in the needs of the residents of the community. We look to 1992 with some optimism. Obviously the struggle for new funds and programs will continue. However, our ongoing relationship with the town and other community agencies has resulted in a united effort to serve the Plymouth community and its residents.

Public Library

On October 27, 1991, the library held a Grand Opening Celebration for the new main library on South Street, just a little more than three years after the vote was passed to build and equip a new library for Plymouth. The referendum allowed the Town to borrow 9.75 million dollars for the project. However the total cost to Plymouth tax payers was only 8 million dollars, thanks to the favorable building climate, a state grant of over a million dollars and the fiscally responsible management of the project by the Library Corporation Building Committee.

The building contains 54,830 square feet, compared with the 12,800 in the old building. Since the referendum included funds to purchase books and audiovisual items, the size of the collection in the new library has increased about 55% from about 55,000 to 85,000 items. This includes new books, reference resources, compact disks, software, and audio and video cassettes. The Plymouth collection is in an area which is climatically controlled to preserve the materials housed there. This room is open to everyone and is staffed by volunteers. The audiovisual department has two viewing rooms for use of videos as well as ten listening stations where patrons can listen to music or recorded books. The library has several meeting rooms which are used by a variety of town organizations and agencies, including weekly use of the large meeting room for selectmen's meetings. What is also much appreciated by patrons is the number of places to sit and read or do research. This ranges from casual lounge chairs to tables and study carrels with individual lighting. The parking lot contains 130 spaces compared with three at the old location.

The new library has been experiencing a tremendous increase of use by the public. During the first month of operation, more than three times more items were circulated than during that month the previous year. New registrations are up from an average of 400 a month to more than 2,000 a month.

Only one additional person was added to the staff this year to respond to the demand for service at the main library. Two part time staff were hired to work at the Russell Branch. The library has been relying on volunteers to do everything from shelving books to washing tables, in addition to using a large volunteer crew to help with the physical move of the library.

The library closed to the public September 15 for the move to the new library. A new small branch (the Russell Branch) opened October 15 in the original library section of the former main library on North Street. The rest of the former library building was leased to Quincy College to be the site of their new Plymouth campus. Use of this little library during the first two and a half months of operation was less than expected, with only about 300 items circulated each month and daily average patron count of less than ten.

The Manomet Branch has continued to serve the people of Manomet well. Use of this branch is steady and consistent.

With the new building, up to date equipment and expanded collections, the library is reaching more of the population of Plymouth and is better able to provide them with the informational, educational and recreational resources that they need.

The Board of Trustees of the Plymouth Public Library Corporation as of December, 1991 are: Linda Murphy (President), Williston Holbert (Vice President), Joyce Stewart (Treasurer), Charlotte Collins (Secretary), Genevieve Ash, Stanley

Bernstein, Paul Blanchard, Jill Brooks, Jeffrey Chute, Kenneth Fosdick, Gloria Higgins, and Jacqueline Winokur. Otto Fehlow, Treasurer of the Corporation from 1977 to 1990, and Trustee until November, 1991, died January 20, 1992. The meeting room of the new library has been named The Otto A. Fehlow Meeting Room in honor of his many years of service to the library.

The Plymouth Public Library Corporation is a non-profit corporation dedicated to the provision of quality library service to the Town of Plymouth.

Recreation Department

The Recreation Department planned and conducted a variety of events and programs which were well received by the thousands of residents who participated in 1991. Activities held included: the annual field trip to Boston Garden during the February school vacation to see the Disney characters perform on ice. During the month of March, basketball shooting contests were held at the Manomet Youth Center, a gymnastics program was held for children in grades 4 thru 6, the annual Youth Hoop Basketball Tournament was held at Memorial Hall, and the Youth Basketball Program at the Manomet Youth Center.

In the spring and early summer the department held the Annual Haskell Fishing Derby for children ages 4 thru 17, and registrations were held for the many summer programs offered.

During the summer, the Recreation Department held playground programs at Stephens Field, West Elementary School, South Elementary School, Briggs Field (Manomet), and Elmer Raymond Playground (Cedarville). Red Cross swimming lessons were conducted at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach with an enrollment of nearly 1000 youngsters. The department also supervised the beach and pond parking attendants who collected \$53,993.00 in non-resident parking receipts and one day four-wheel-drive Long Beach permits. Week long Sports' Clinics were held featuring soccer, baseball, basketball, tennis, golf, and gymnastics for ages 8 thru 14. The popular Summer Basketball League for ages 8 through 13 was again conducted, and over 100 youngsters and parents attended a Red Sox game in July. The summer playground activities concluded with an "All Playgrounds Day" program held at Stephens Field in August. The town's lifeguards positioned at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach were also under the supervision of the Recreation Department.

In the fall the department staged the annual Kite Day program at Plymouth Beach which attracted a gathering in excess of 1,000 and held a town-wide Halloween party on Halloween evening at Memorial Hall which was attended by more than 400 youngsters.

The Recreation Department would like to thank Mr. Gray and the Park Division staff, Mr. Harlow of the Maintenance Division, the Plymouth School Department, the Board of Selectmen, Doug Hadfield and the Civil Defense office and the many others who were instrumental in the many successful programs conducted.

The Recreation Department and the town were deeply saddened by the untimely passing of Recreation Commission Vice-Chairman, Vincent Sgarzi, who served on the Recreation Commission since its inception in 1976. Vinny will be greatly missed.

Saving Lives Program

The Plymouth Saving Lives Program is a unique, comprehensive community-based traffic safety program model whose purpose is to address and change attitudes and behaviors to reflect positive healthy driving habits.

Its aim is to create and expand new and existing traffic safety initiatives and to assist the community in recognizing, preventing and solving traffic safety problems through consultation, education and training.

The program task force is co-chaired by Alba Thompson and Judge Dennis Collari (Honorary) and is comprised of five broad-based components each of which is chaired by a key community leader.

Program Components include:

Community Awareness	—	Paul Worcester
School Education	—	Richard Silva
Alcohol Server	—	Joel Urdang
Business for Safety	—	Robert Hollis
Law enforcement	—	Chief George Madsen
		Safety Officer Robert Webb

This year the School Education component was expanded to include three student peer leaders representing Plymouth North, Plymouth South and Carver High School. The students attend all task force meetings and play a vital role in the program's structure.

The multitude of activities carried out in each of the five components collectively form the tools used to reduce the number of traffic injuries and fatalities among citizens of all age groups. Examples of this highly successful activities include:

- During the month of December the Safe Ride/Save-a-Life Program, co-sponsored in part by the Saving Lives Program, offered free cab service to people who did not wish to operate a motor vehicle due to excessive alcohol consumption. This service was available throughout the towns of Plymouth, Carver, Kingston, Duxbury and Marshfield. This initiative helped to generate a community-wide awareness concerning the dangers of drinking and driving.
- The Koala Bear Program was developed to provide the groundwork for promoting the child passenger safety law in a positive manner. At a crash scene, a child 12 and under who is found to be properly restrained in a car seat or safety belt will be given a bear by a Plymouth Police Officer to calm and reassure them. The first koala bear was awarded to a 7 year old Indian Brook Elementary School student who survived an October crash in which he was wearing a safety belt. The Koala Bear Program is sponsored by the generosity of the American Legion Post #40 and the Plymouth Lions Club.
- The Saving Lives Program provided support and funding for the revitalization of the after prom parties for Plymouth North, Plymouth South, and Carver High School. The purpose of these events was to offer students who attended the Junior Prom the alternative of a drug and alcohol-free environment in which they were able to continue safely celebrating their special evening. Plymouth North and Plymouth South held their after prom parties at the Plymouth Athletic Club and Carver High held their party aboard the sight seeing ship - "Spirit of Boston", a cruise which students won by showing their school spirit at a pre-prom dance sponsored by Mr. Tux. A total of 450 students attended the after prom parties and a safe, fun-filled time was had by all.
- Saving Lives disbursed funds for overtime details with the Plymouth Police Department specifically targeting areas of concern such as child passenger safety, OUI drunk driving enforcement and speeding. It is through these combined efforts that there has been a measurable increase in the number of people using safety belts and a notable decrease in speeding. This translates into elevated awareness among citizens.
- Two bicycle safety clinics were held to foster the safe bicycle riding habits of youngsters. Safety Officer Robert Webb educated campers at Camp Clark on the proper techniques of riding and caring for a bicycle. During a clinic held at West Elementary School, the Safety Officer instructed members of Cub Scout Pack #42 as to bicycle "rules of the road" and the correct procedures for ensuring a well-maintained bike. Thirty-four participants completed a four-stage bike course, signed a Safe Bike Pledge, and successfully completed a written examination which qualified them as recipients of an official Safe Bike License. Each license was numbered and signed by Safety Officer Webb and a formal list of names was presented to the Board of Selectmen.

— In an effort to increase awareness of bicycle helmet safety, the Plymouth Saving Lives Program, the Plymouth Police Department, the Personal Injury Law Center of Winokur, Winokur, Serkey and Rosenberg, and Troxel Manufacturing offered a holiday bicycle helmet rebate/discount program for Plymouth school children in grades K-6. This program enabled parents to receive as much as 40% off the purchase price of a bicycle helmet as well as promote safe riding practices. In conjunction with the Plymouth Police Department, a bicycle helmet safety poster contest was conducted for Plymouth students in grades 1-6, and the winners in each category were awarded bike helmets donated by leading manufacturers.

The Plymouth Saving Lives Program is part of the Massachusetts Saving Lives Program which is comprised of six sites strategically located throughout the state.

As we draw closer to the conclusion of the grant in 1993, we will strive to become a self-sufficient program which will enable us to continue the current level of awareness and education in the community. To achieve our goal of self-sufficiency, various means including fund raising events and monies from outside sources such as grants, memberships and sponsorships are options being explored.

Veterans' Services

1991 was a most eventful year. On January 7, 1991, one hundred members of the local National Guard unit, the 772nd Military Police, was mobilized. The Persian Gulf War began on January 17, 1991 and eventually these troops were sent to the scene of action.

A tremendous and emotional send-off ceremony was held at the Memorial Hall for this group. Many dignitaries, including their Chief Commanding Officer General Wayne E. Wagner, were present. This office is proud to be associated with the planning and coordinating of both their "send-off" and "welcome home" ceremonies.

After being missing in action for more than thirty years, the remains of a local veteran, Staff Sergeant Frederick T. Garside, was found and returned to Plymouth. His plane was shot down over Laos in 1961. He is considered the first Massachusetts casualty of the Vietnam era. Many local, state, and national dignitaries attended his memorial services.

On July 7, 1991, Governor Weld approved legislation that includes services in Panama and the Persian Gulf as "wartime services." In order to conform to the provision of legislation, Chapter 109, this Department promulgated an emergency regulation which amends 108 CMR 3.03 to include these veterans to be eligible for benefits. This is similar to providing the Lebanese Peace Keeping Force and the Grenada Rescue Mission servicemen the same privileges.

The continuation of a slumping economy and a high unemployment rate state wide remains a great concern. The recession necessitated a small transfer of funds in the amount of \$12,000 just two weeks before the close of the fiscal year. Despite the difficult economic times, this office remains confident and innovative with a positive outlook for 1992. I wish to express my thanks and appreciation to my assistant, Anne Torrance, and to Mary Zacchilli for their dedicated assistance.

Department of Veterans' Affairs

President Bush's call-up of reservists for the Persian Gulf War raised numerous questions regarding military personnel's rights as borrowers and also employment rights. The Soldiers and Sailors Civil Relief Act of 1940, (501) U.S. Code establishes protection as to obligations and liabilities against real estate foreclosures. Interest rate reduction to six per cent applies only to those on active duty.

The federal statute known as the Veterans Reemployment Rights Act provides the same protection for a volunteer enlistee as well as a reservist involuntarily called to active duty. As long as the employee is qualified to perform duties required, the employee must be returned to work. Unless the employer's circumstances change making it impossible or unreasonable to do so, veterans are to be returned to their former positions.

In 1991 VA insurance dividends paid out totaled \$1.025 billion. Only policies that have been kept in force receive these annual dividends. No application forms from policy holders are necessary.

New legislation includes P.L. 102 which increases life insurance coverage from \$50,000 to \$100,000. Congress approved HR 2519, the VA budget for FY 92 for \$32.526 billion. The President signed P.L. 102-152 providing a COLA of 3.7 per cent for disability compensation and DIC recipients. Pensions were also increased by the same per cent. P.L. 102-86 contains significant changes in medical care, real property and facilities, and scientific reviews under the Agent Orange Act.

The VA inaugurated a toll-free 24 hour help line for veterans exposed to radiation during military service, (800) 827-0365. A toll-free service national line to assist deaf and hearing-impaired veterans and their families is now in effect, (800) 829-4833. Interest rates on VA home loans was reduced to eight per cent. Legislation pending: S.868, Persian Gulf Veterans' Educational Assistance Amendments to Chapters 30, 32, and 35. Also, 1991 marked the 50th anniversary of Pearl Harbor. Over 16 million Americans served in the armed forces during World War II.

Plymouth Airport Commission

The Plymouth Airport Commission respectfully submits the following for its' annual report.

Despite a continued downturn in the local and national economy, the Plymouth Airport appears to be holding its own, especially in the sale of fuel and the number of General Aviation aircraft that are based here in Plymouth. Operations and sales of single-engine aircraft and recreational flying are showing a downward trend, however, due to airport improvements here at Plymouth Airport and the ability to keep aviation fuel prices low, pilots find this airport attractive to fly in and out of. Additionally, there was an upgrading of the airport snack bar facility which provided a wider menu selection for airport and town customers.

For 1991 the commission has been very involved with an airport Advisory Group and User Committee to help formulate and update the latest Plymouth Airport Master Plan. Many issues regarding the airport need to be resolved. None more important than, "are the runways at the airport long enough to permit the safe operation of the types of aircraft that, if based and operated at Plymouth Airport, would support the economic aspirations of the community?" Equally important is the need to document the environmental issues concerning the airport. Aircraft noise is a sensitive issue and is being addressed. The commission has undertaken an extensive Water Management Plan for Plymouth Airport. As this report is being written, a draft report on the water well tests have been given to the Commission. Results are exceedingly good showing a drinkable water quality of water in all parts of the airport, thus providing protection of town property. Additionally, the Commission has a program of installing a security fence around the perimeter of the airport. This is not only for security, but to protect town property from intruders who would dump and trash the airport environs. During this past year a major construction project was completed when the parallel taxiway for Runway 06-24 was reconstructed. Also, for the first time taxiway lights were installed throughout the Plymouth Airport. New lighted signs were installed depicting specific runways. This not only enhanced night operations at the airport, it was a great improvement on safety of aircraft operations for Plymouth Airport.

The Plymouth Airport Commission would like it to be noted that monies for the airport improvements comes 90% from the Airports Trust Fund (sale of tickets at airports) through the Federal Aviation Administration (FAA), 5% from the Massachusetts Aeronautics Commission (MAC), and 5% from local airport users. Presently, the Airport Commission is on track to be self-sufficient by Fiscal Year '95. The budget to operate the airport is close to one million dollars, and 10% of this figure was supported by local taxpayers. The commission has plans to reduce this 10% figure to about 6% for the FY '93.

The Plymouth Airport staff handled in excess of 1000 visitors to the airport that included school children, scouts and adult groups. Aviation continues to be a fascination to many persons. Generally, there are approximately 200 people in some phase of aviation training in the Flight Schools that operate at Plymouth. Our maintenance facilities continue to draw aircraft from all over New England and New York to use these repair stations. The airport continues to be a viable employer with its many businesses.

In closing, your Plymouth Airport Commission is very optimistic for the future of the airport in Plymouth. From all studies, the airport has served the community and the South Shore of Massachusetts in an excellent manner. The citizens of the Town of Plymouth can be assured the Plymouth Municipal Airport is still one of the best General Aviation facilities in New England. Everyone is welcome and encouraged to visit this excellent aviation facility in "America's Hometown."

Annual Report of the Principal of Plymouth Community Intermediate School

The year 1991 has been exciting and challenging at PCIS. PCIS is in its fourth year as a middle grade school. We now house 1860 students in grades 6, 7, and 8. Our goal this year has been to continue developing unique programs at each grade level which would fit the growing and changing needs of early adolescents. Sixth graders and staff are located in two "houses". To ease in the transition from the elementary schools, sixth graders work primarily with two teachers following a model similar to what is done in grade five. Seventh graders are on "teams" of 125 students and six teachers. Eighth graders are clustered into two houses with preparation for high school as a major theme. Our use of the "House" plan offers students the opportunity to be part of a small school while having the enriching opportunities of a large facility. Within a house, students know an administrator and a counselor as well as a small number of teachers.

It is with great enthusiasm that we begin planning for the fifth year of improving and enhancing our middle grades program at PCIS. We hope that budget constraints and growing enrollments do not have a serious impact on current or future program planning. We will open school in the fall of 1992 with over 1900 students.

In my fifth year in the Plymouth School Department and the Plymouth-Carver Regional School District, I appreciate the tremendous support and cooperation of students, staff, community, the Home School Association, Office of the Superintendent, and School Committees in making PCIS a place "where good things happen everyday."

Annual Report of the Principal of Plymouth North High School

This past year has been a very positive one at Plymouth North High School.

In June, 170 Seniors graduated in Memorial Hall with Representative Peter Forman as the guest speaker. In addition, at Convocation, Plymouth North Seniors received over \$53,000 in local scholarship assistance. Over 71% of the Senior class continued its education.

Athletically, Plymouth, a member of the Old Colony League, joined the Pilgrim Conference, a group of 27 schools divided into three leagues. In addition, Plymouth helped out schools, such as Brockton and New Bedford, by scheduling them when many schools would not. The Massachusetts Inter-scholastic Athletic Association (MIAA) has been concerned with the fact that Plymouth has two high schools with one set of athletic teams. This situation will have to be addressed shortly.

Extra-curricular activities continue to provide the opportunities for students to expand their horizons. Band Concerts continue to be given at Memorial Hall. Drama Productions, Choral Concerts, Blood Drives, and Spirit Week were just some of the activities that enlivened the year at Plymouth North.

I would like to thank the Senior Class of 1991 for its donation of a new school flag and a computer table for the Library.

I want to thank the Plymouth North student body, the dedicated professional support personnel, the Central Office Administration, and the Plymouth-Carver Regional School Committee for their continued support. With this support, it is my hope that Plymouth North High School will continue to be the home of high ideals, achievements, and goals.

Annual Report of the Principal of Plymouth South High School

As Plymouth South High School enters its fourth year of operation, its evolution as a truly comprehensive high school continues to expand.

The Class of 1991 is the first class at Plymouth South to have its own separate graduation ceremony and its own yearbook. The yearbook became a pacesetter for future years, as it won regional and national recognition.

The Class of 1992 will be the first class to spend all four years at Plymouth South, establishing yet another milestone in its short history. The Class Dinner and Yearbook Distribution Night followed by Class Day are eagerly anticipated traditions begun for the first time in 1991.

April of 1991 marked the first induction ceremony of the newly formed William Bradford Chapter of the National Honor Society of Plymouth South High School, with Alba Thompson as guest speaker.

In March of 1991 and December of 1992, the first two Fashion Shows sponsored by the Plymouth South High School DECA Club were held in the cafetorium. In fact, both VICA and DECA clubs continue to win local, regional, and state honors, with the two DECA students competing in the national levels last spring. We hope to see similar success this year.

Plymouth South High School continues to draw international attention. In addition to the four foreign students attending this year, PSHS was visited by French exchange students and Russian students this past summer. So far during 1991-1992, Plymouth South has been visited by a group of Japanese businessmen, a Japanese exchange teacher from a technical high school, and a group of Japanese teachers on an educational tour. The Lord Mayor of Plymouth, England visited and spoke to our Social Studies classes. A visiting group of Argentinian students also toured PSHS and remained for lunch.

Honors continue to flow to our students in academic programs as well, in such testing competitions as the National Latin Exam and the Math Olympiad. A team of PSHS Physics students won first prize at a regional Physics Olympics. Work from one of our art students progressed to the national level of competition through the Scholastic Arts Program.

Internally, Plymouth South High School continues its programs of Student of the Month; our unique Annual Honors Awards Banquet; and our Success Card Program, where students are honored and receive school privileges based on high honors, perfect attendance, and most improved grades calculated each quarter.

Overall, Plymouth South High School Continues to move toward its first full four years along its chosen theme - A Pathway to Excellence - with excitement and anticipation.

Annual Report of the Principal of Carver High School

Carver High School's fifth year began with an enrollment of 834 students - 359 students in grades 7 and 8; 475 students in grades 9 through 12. The largest enrollment increases are in the senior high school grades.

A full range of academic courses is offered to our high school students to prepare them for their life's vocation. Extracurricular activities are an integral part of a student's life. 300 of our high school students are involved in extracurricular activities; 200 in the Crusaders Sports Program and 100 in other activities such as Yearbook, Drama, School Newspaper, Peer Leadership, Students Against Drunk Driving and Model U.N.

80% of our graduating class of 87 students has gone on to further education. 14% chose to go into the work force and 2% went into the armed forces. 4% went into nursing/technical schools. We are particularly grateful to the organizations and individuals from the Town of Carver that contributed approximately \$50,000 in scholarship funding to help reduce the cost of post secondary education for our deserving students. We are constantly seeking scholarship donations and have been able to add another \$10,000 for this year's graduating seniors.

We are currently engaged in a self evaluation of the entire school including academics, extracurricular activities, school atmosphere, sports, student services and guidance. The New England Association of Schools and Colleges will visit Carver High School with a team of administrators and teachers to validate the self studies. A full report including recommendations and commendations will be received from the association. The recommendations will provide a guideline for improvement within the total school for the benefit of our students.

The students, faculty and administration of Carver High School take great pride in the accomplishments of our students and continue to strive to make Carver High School a warm, caring and concerned place for the students and townspeople. The student body and staff are committed to excellence!

OTHER BOARDS AND COMMITTEES

Ad Hoc Airport Siting Committee

Following the vote of the Special Town Meeting held in the fall of 1990, which declared the unequivocal opposition of the Plymouth Town Meeting to the siting of a Second Major Airport in Plymouth, the Board of Selectmen affirmed unanimous opposition to such a siting and appointed the Ad Hoc Major Airport Siting Committee to muster the town's defenses and present the facts and arguments to the Massachusetts Aeronautics Commission. The Aeronautics Commission had announced that two large sites in South Plymouth east of Route 3 had made the final list of the ten most suitable sites in Massachusetts for the Second Major Airport, which was projected to be substantially larger than the present Logan Airport.

The committee met frequently through the late fall and winter of 1990 and, in March, 1991, made an oral presentation to the Aeronautics Commission and prepared and submitted an extensive brief detailing the many environmental, zoning, marketing, social and topographical factors which disqualified the two

Plymouth sites from any further consideration. After two public meetings held by the Massachusetts Aeronautics Commission at which the Ad Hoc Committee again presented their arguments against further consideration of the Plymouth sites, the commission announced in August, 1991 that the two Plymouth sites had been removed from further consideration as a potential major airport site.

The committee was very pleased with this decision, believing that the quality of life in the Manomet and Cedarville sections of the town, and indeed, the quality of life in the entire community, had been well served by removing this potential threat to Plymouth. The committee believes that the prompt action of the Town Meeting and Selectmen to confront this unsound proposal early on and to systematically mount an early and effective opposition based on facts and reasoned arguments enabled our position to prevail.

Advisory and Finance Committee

The Plymouth Advisory and Finance Committee continues to fulfill its function under our home rule charter by reviewing budgets, capital outlay and warrant articles and reporting our findings to the Town Meeting. These reviews are conducted in a series of public hearings. The public is always invited to join in the scrutiny and add their suggestions and comments. I am happy to report that this past year some members of the public actually took us up on that offer.

This year the Advisory and Finance Committee reviewed operating budgets for the town totalling \$64,410,591. In addition to the budget, the committee presented recommendations to the April 1991 Town Meeting on forty articles in the Annual Town Meeting warrant, plus an additional twenty-two articles in the April Special Town Meeting. These two meetings, along with Special Town Meetings in June and September, addressed issues such as infrastructure improvements, zoning by-law amendments, funding for social service endeavors, and an annual collection of household hazardous waste.

In addition to our usual fare of budgets, balance sheets and bottom lines, the Finance Committee was called upon to help settle a variety of matters, ranging from the bonding of school expenditures to the feeding of water fowls. Through it all, the committee attempted to provide a forum at which both sides to an issue could be heard fairly and honestly.

Mention must be made of members who have moved on to greater challenges. This number includes two Skips, Anusewicz and Collins, both of whom met with success at the polls last spring, freeing them from the bonds of Finance Committee duty. Their wise counsel and plain hard work will be missed. Sadly, this number also includes former members Angelo Brigida, Vincent Sgarzi, and Henry Cappella, all of whom were freed from the bonds of this mortal life. They, too, will be missed.

Arts Lottery Council

The Spring '91 grant cycle went relatively smoothly and was actually the last part of the state's '91 fiscal year budget. We made an effort to fund projects across all disciplines and age groups. We were able to fully fund all the P.A.S.S. (Performing Arts Students Series) grants. This program enables students to go outside of their school building to attend a performance. This program will fund up to \$5.00 per ticket per student. We were also able to support the events that the Plymouth Public Library planned for its grand opening week in October. We partially funded several in-school cultural events and programs that the whole community was able to benefit from this year. The results of this grant round are listed below:

MARCH 1991 LOCAL AND STATE APPROVALS

PASS Grant Applications

Number	Applicant	Request	Award
#1	Indian Brook Elementary School	\$550.00	\$550.00
#2	Cold Spring School	125.00	125.00

Total amount available from state			5,071
Less Administrative Funds			150
Total amount to be spent			4,921
Holdover at the State level (this round)			1

Although the process that eventually resulted in the above decisions went smoothly, the Massachusetts Cultural Council was having massive problems at the Fiscal Year '92 budget hearings. As the final decision was handed down, the overall budget of the MCC was allocated an all time low of \$3,585,000. The MCC decided to divide 3 million dollars in two, giving the local arts lottery councils 1.5 million dollars, and the MCC grant programs determined by peer review the other 1.5 million dollars. Administration of both programs would be carried with the remaining \$585,000.

These severe budget cuts from the FY '91 budget of \$12.6 million represented a 71% cut in funding for cultural programs in Massachusetts. The cuts resulted in the immediate resignation of the MCC Executive Director Mary Ann Piancentini and the cancellation statewide of the usual Fall '91 grant deadline that our local council had announced as Friday, September 13, 1991. The MCC no longer has regional liaisons to field questions and help the local arts lottery councils in their region.

Responding to an almost chaotic situation, the MCC held regional roundtable discussions across the state in the month of September and solicited input and advice from members of local arts lottery councils as to our immediate needs. I attended one of the meetings held in Brockton on September 23, 1991. Those attending were encouraged to envision the potential reorganization of the administration of the local arts lottery councils. It is possible that more autonomy will be given to the council in the future as administrative funds dwindle and administrative procedures become more streamlined. It maybe that towns with good track records over the years of funding cycles will be entrusted with more fiscal responsibility and eventually become "certified" by the state, renewable every two years.

Plymouth's track record with the state got an official perfect rating this summer when our books were audited by random selection by an auditor from the MCC. Town Clerk Ed Maccaferri was able to show the state auditor a "trouble-free" fiscal year 1990 with excellent accounting of all accounts payable and receivable of the Plymouth Arts Lottery Council.

Carol Vesco and Pam Sterling attended the 10th Local Arts Lottery Network conference on October 19t, 1991 at Boston University as representatives of the Plymouth Arts Lottery Council. Pam Sterling was asked to be a presenter at one of the workshop sessions entitled "Tapping In": Building Networks In Your Community. The conference was an affirmation of the success and power of the grassroots nature of the local arts lottery councils. Participants were all of the opinion that funding for cultural arts programs in this state must be restored to acceptable levels and that organized advocacy at the state and local levels was necessary to accomplish this. Further involvement by this local council is planned for 1992.

The next grant round deadline was announced in December as Friday, January 10, 1992. At this time, the FY92 amount of \$5492 will be determined at the local level. An article in the Old Colony Memorial dated December 26, 1991 served as an excellent description of the dilemma the council will have in making these local allocations.

I would like to take this opportunity to thank the current members of the Plymouth Arts Lottery Council for their continued support and vision through 1991.

Contributory Retirement Board

Our fiscal year 1990 ended December 31, 1990 and we are again pleased to report that much was accomplished .

The system's assets were up almost \$2.4 million. Our investments earned enough to pay our members over \$530,000 interest on their deposits and to put over \$1,000,000 into the system's pension reserve fund. This fund, which is for the system's future pensions, is now over \$5,000,000.

Our most significant accomplishment of the year was the acceptance of MGL C32, s22D at the December Special Town Meeting. Through this action, the major reforms made available under Chapter 697 of the Acts of 1987 were implemented within our system. Due to this action, disabled retirees have had their dependent allowance increased, the pension calculation formula for members working past age 70 has been improved and most importantly, members hired after January 1, 1979 have had the \$30,000 cap removed from the formula used to calculate their retirement benefits.

In addition, the actions of the Town Meeting resulted in the three employers in our system funding pensions using an actuarial method over the next 37 years. This will allow the system to eliminate its present unfunded liability and assures our members that there will always be funds in the system to pay pensions.

Over the past year, the board has conducted 25 disability desk reviews which resulted in 17 disability re-examinations. The desk reviews, which are required under MGL C32, s8, provide a communication link between the Board and our disabled members. This process allows the Board to accommodate the interests of both the public and its members.

The firm of J.A. Hannah Associates served as our performance analyst this year. With their help and the investment management experience of the State Street Bank, the system's investments were able to generate a favorable return for the year.

We are grateful for the opportunity to have served you this past year and look forward to an equally successful fiscal year in 1991.

Harbor Committee

The Harbor Committee was established by Town Meeting in 1962. Originally an eleven member committee, there are now nine positions on the committee. The committee was established to study all phases of the shore frontage of the town, including the harbor, use and operation of all waterfront facilities, shore protection, landings and beaches; and to make recommendations to the Board of Selectmen and to assist the Board in its duties in connection with the entire waterfront.

A position on the committee position was recently vacated by Arthur Smith. Art served several years as the secretary for the Harbor Committee, a position involving a great deal of time. The committee would like to thank him for his many hours of work.

Meetings are held on the first Thursday of every month at the Town Hall. The meetings are open to the public for observation, questions, and input. The committee is receptive to reviewing any presentations which involve the waterfront.

After two years of letters from the Harbor Master and the committee, the State Boat Ramp was repaired. The Long Pond boat ramp was part of the bid package and was also repaired.

The committee dealt with several safety issues; cross-walk for the entrance of the pier area; painting of the curbing in the parking lot of the state boat ramp with reflector paint; welding and burning at the Town Pier. The welding and burning issue is still being discussed. Recommendations for guidelines for welding and burning should be complete by the end of the February 6, 1992 meeting. These recommendations will be sent to the Board of Selectmen.

Waste oil disposal has been a problem and topic of discussion at several meetings. The Harbor Master's office did their best to control a difficult problem. Stickers were made available for non-resident fishermen to give them access to waste oil drop off. Waste oil problems were improved this past summer.

Inland Fisheries Committee

In 1991 the committee was assigned the task of commencing a three year project to reestablish a viable herring spawning run in Town Brook and Eel River. The Committee first contacted Joseph DeCarlo, senior Marine Fisheries biologist to advise us on the problems we faced. They were considerable. Following Mr. DiCarlo's advice, a crash program was begun. A daily tour of both streams was initiated to remove obstacles and debris from the ladders. Temporary repairs were

made where possible to ladders and water flow controlled by altering the gates as needed. After the spawning run, permanent repairs were undertaken. One complete ladder needs replacement, and several others require minor or major work. We continue to plan and work through the winter months on these problems.

The Eel River run suffers from extreme over fishing and will require careful monitoring to curb such abuse. However, a fairly good nucleus of fish offers encouragement for future success.

Town Brook had a fair run. This was augmented by Division of Marine Fisheries stocking of four thousand fingerlings into Billington Sea.

We look forward to ever increasingly large spawning runs in the future.

Old Schoolhouse Committee

The Old Schoolhouse Committee meets the second Tuesday of each month at 6:30 p.m. The Schoolhouse is located at 1144 Long Pond Road in Cedarville.

We are happy to report that there has been an increased use of the facility this past year. Various civic groups and organizations using the building include: The Cedarville Task Force, Cedarville Arts & Crafts Guild, Boy Scouts of America, Alcoholics Anonymous, Kingsbridge Shores Civic Association and Cedarville Landing Associates., Blood Pressure Clinics are held the third Monday of each month and workshops on income tax preparation are provided each year. In addition, the Schoolhouse is also the town voting headquarters for Precinct 8.

This year, for the first time, the building is maintained on a weekly basis. We have been able to institute this program as a result of donations from the various groups that use the facility.

130 Court Street Committee

As mandated by Town Meeting, our responsibility is to approve the use of the 130 Court Street property. Since there have been no vacancies at 130 Court Street front, and since the Plymouth School Department still assumes all responsibility for 130 Court Street rear, it has not been necessary for this committee to meet during the year.

Plymouth Beach Advisory Committee

The Plymouth Beach Advisory Committee (PBAC) is appointed yearly by the Selectmen and charged with long range planning toward the future preservation and best interests of Plymouth Beach. The PBAC members deserve to be recognized for their continued volunteer efforts to preserve Plymouth Beach for as many years as possible for the crucial protection of the Plymouth waterfront and the recreational use of the town's taxpayers. The 1991 activities commenced with the yearly volunteer Plymouth Long Beach erosion control project - performed by the Mass. Beach Buggy Association (MBBA) and others concerned with beach conservation under the supervision of Plymouth Conservation Officer John Crane. The PBAC thanks all of those faithful volunteers who participated in the project and those behind the scenes who donated their discarded Christmas trees - equipment- refreshments and support. Thanks are also in order for the volunteer beaches clean up crews organized by PBAC member Heather Leslie and Conservation Agent Carlos Fragata. To conclude a previous Plymouth Beach ad hoc study committee's recommendations, the Selectmen appointed a Plymouth Beach Management Committee to manage the day to day activities on Plymouth Beach. The system didn't work out as anticipated and after much consideration the Selectmen rescinded the Management Committee replaced it with a Management Team and enlarged the PBAC membership to eleven . The charge of the PBAC continued to be long rang planning - but for Plymouth Long Beach only.

Early in 1991 the PBAC voted that education should be the priority goal, but due to occurring business determined to be of an emergency nature ,the education goal will be extended forward into 1992. The PBAC was made aware and investigated active state legislation known as the Mass. Endangered Species Act (MESA) - which a majority of the PBAC believed, if passed into law, would be a potential threat to the town's customary management decision making concerning town owned land on Plymouth Beach. On 13 March, 1991 the PBAC voted to alert the Selectmen - Management Committee and Conservation Commission of their concerns and on 18 March, 1991 notified those town agencies with a request that they investigate and if in agreement with the PBAC findings, to take a position in opposition to the proposed law. The 1991 proposed Mass. Endangered Species Act was determined to be the continuation of state legislation first introduced in 1988 by the Mass. Audubon Society. The PBAC served their charge to the town by fully investigating the MESA , contacting state officials, holding and attending several special meetings, taking a voted position of opposition and informing the Selectmen of all findings and documented evidence. The end of 1991 observed the Mass. Endangered Species Act (MESA) passed into law by the legislature as M.G.L. Chap. 131A. State Rep. Peter Forman voted for and complimented the new law. The Plymouth Board of Selectmen took no position. The Plymouth Park Department and Conservation Commission recommended approval of the new law. The full impact of the

new M.G.L. Chap. 131A to Long Beach will be evaluated and recorded in the 1992 Plymouth Annual Report. The O.R.V. sticker fee for Long Beach was voted by the Selectmen to be \$35 with no dump privilege and \$17.50 for senior citizens. It should be recorded that on 19 August 1991 Hurricane Bob caused severe damage to Plymouth Beach and was followed on 30 October 1991 by a "no name" storm which devastated all of Plymouth's Beach. Brian Harrington, a long time PBAC member and employee of the Manomet Bird Observatory, resigned on 1 November, 1991 and was voted a thank you for service letter by the PBAC. During 1991 Plymouth resident Steve Grattan exhibited outstanding participation and involvement in focusing attention on issues concerning Plymouth Beach. The PBAC needs just such public participation and will be welcome at the PBAC meetings.

Plymouth County Mosquito Control Project

The project is a special district created by the state legislature in 1957 and is now composed of 24 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. On July 1 the Town of Abington rejoined the project. The project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

In 1991, the project was again challenged by the threat of the mosquito transmitted disease, Eastern Equine Encephalitis (EEE), but rainfall did not reach levels of the previous year. Residential complaints were received earlier than normal due to the anticipated EEE threat and resultant media coverage. Efforts were again aimed at larval mosquitoes starting with the spring brood, and aerial larviciding was expanded using B.T.I., an environmentally selective bacterial agent. Upon emergence of the spring brood of adult mosquitoes, ultra-low-volume spraying began. All available manpower responded to requests concerning mosquitoes, and all sprayers and trucks performed well with little time lost to breakdowns.

In April of 1991, the Massachusetts Department of Public Health issued an advisory on EEE to local Boards of Health, Mosquito Control Districts, and all campgrounds in Southeastern Massachusetts. Virus was first isolated from *Culiseta Melanura*, a bird biting species collected in Carver the week of July 28. The project responded by targeting areas of high risk. Concern of transmission of EEE to both horses and humans developed, and on August 2 a Westborough horse died with symptoms consistent with EEE. On August 8 another horse from the same farm was destroyed. However, no human or equine cases occurred in Plymouth County, although additional virus-positive bird biting mosquitoes were collected. Historical case data suggest a return in 1992 of the EEE virus, which runs in a two or three year cycle.

Insecticide Application. 29,408 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in October.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 289 inspections were made to 175 catalogued sites.

Finally, we have been tracking complaint response time, that is the time between notice of a mosquito problem and the response by one of our inspectors. The complaint response time in the Town of Plymouth was less than two days with more than 555 complaints answered.

Water Management. During 1991 crews removed blockages, brush and other obstructions from 650 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Machine Reclamation. 950 linear feet of ditch was reconstructed in Plymouth using one of the project's two track driven backhoes.

Mosquito Survey. A systematic sampling of mosquitoes in Plymouth indicates that *Coquillittidia perturbans* was the most abundant species. Other important species collected included *Uranotaenia sapphirina* and ***Culiseta melanura***.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Recycling Advisory Committee

The Recycling Committee was established in November 1990 and consisted of fifteen members. The Selectmen nominated five constituents from town groups and committees and ten at-large from the community. The committee's function is to serve in an advisory capacity to the Board of Selectmen and Director of Public Works and has been responsible for reviewing the current and future recycling efforts and needs of the Town of Plymouth. The committee's charge was to suggest areas of improvement, study alternative strategies, costs and savings and generally serve as an advocacy group for recycling within the community.

After weekly informational meetings that on occasion were attended by representatives of disposal and recycling firms, the Recycling Committee made initial recommendations to the Selectmen in March. The highlights of the report included a recommendation that the town commit to recycling on a larger and more consistent scale, incorporating better promotion, education, accountability and facilities for long term recycling in Plymouth. In June, the committee made its final report showing the costs and savings associated with recycling. It was agreed upon by the Selectmen and Recycling Committee to maintain a standing recycling committee of five members to provide guidance and direction for the Recycling Program. The committee members appointment is annual ending June 30.

During the last six months of 1991, the committee has worked towards establishing an effective recycling program supervised by the DPW until a recycling contract can be secured. Specifications for a request for proposals have been drafted and under review at years end. It is projected that a contract will be signed in early 1992.

1749 Court House Committee

Although we were down in attendance during the 1991 (1100 less than last year), it was a most interesting and, in many ways, a most unusual year. The heat and humidity were unbearable, especially during July, and all tourist attractions in the state were adversely affected. From opening day in May to closing on October 21, there wasn't a week that passed without someone rushing in, thinking we were the modern day courthouse.

We were very pleased that so many of our local town officials and attorneys stopped by to visit. There were almost twice as many tourists from England compared to previous seasons, and those from Australia, for some reason, were almost nil. On the other hand, there were far more from Spain and France than usual. Also, many more from Texas and California as compared to previous years. As usual, we had many repeat visitors from all over the country. Some of the most unusual countries represented were Hong Kong, Thailand, So. Africa, Philippines, Zimbabwe, Transylvania, West Samoa and Venezuela.

Two authors were among our more distinguished guests; one a writer/illustrator of children's books. Both gentlemen enjoyed the tour of our museum and asked many questions regarding its history. One very unique visitor in June was a woman from Arizona, who was into metaphysical studies. After spending much time alone in the courtroom, she told of "sensing" a spirit. It was uncanny, as she described it; it might well have been that of Judge Peter Oliver, a leading justice in our courthouse's history!

Our 1890's gallows received a bit of notoriety in the news this fall. It is the one referred to by the judge who presided at the Meinholtz trial.

On December 5th, Attorney. Michael Vidette interviewed John P. Ryan, Chairman of 1749 Court House Committee, and Mrs. Martin, Museum Guide. This was a half hour videotaped segment for local Channel 3. They toured the Museum in depth, showing exhibits on both floors. We were most grateful for the opportunity to share our unique museum with the Channel 3 viewers and invite them to stop in, next season.

We added a new exhibit to the courtroom this season, a prisoners' dock. It has proved to be the most popular place for photo taking sessions and completes the courtroom setup. It added a marvelous touch to the November 25th mock trial with the El Paso Texans, who claimed the First Thanksgiving was held there in April, 1585. The trial was covered by news media from all over New England and was a great success. The "trial" is to be reconvened in Texas in April with a return visit to Plymouth by the Texans next November.

We are always ready and willing to accommodate any interested group(s) year round. Currently, we open in early May to host elementary school groups from Hartford, Conn. and local schools. We are happy to report that some out-of-state fall bus groups have discovered us and are now making annual visits. We'll gladly open evenings as well as we have often done in the past, to accommodate any special event. If interested, please contact with Mr. Ryan or Mrs. Martin.

As usual, visitors expressed gratitude that there is no admission charge. The Town of Plymouth's D.P.W. is to be complimented for the excellent maintenance of our historic building. Not only is the building itself the subject of much picture-taking, but many people pose on the doorstep or in front of our sign as well.

Town Forest Committee

1991 marks the second year of our ten year management plan. Despite a limited budget, our progress is right on schedule. Two important accomplishments have been achieved. The first and most important was the reduction of rubbish dumping. This year only one truck load of rubbish was removed from forests lands by the Plymouth Parks and Forestry Division as opposed to six loads the previous year. We credit this to the installation of three cable gates located at the more heavily abused areas. One of these gates was destroyed and promptly replaced this fall. The second accomplishment is one of recognition. Many of us remember the large old black and white Town Forest sign once located where the Plymouth Intermediate School now stands. Finally a new Town Forest sign now stands at the intersection

of Drew and Long Pond Roads which is the main access for the Town Forest. The sign is beautifully hand carved and blends nicely with its rustic woodland setting. This sign was designed to incorporate a map and brochure display for future recreational use.

We feel the Plymouth Town Forest is on its way to being reclaimed as a functional and managed forest. We look forward to its future.

In closing, we'd like once again to thank the Plymouth D.P.W. for their continued help and a special thanks to mother nature who has been kind in sparing us fire, insect and minimal hurricane damages.
